29) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

30) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

31) The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

32) All required amendments to and filings of the Plan documents with the appropriate agencies have been made. The Company has not applied for a determination letter from the IRS to determine if the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan document is based upon a prototype plan instrument from Principal Life Insurance Co. which received an IRS advisory letter dated March 31, 2014. The prototype plan instrument has been updated for legislative and regulatory changes. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

33) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

34) The Plan has complied with the fidelity bonding requirements of ERISA.

35) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

36) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

37) We acknowledge our responsibility for presenting the Schedule of Assets Held for Investment Purposes at End of Year and the Schedule of Delinquent Participant Contributions (the "Supplemental Schedules"), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the Supplemental Schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the Supplemental Schedules have not changed from those used in the prior period, and

DocuSign Envelope ID: AEE40CF2-3EC1-4DE3-AACB-6621A3B0FC60

we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the Supplemental Schedules.

38) As part of your audit, you have prepared the financial statements of the Plan in conformity with U.S. GAAP, performed certain reconciliations and prepared cash-to-accrual conversions (as applicable), based on information provided by us. We have designated an individual with suitable skill, knowledge, or experience to oversee these services; have assumed all management responsibilities regarding these services; evaluated the adequacy and results of the services you have performed; and accepted responsibility for the results of these services.

39) During 2020, 2019, 2018 and 2017, the Plan Sponsor failed to apply the Plan Document definition of compensation for certain participants. In January 2021, the Plan Sponsor entered the DOL's Self Correction Program ("SCP") and made a qualified non-elective contribution ("QNEC") in the amount of $6,996 for the missed contributions and related lost earnings and interest to the Plan on behalf of the affected participants.

40) During 2020 and 2019, the Plan Sponsor failed to ensure certain participants were auto enrolled as of December 31, 2020. In January 2021, the Plan Sponsor entered the DOL's SCP and made a QNEC in the amount of $240,323 for the missed contributions and related lost earnings and interest to the Plan on behalf of the affected participants.

41) During 2020, the Plan Sponsor failed to remit participant contributions in a timely manner. The Plan Sponsor identified two instances during the year ended December 31, 2020, where $20,559 in participant contributions and $528 in participant loan repayments were remitted to the Plan in violation of DOL regulations. The missed earnings and interest were submitted to the Plan in accordance with the DOL SCP in January 2022.

42) During 2020, the Plan Sponsor identified two instances where an eligible participating employee did not receive the earned safe harbor employer match contribution due to an administrative error. In January 2022, the Plan Sponsor entered the DOL's SCP and made a QNEC in the amount of $5,644 for the missed contributions and related lost earnings and interest to the Plan on behalf of the affected participants. The Plan has recorded a corrective employer contributions receivable of $5,644 and $10,000 as of December 31, 2021 and 2020, respectively.

43) During 2021, the Plan Sponsor failed to apply the Plan Document definition of compensation for certain participants which resulted in excess contributions. The Plan Sponsor is in process of calculating the excess contributions and related earnings and interest and has initially estimated the correction to be $21,818. The Plan Sponsor intends to enter the DOL's SCP in 2022. The Plan has recorded an excess contributions payable as of December 31, 2021 for the estimated amount.

44) During 2021, the Plan Sponsor identified two situations which resulted in eligible participating employees not receiving their full, earned safe harbor employer match contribution. One participant's safe harbor employer match was missed entirely, and

several participants safe harbor employer match amounts were prematurely capped; both due to an administrative error. In September 2022, the Plan Sponsor entered the DOL's SCP and made a QNEC in the amount of 19,543 for the missed contributions and related lost earnings and interest to the Plan on behalf of the affected participants. The Plan has recorded a corrective employer contributions receivable of $19,543 as of December 31, 2021.

45) In April 2021, the Plan Sponsor processed and submitted the annual safe harbor employer match true-up in the amount of $32,552, including the related lost earnings and interest, to the Plan on behalf of the affected participants. The Plan has recorded an employer contributions receivable of $32,552 as of December 31, 2020.

46) In September 2022, the Plan Sponsor processed and submitted the annual safe harbor employer match true-up in the amount of $313,818, including the related lost earnings and interest, to the Plan on behalf of the affected participants. The Plan has recorded an employer contributions receivable of $313,818 as of December 31, 2021.

47) During the year ended December 31, 2021, we had one instance where we remitted participant contributions 5 days after the payroll date, with our average being 1 day before the payroll date. We believe this was an isolated, one-time issue with the submission of a supplemental payroll remittance and we processed the remittance as soon as administratively feasible. We do not believe this instance should be considered late contributions to be reported on "Schedule of Delinquent Participant Contributions", but we understand that the DOL may reach a different conclusion in the event they review the Plan.

48) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan. We understand that the DOL regulation states that participant contributions must be submitted to the Plan as follows:

- "The earliest date on which the contributions can reasonably be segregated from the employer's general assets."
- There is no "Safe Harbor" for timely submitting participant contributions.

Except as noted in #47, during the year ended December 31, 2021, we remitted participant contributions between 2 days before and 3 days after the payroll date, with our average being 1 day before the payroll date. We do not believe that contributions that are 3 days from the payroll date should be considered late contributions to be reported on "Schedule of Delinquent Participant Contributions", but we understand that the DOL may reach a different conclusion in the event they review the Plan.
