INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Trustees
Hope House, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hope House, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hope House, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hope House, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hope House, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hope House, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hope House, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Hope House, Inc. Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

General

The Hope House, Inc. Retirement Plan (the Plan) was established on January 1, 2006. The Plan is sponsored by Hope House, Inc. (the Company). The following brief description of the Plan is provided for general informational purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of the Company. Employees of the Company are eligible to participate in the Plan if they have attained the age of twenty-one and completed six months of service with at least 1,000 hours of service during such period. Entry into the Plan is the first day of the Plan year or the first day of the seventh month of the plan year coinciding with or following the date the participant satisfies the eligibility requirements. Participants who have reached the age of 21, completed one year of service (a minimum of 1,000 hours), and are employed on the last day of the plan year are eligible for the Company's profit-sharing contribution regardless of whether or not they are deferring. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During the year ended December 31, 2020, certain employees of the Hudson Mohawk Recovery Center, Inc. (HMRC) became eligible participants of the Plan as a result of the pending agreement between Hope House, Inc. and HMRC whereby Hope House, Inc. would acquire the assets of HMRC in exchange for the assumption of certain liabilities of HMRC which was finalized in 2021. During the year ended December 31, 2019, as a result of The Next Step, Inc. (TNS) merging into Hope House, Inc., certain employees of TNS became eligible participants of the Plan. Years of service credited to employees while employed by HMRC and TNS were counted towards the service requirement of the Plan.

Contributions

Each year, participants may contribute pretax annual compensation as defined in the plan document, subject to certain limitations. The maximum participant deferral for the year ended December 31, 2021 was \$19,500. Participants age 50 and over are also permitted to make additional "catch-up" contributions with a total maximum contribution of \$26,000 for the year ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make profit-sharing contributions to the Plan on behalf of eligible participants. An eligible participant's share of the Company's profit-sharing contribution is based on their compensation as a percentage of total compensation of all eligible participants times the Company's total profit sharing contribution. Participants do not direct the Company's profit-sharing contribution to any of the Plan's investments (see *Participant Directed and Non-Participant Directed Investments* below).

Participant-Directed and Nonparticipant-Directed Investments

The Plan's provisions allow the participants to direct their contributions and rollover contributions to any of the Plan's registered investment companies (mutual funds) or money market fund with the Plan's trustee, Glens Falls National Bank and Trust Company.

**HOPE HOUSE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

1. DESCRIPTION OF PLAN

Participant-Directed and Nonparticipant-Directed Investments

The Company's profit-sharing contribution portion of an employee's account is invested at the direction of the plan sponsor and Glens Falls National Bank and Trust Co., as a directed trustee. The assets from the profit-sharing portion of the Plan are invested in a money market fund and various registered investment companies (mutual funds). Participants do not own shares of the underlying investments nor do they direct the profit-sharing contribution to any specific investment, instead the annual profit-sharing contribution, if any, is recorded in the RPSCash account (see also Note 9).

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) investment earnings and losses, and (b) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The profit-sharing portion of a participant's account is credited with the Company's annual profit-sharing contribution, if any, and an annual allocation of investment earnings and losses. Investment earnings and losses on the underlying investments are allocated to the participants based on their pro-rata share of the overall RPSCash balance times the total investment earnings or losses for the year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested immediately in their contributions, plus actual earnings (losses) thereon. Vesting in the Company's profit-sharing contributions portion of their accounts is based on years of continuous service and is the earlier of the vesting schedule below or plan termination, the occurrence of normal retirement age (65), or death or disability.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes Receivable from Participants

Participants are allowed to borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% percent of their vested account balance. The notes are secured by the balance in the participant's account. All notes must bear a reasonable rate of interest commensurate with one a bank or other professional lender would charge for making a note in a similar circumstance. Notes are required to be repaid in level payments of principal and interest. Principal and interest are paid over a term ranging from one to five years. However, notes used to acquire a principal residence may be paid over a term that exceeds five years. Principal and interest are repaid through bi-weekly payroll deductions.

**HOPE HOUSE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

1. DESCRIPTION OF PLAN

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant must elect to receive an amount equal to the value of the participant's vested interest in their account, either in a lump sum amount or a series of payments, subject to limitations. If the vested portion of a participant's account balance is \$1,000 or less, this amount will be paid as a lump sum distribution in cash to the participant as soon as possible following termination, retirement, disability, or to the beneficiary following death. If the vested portion of a participant's account balance is more than \$1,000, but less than \$5,000, this amount must be distributed from the Plan either in cash to the participant or as a rollover into an IRA or a new qualified plan. Normal retirement under the Plan is 65 years of age. There are no provisions for early retirement. Hardship withdrawals of elective deferrals and the participant's vested portion of the Company's contributions are allowed as defined by the Plan. The Plan also permits in-service distributions after attaining normal retirement age.

Forfeited Accounts

In accordance with the plan document, plan forfeitures can be used to pay plan expenses, reduce employer contributions, or be allocated to participants as an additional employer contribution. At both December 31, 2021 and 2020, forfeited non-vested accounts totaled \$-0-. During the years ended December 31, 2021 and 2020, \$13,916 and \$7,115, respectively, were allocated to participants as additional employer contributions and no amounts for either 2021 or 2020 were used to pay plan expenses or reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from the sale of investments, and the net change in the unrealized appreciation (depreciation) of investments. Purchases and sales of securities are recorded on a trade-date basis.

