INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust
Albuquerque, New Mexico**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the First Financial Credit Union 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the First Financial Credit Union 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

A-1

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the First Financial Credit Union 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the First Financial Credit Union 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Financial Credit Union 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Financial Credit Union 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of First Financial Credit Union 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**FIRST FINANCIAL CREDIT UNION
401(K) PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1: DESCRIPTION OF PLAN

The following description of the First Financial Credit Union 401(k) Plan and Trust (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of First Financial Credit Union (the "Credit Union"). The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief and Economic Security Act (CARES) was signed into law on March 27, 2020. The Act consisted of relief in the areas of loans, distributions, and Required Minimum Distributions.

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into law on December 20, 2019, and impacts various areas of Plan; including distributions, Plan administration, Lifetime Income Provisions and encourages Employer-Provided Plans; each area having a different effective date.

The Plan has not yet been amended to include the changes resulting from the implementation of these Acts but has until December 31, 2025 to do so based on recently issued IRS Notice 2022-33.

Eligibility and Vesting: Employees are eligible to participate in the Plan upon first entry date following three months of employment. Participants are immediately vested in their voluntary and rollover contributions and safe harbor contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of credited service, as defined by the Plan. Participants in this plan will vest at 20% per year and become 100% vested in any employer matching or discretionary contributions after completing six years of credited service.

Contributions: Participants may elect to defer to the Plan a portion of their eligible earnings on a pre-tax basis up to the maximum allowed under Section 402(g) of the Internal Revenue Code ("IRC"). Participants may contribute funds from another qualified plan as rollover contributions. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic deferral feature wherein unless a participant elects otherwise, the deferral rate will be initially be set at 3% of eligible compensation and will increase by 1% of compensation up to a maximum of 10% of compensation. The increase will be applied as of the second period that begins March 1st each year. The Credit Union makes a matching contribution equal to a uniform percentage of each participant's elective deferral, not including catch-up contributions, based on the participant's years of service, as described in the Plan document.

Participant Accounts: Each participant's account is credited with the participant's contribution, the credit Union's contributions, and Plan earnings and losses, reduced by distributions and certain plan expenses. Allocations are based on participant contributions, participant earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FIRST FINANCIAL CREDIT UNION 401(K) PLAN AND TRUST NOTES TO THE FINANCIAL STATEMENTS
--

Notes Receivable from Participant: Participants may borrow from their vested fund accounts. The loans are secured by the balance in the participant's account and bear interest a rate of Prime + 1% . Current participant loans bear interest at rates of 4.25% - 6.50% which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: Upon termination of service due to death, disability, or retirement, benefits are paid either in a lump sum, in the form of an annuity, or in equal installments over a period not more than the participant's or designated beneficiary's assumed life expectancy at the time of distribution. For termination of service for other reasons, a participant may receive that value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures: A participant vests in the employer contributions in accordance with the provisions of the Plan. Forfeitures of non-vested amounts remain in the Plan and may be used to reduce future contributions of the plan sponsor or pay plan expenses. There were no forfeited amounts available at December 31, 2021 and approximately \$25,000 in forfeited amounts available at December 31, 2020. There were \$99,900 and \$44,000 of forfeited amounts used to reduce employer contributions for the years ended December 31, 2021 and 2020, respectively.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation: The Plan's financial statements are on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator/Management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value except for the fully benefit responsive investment contract which is held at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income and dividends are recorded when paid. Net appreciation/(depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when paid. Accrued interest on participant loans is immaterial to the financial statements. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

FIRST FINANCIAL CREDIT UNION 401(K) PLAN AND TRUST NOTES TO THE FINANCIAL STATEMENTS
--

Administrative Expenses: The Plan permits payment of plan expenses to be made from Plan assets and these expenses will generally be allocated among account of all plan participants. Fees related to the administration of loans and distributions from participants and investment related expenses are charged directly to the participant's account and investment related expenses are included in the net appreciation of fair value of investments.

Subsequent Events: Credit Union Management has evaluated subsequent events through XXXXX **XX, 2022**, the date on which the financial statements were available to be issued.

NOTE 3: INVESTMENT CONTRACT

The Plan holds an investment contract with CMFG Life Insurance Company (CMFG). The assets are invested in a fully benefit-responsive contract, reported as the CUNA Mutual Stable Value Account in the Plan's accounting records. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because this contract meets the fully benefit-responsive investment contract criteria, the contract is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by CMFG, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a periodic basis.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual agreements may be affected by future economic, financial and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 4: INVESTMENTS - UNAUDITED

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants at December 31, 2021 and 2020, and net appreciation/loss in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by CMFG Life insurance Company and Matrix Trust Company. This information has not been audited by independent public accountants.

NOTE 5: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

The availability of inputs relevant to the asset or liability and the relative reliability of the inputs might affect the selection of appropriate valuation techniques.

Level 1 Inputs

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs

Inputs to the valuation methodology include:

- (a) quoted market prices for similar assets or liabilities in active markets;
- (b) quoted market prices for identical or similar assets or liabilities in inactive markets;
- (c) inputs other than quoted market prices that are observable for the asset or liability;
- (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2021 and 2020:

Mutual funds: Obtained from quoted prices in active markets for assets identical to the securities valued.

