Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Papich Construction Company, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Papich Construction Company, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.1.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Papich Construction Company, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B.1. to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B.1.; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Papich Construction Company, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Papich Construction Company, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Papich Construction Company, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note B.1.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.1.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, line 4i-Schedule of Assets (Held at End of Year) (modified cash basis) and (2) Schedule H, line 4a-Schedule of delinquent Participant Contributions (modified cash basis) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Papich Construction Company, Inc. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Papich Construction Company, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

Effective January 1, 2004, Papich Construction Company, Inc. (the “Employer”) established the Plan for the benefit of all eligible employees. The Plan is a contributory plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law and, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. The provisions of the CARES Act were permitted to be effective and operationalized immediately, prior to amending the plan document. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to \$100,000 beginning on or after January 1, 2020 and before December 31, 2020
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant’s vested account balance
- Extended the period for loan repayments, if applicable, up to one year
- Waiver of Required Minimum Distributions for 2020

In March 2021, the Employer terminated its contract with Minnesota Life Insurance Company (“Minnesota Life”) as custodian and Securian Retirement, as recordkeeper and third-party administrator and entered into an agreement with Mid Atlantic Trust Company (“MATC”), as trustee and custodian, and Mutual of America as the recordkeeper and third-party administrator, effective July 1, 2021. As a result, on July 2, 2021, all Plan investments and notes receivable from participants were transferred from Minnesota Life to MATC. In addition, effective July 1, 2021, the plan adopted a non-standardized defined contribution pre-approved plan (“pre-approved plan”), which amended and restated the Plan for various changes in laws and plan design.

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Eligibility

Employees, regardless of age or service, who perform services for the Employer under a contract covered by a prevailing wage law, are eligible to receive prevailing wage contributions. Employees are eligible to make salary deferrals and receive discretionary Employer contributions upon the completion of two months of service and attainment of age 18 prior to monthly entry dates. In addition, employees must have worked at least 1,000 hours during the plan year and be employed on the last day of the plan year to be eligible for discretionary Employer contributions. Participants who have one year of service and have attained age 18 are eligible to receive an Employer safe harbor contribution.

Employees covered by collective bargaining agreements who were hired prior to September 1, 2016 are eligible to make salary deferrals, but are not eligible to receive Employer contributions. Otherwise, employees covered by collective bargaining agreements hired after September 1, 2016 are not eligible to make salary deferrals or receive Employer contributions, other than prevailing wage contributions.

3. Contributions

Participants may make pre-tax deferrals or Roth contributions up to the maximum deferral limit per Section 402(g)(1) of the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Employer makes safe harbor matching contributions in an amount equal to 100% of the participant's deferred contribution up to 4% of compensation. The safe harbor matching contributions totaled \$105,284 during the year ended December 31, 2021. The Employer may make an additional discretionary matching contribution and/or a discretionary profit sharing contribution as determined by the Employer each year and allocated to participant accounts at the end of the plan year. No such discretionary employer contributions were made during the year ended December 31, 2021.

The Employer makes prevailing wage contributions based on the hourly contribution rate required under the applicable prevailing wage law. Employer prevailing wage contributions totaled \$350,736 during the year ended December 31, 2021.

4. Investment Options

Upon enrollment in the Plan, participants may direct participant contributions or any Employer contributions in a variety of investment options held by MATC effective July 1, 2021, and Minnesota Life, prior to July 1, 2021, as provided by the Plan. Participants may change their investment options daily.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

5. Notes Receivable from Participants

Participants may borrow against their vested account balance, as defined by the Plan, a minimum of \$1,000 up to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance during the preceding 12 months. Prior to July 1, 2021, the maximum number of loans a participant may have outstanding at any time is one loan for the purchase of a primary residence and one loan for any other purpose. Effective July 1, 2021, participants may have one loan outstanding at any time. Loans shall bear an interest rate of prime plus 1%. Loans must be repaid within 5 years or over a longer period if for the purchase of a primary residence.

6. Participant Accounts

Each participant's account is credited with participant contributions, Employer contributions, rollover contributions, and Plan earnings. Participant accounts are charged an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

7. Benefit Payments

Upon termination of service, participants are entitled to receive their vested account balances. Upon termination due to early or normal retirement, death, or disability, a participant or a participant's beneficiary is entitled to the total value of the participant's account balance. Hardship and in-service distributions are permitted if certain criteria are met. The Plan does not allow for hardship distributions from Employer contributions.

8. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to reduce future Employer contributions. There were no outstanding forfeitures at December 31, 2021 and 2020.

9. Vesting

Prevailing wage contributions, participant contributions, Employer safe harbor contributions and actual earnings thereon are fully vested at all times. Employer discretionary matching contributions and discretionary profit sharing contributions, plus actual earnings thereon, are vested at 25% after one year of service, an additional 25% per year of service thereafter, and are fully vested after four years of service.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared using the modified cash basis of accounting, under which contributions and investment income are recorded when received, rather than when earned, and distributions and expenses are recorded when paid, rather than when incurred. That basis differs from accounting principles generally accepted in the United States of America primarily because the Plan has not recognized contributions receivable, accounts payable, and their related effects on earnings in the accompanying financial statements.

2. Plan Administration

The Employer is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. Payment of Benefits

Benefits are recorded when paid.

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, and custodians. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received. Net appreciation/depreciation includes gains and losses on investments bought and sold as well as held during the year.

5. Administrative Expenses

Administrative expenses incurred by the trustee, custodians, and record-keepers in performance of their duties are paid from the assets of the Plan. Investment related expenses are included in net appreciation/depreciation in fair value of assets.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE C - INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIANS

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Minnesota Life, a custodian, as of December 31, 2020 and for the period January 1, 2021 to June 30, 2021 and MATC, the trustee and custodian as of December 31, 2021 and for the period July 1, 2021 to December 31, 2021, as complete and accurate, except for comparing such information certified by the trustee and custodians to information included in the Plan's financial statements and supplemental schedule:

- Investments reflected in the accompanying Statement of Net Assets Available for Benefits (modified cash basis) as of December 31, 2021
- Investments and notes receivable from participants reflected in the accompanying Statement of Net Assets Available for Benefits (modified cash basis) as of December 31, 2020
- Net investment income and interest income on notes receivable from participants totaling \$3,159 reflected in the accompanying Statement of Changes in Net Assets Available for Benefits (modified cash basis) for the year ended December 31, 2021
- Investments reflected on the Schedule of Assets (Held at End of Year) (modified cash basis)

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PAPICH CONSTRUCTION COMPANY, INC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: The unit value of these accounts is based on the net asset value of their underlying investments, which consist of a single mutual fund or a portfolio of securities. The unit value is not a publicly quoted price in an active market. The unit value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported unit value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at fair value				<u>\$ 6,742,860</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits (modified cash basis).

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020. Participant directed transfers to other investment options were generally limited to two transfers into and two transfers out of the same option per calendar quarter. The redemption notice period below was applicable only to the Plan.

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan held an investment in a group annuity contract with Minnesota Life that met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The following represents the traditional investment contract held by the Plan.

	December 31,	
	2021	2020
MN Life Guaranteed Return Account	\$ -	\$ 13,717

The traditional investment contract held by the Plan guaranteed principal and accumulated interest. The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that was guaranteed to the Plan and could not be less than 1%. The contract value of the account represented the sum of contributions, interest, and dividends less participant withdrawal amounts and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations.

Certain events could limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401 of the IRC
2. The Plan is terminated
3. The Plan does not assent to an amendment or modification required by Minnesota Life

No direct transfers to competing funds were allowed. There was no adjustment to the contract value upon termination of the contract.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Effective July 1, 2021, investments are held with MATC, the trustee and custodian and Mutual of America is the record-keeper. Prior to July 1, 2021, Securian Retirement, a business unit of Minnesota Life, was the recordkeeper and third-party administrator of the Plan and Minnesota Life was the Plan's custodian. Transactions with these entities qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits (modified cash basis).

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Employer contributions, and the assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner prescribed by the Plan provisions and the IRC.

NOTE I - TAX STATUS

Effective July 1, 2021, the Employer adopted a pre-approved plan, which received a favorable opinion later dated November 30, 2020, in which the Internal Revenue Service (IRS) stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. Prior to July 1, 2021, the Employer adopted a volume submitter profit sharing plan, which received a favorable opinion later dated March 31, 2014. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The financial statements are presented on a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; therefore, plan management is not required to recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would be un-sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 15, 2022, the date the financial statements were available to be issued.