**HOPE HOUSE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

Benefits

Payments of benefits are recorded when paid.

Plan Expenses

Certain administrative expenses of the Plan are paid for by the Company and others are paid for by the Plan. Participant transaction fees are charged directly to participant accounts as incurred. Expenses paid for by the Company for the years ended December 31, 2021 and 2020 were \$3,259 and \$4,708, respectively.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant account balances and amounts reported in the statement of net assets available for benefits.

4. INCOME TAX STATUS

The underlying non-standardized prototype plan has received an opinion from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2005-6 and Announcement 2001-77, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended to comply with recent legislation, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Generally accepted accounting principles in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require the recording of a liability or disclosure in the financial statements.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Glens Falls National Bank and Trust Co., as the trustee of the Plan, has certified to the completeness and accuracy of the investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the accompanying schedule of assets (held at end of year) as of December 31, 2021, and the related investment and notes receivable from participants activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

6. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets and liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Registered investment companies (mutual funds) and money market funds: Fair value based on quoted prices in active markets at year end.

**HOPE HOUSE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

6. FAIR VALUE MEASUREMENTS

RPS Cash: The underlying investments of the RPSCash account, which holds the Company's cumulative profit-sharing contributions and the cumulative investment gains and losses are registered investment companies (mutual funds) and a money market fund. Fair value of the RPSCash account is based solely on the underlying investments and as such, is determined in the same manner as the Plan's other investments disclosed above.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets measured on a recurring basis at December 31 are as follows:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
December 31, 2021		
Registered investment companies (Mutual funds)	\$ 1,500,420	\$ 1,500,420

7. PARTIES-IN-INTEREST

The Plan is sponsored by Hope House, Inc. The Plan and the sponsor are considered related parties based upon shared management. The following organizations are considered parties-in-interest based upon services provided to the Plan during the years ended December 31, 2021 and 2020.

Hope House, Inc. - Plan Sponsor
Marvin and Company, P.C. - Plan Audit Firm
Glens Falls National Bank and Trust Co. - Trustee, Third-party administrator,
Recordkeeper, and Investment Advisor

7. PARTIES-IN-INTEREST

Glens Falls National Bank and Trust Company provides third-party administrator and recordkeeping services to the Plan. For the years ended December 31, 2021 and 2020, the Plan paid \$8,232 and \$7,473, respectively, for these services. These amounts are included in the accompanying statements of changes in net assets available for benefits under administrative expenses and participant transaction fees. In addition, during the years ended December 31, 2021 and 2020, Glens Falls National Bank and Trust Company also received indirect compensation in the amount of \$4,021 and \$4,367, respectively, related to investment advisory services performed on behalf of the Plan, which is included in the net appreciation of investments in the accompanying statements of net assets available for benefits.

For the years ended December 31, 2021 and 2020, there were no prohibited transactions between either the related parties and the Plan or the parties-in-interest.

8. PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the plan document and ERISA. In the event that the Plan terminates, participants will become 100% vested in the Company's profit-sharing contributions portion of their accounts, and the net assets of the Plan will be allocated as prescribed by the plan document and ERISA. Upon termination of the Plan, the Trustee will continue to hold the plan assets and will make distributions of the Plan's benefits in accordance with the instructions of the plan administrator and the Plan's provisions.

9. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets available for benefits as of December 31 and the significant components of the changes in net assets available for benefits for the years then ended relating to the nonparticipant-directed investments is as follows:

10. PLAN AMENDMENTS

The Plan was amended effective January 1, 2020 to comply with the provisions of The Bipartisan Budget Act of 2018 (the Act). The two main provisions of the Act that effect the Plan are the removal of the required suspension of employee pre- and post-tax contributions for a six-month period following a hardship distribution and also removing the requirement that an employee first take a participant loan from the Plan prior to taking a hardship distribution.

The Plan was amended effective December 1, 2020 to include an employee's years of service with the Hudson Mohawk Recover Center, Inc. when determining that employee's eligibility to participate in the Plan, to receive an allocation of the employer contribution and for vesting purposes in the Plan.

As a result of the COVID-19 pandemic, in March of 2020 the U.S. Congress signed into law The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). The CARES Act contained a number of optional provisions that plan sponsors could adopt from an operational standpoint without formally amending their plan document until December 31, 2022. These provisions included COVID-related distributions up to \$100,000, increased loan amounts of up to the lesser of \$100,000 or 100% of the participant's vested account balance, and the possibility of suspension of loan repayments for up to one year. During the year ended December 31, 2021, the Plan was formally amended as required by the CARES Act. In amending the plan document, the plan sponsor elected not to provide any of the relief provisions outlined in the CARES Act.

11. SUBSEQUENT EVENTS

Plan management has evaluated events subsequent to the statement of net assets available for benefits date of December 31, 2021, and through October 17, 2022, which is the date these financial statements were available to be issued, and has determined that there are no subsequent events that require recording or disclosure.
