INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Employee Benefit Plan of United Community Action Network
Roseburg, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Employee Benefit Plan of United Community Action Network (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Employee Benefit Plan of United Community Action Network's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of United Community Action Network and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of United Community Action Network's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employee Benefit Plan of United Community Action Network's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of United Community Action Network's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

EMPLOYEE BENEFIT PLAN OF UNITED COMMUNITY ACTION NETWORK
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of United Community Action Network (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a self-directed, defined contribution plan with an elective section 401(k) salary reduction option that covers all employees of United Community Action Network, commonly referred to as UCAN (Company). All eligible employees are able to participate in the Plan after completing six (6) consecutive months with the Company and have attained the age of twenty-one (21). Employees become eligible participants of the Plan on the first day of the month immediately following or coinciding with satisfaction of the eligibility requirements, as defined by the provisions of the Plan agreement. The profit sharing plan was established in 2016, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent qualified retirement plan legislation.

Contributions

The Company's matching contribution is 100% of the first 3% of base compensation that a participant contributes to the Plan. Participants may elect to voluntarily contribute to the Plan for their own benefit. Participant voluntary contributions are elective and permit participants' deductible voluntary contributions to be funded through salary reductions under the Section 401(k) provisions of the Plan. Participants can elect to contribute pre-tax deferrals and/or post-tax Roth deferrals.

Participants are limited in their Section 401(k) contributions by discrimination testing of Section 401(k) of the Internal Revenue Code. The maximum Section 401(k) contribution amount, per participant, was \$19,500 for 2021 (\$19,500 for 2020). However, for participants age 50 and above, additional "catch-up" contributions were allowed, up to \$6,500 for 2021 (\$6,500 for 2020) for a total annual amount of \$26,000 for 2021 (\$26,000 for 2020).

Participant Accounts

Each participant's account is credited with the participant's contribution and the employer's matching contribution. The accounts are also allocated a share of the Plan earnings, and charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Company's match contributions to their accounts plus the earnings thereon based on years of continuous service. A participant is 100% vested after three years of credited service, based on a graded vesting schedule.

Participants Loans

Under the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of 50% of the participant's vested account balance or \$50,000, determined immediately before the loan and reduced by the amount of any unpaid principal on any other loans secured by the vested portion of the account. Loan transactions are treated as a transfer from (to) the investment funds to (from) the Loans to Participants account. Interest earned is recorded in the Interest on Participant Loans account. Loans are made for terms not to exceed 5 years. A participant may not have more than two loans outstanding at any time.

EMPLOYEE BENEFIT PLAN OF UNITED COMMUNITY ACTION NETWORK
NOTES TO FINANCIAL STATEMENTS (Continued)
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participants Loans - Continued

Loans are secured by the balance of a participant's vested account balance, and bear a reasonable rate of interest determined by the Administrator after reviewing the interest rates charged for similar types of loans by other lenders. Principal and interest is paid ratably through semi-monthly payroll deductions or via monthly payments made directly to the Administrator by the participant.

Investment Options

Upon enrollment in the Plan, each participant elects to self-direct the investment of their entire account balance in 1% increments, which are limited to any of the investment funds offered by and entrusted to Mutual of America Life Insurance Company, as custodian. Participants may change their investment options daily.

Payment of Benefits

Any Plan benefits are paid from net assets available for benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump-sum amount or installments. For termination of service due to other reasons, a participant receives the value of the vested interest in his or her account as a lump-sum distribution. The plan also allows for age 59 1/2 in-service and hardship distributions.

Forfeited Accounts

Forfeitures of nonvested participant accounts are to be used to reduce employer contributions. As of December 31, 2021 and 2020 there were no forfeited non-vested accounts and the earnings thereon. Forfeitures of \$5,547 and \$5,649 were used to reduce employer contributions in the years ended December 31, 2021 and 2020, respectively.

Termination

Although it has not expressed any intention to do so, the Company may suspend or discontinue its contributions under the Plan, and may terminate the Plan, at any time subject to the provisions of ERISA. Upon termination, the Plan agreement provides that the rights of all participants to the benefits accrued through the date of termination, to the extent then funded, shall become fully vested and non-forfeitable. Distribution of accrued benefits shall be in accordance with the provisions of the Plan and federal regulations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

EMPLOYEE BENEFIT PLAN OF UNITED COMMUNITY ACTION NETWORK
NOTES TO FINANCIAL STATEMENTS (Continued)
DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan provides for various mutual fund options that have different investment strategies. These mutual funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded on the accrual basis of accounting. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Plan's accounting and legal expenses are paid by the Plan Sponsor. Loan origination fees, loan maintenance fees and fees for distributions are paid directly by the individual participants. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter from the Internal Revenue Service. However, the Plan Administrator has obtained an IRS volume submitter approval letter, which may constitute reliance on the approved plan. The Plan's Advisory Committee and legal and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan continues to qualify under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements. As of December 31, 2021, the Plan's federal returns for the years 2018 through 2021 remain open to examination.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

EMPLOYEE BENEFIT PLAN OF UNITED COMMUNITY ACTION NETWORK
NOTES TO FINANCIAL STATEMENTS (Continued)
DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Pooled Separate Accounts:* Number of shares owned in the underlying separate account multiplied by the closing net asset value per unit as quoted by the contract issuer.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value at December 31, 2021				
	Level 1	Level 2	Level 3	Total

NOTE 5 – INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance as permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA of 1974. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mutual of America Life Insurance Company, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

As required by Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA of 1974, Mutual of America Life Insurance Company has provided the plan administrator with the required certified statements on contributions invested at Mutual of America Life Insurance Company for the years ended December 31, 2021 and 2020.

Net investment gain per the Form 5500	<u>\$ 356,680</u>

NOTE 7 – RELATED PARTY TRANSACTIONS

Certain plan investments are shares of pooled separate accounts held and managed by Mutual of America Life Insurance Company (Mutual of America). Mutual of America was the custodian of the plan assets and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 – SUBSEQUENT EVENTS

In preparing these financial statements, the plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure through October 11, 2022, which represents the date that the financial statements were substantially available for issuance.