FIRST FINANCIAL CREDIT UNION 401(K) PLAN AND TRUST NOTES TO THE FINANCIAL STATEMENTS
--

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,313,470	\$ -	\$ -	\$ 20,313,470
Total assets at fair value	\$ 20,313,470	\$ -	\$ -	\$ 20,313,470

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,370,621	\$ -	\$ -	\$ 17,370,621
Total assets at fair value	\$ 17,370,621	\$ -	\$ -	\$ 17,370,621

NOTE 6: TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are shares and mutual funds managed by CMFG Life Insurance Company and Matrix Trust Company. CMFG Life Insurance Company and Matrix Trust Company are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 7: TAX STATUS

The Internal Revenue Service has determined and informed the Credit Union by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Plan management believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, First Financial Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

REPORT TO THE

PLAN TRUSTEES

**To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust
Albuquerque, New Mexico**

We have completed an ERISA Section 103(a)(3)(C) audit of the financial statements of the First Financial Credit Union 401(k) Plan and Trust (the "Plan") as of and for the year ended December 31, 2021 and have issued our report thereon dated **Date Pending Client Approval**. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements.

As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Communication of Matters Related to Plan's Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal controls. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Credit Union's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

-For Internal Use Only-
B-1

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The accounting principles and auditing standards referred to throughout the report and used to conduct our audit are those principles and standards generally accepted in the United States of America and promulgated by the American Institute of Certified Public Accountants.

**Matters Required to be Communicated to those Charged with Governance of the Plan
Our Responsibility under U.S. Generally Accepted Auditing Standards**

As stated in our engagement letter, our responsibility, as described by professional standards, is to plan and perform our audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement and are fairly presented in accordance with generally accepted accounting principles in the United States of America. Because an audit is designed to provide reasonable, but not absolute, assurance and because we did not perform a detailed examination of all transactions, there is a risk that material errors, fraud, or other illegal acts may exist and not be detected by us.

As part of our audit and except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information summarized in Note 4 to those financial statements, we considered the internal controls of the Plan. Such considerations were solely to determining our audit procedures and not to provide any assurance concerning such internal controls.

Independence

Generally accepted auditing standards require independence for all audits. Relevant matters to consider in reaching a conclusion about independence include circumstances or relationships that create threats to auditor independence and the related safeguards that have been applied to eliminate those threats or reduce them to an acceptable level.

It is the policy of our firm that all Associates be familiar with and adhere to the independence, integrity, and objectivity policies of the firm. In this regard, any transaction, event, circumstance, or action that would impair the firm's independence is prohibited. We are familiar with the AICPA's Code of Professional Conduct and subsequent auditing standards, and their interpretations and ruling which requires that we are independent in fact and in appearance. All of our Associates are required to sign an Independence Representation Form when hired and annually thereafter. In addition, we inform all Associates on an ongoing basis whenever a new client engages our services in order that our Associates can review their independence with the new client at that time. Any conflicts must be reported to the Quality Control Director. For the period covered by the attached audited financial statements, all of our Associates involved in this engagement are independent of your Credit Union.

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

In accordance with our professional standards for this engagement, it is required that all Associates of Nearman, Maynard, Vallez, CPAs who were involved in this engagement, are independent and no conflict of interest exists between our Associates and the Credit Union, its staff, and any of its representatives and we have not assumed any management responsibilities. All Associates of Nearman, Maynard, Vallez, CPAs were independent in fact and appearance with this engagement and no conflict of interest exists.

It is the responsibility of Management to make all management decisions and perform all management functions with the information provided to them as a result of this engagement and designate a competent individual to oversee the services preferably within senior management, who possesses suitable skill, knowledge, and/or experience. Management should assess and be satisfied that such an individual understands the services to be performed, the scope, risk, and frequencies of activities which is sufficient to oversee them. These management decisions and functions include, but are not limited, to accepting responsibility for the implementation of and/or the decision to implement the results of the services performed and to evaluate the adequacy of procedures performed and the findings resulting from the performance of those procedures. They also conduct ongoing monitoring activities. It is also part of Management's responsibility for designing, implementing, and maintaining the process of internal controls and to monitor those internal controls to assess the quality of their performance over time. Monitoring activities are procedures performed to assess whether components of internal control are present and functioning. Monitoring can be accomplished through ongoing evaluations, or separate evaluations, or some combination of the two. Ongoing evaluations are generally defined, routine operations built into the Credit Union's business processes and performed on a real-time basis. Ongoing evaluations, including managerial activities and everyday supervision of employees, monitor the presence and functioning of the components of internal control in the ordinary course of managing the business.

Significant Accounting Policies

Management has the responsibility for selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used and adopted by the Plan are described in Note 2 to the financial statements. We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by Management and are based on Management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We have evaluated and considered Management's judgments and accounting estimates as part of our audit procedures.

To the Plan Administrator and Plan Trustees of
First Financial Credit Union 401(k) Plan and Trust

Significant Audit Adjustments

For purposes of this letter, professional standards define a significant audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. These adjustments may include those proposed by us but not recorded by the Plan that could potentially cause future financial statements to be materially misstated, even though we have concluded that such adjustments are not material to the current financial statements. We proposed no audit adjustments that could, in our judgment, either individually or in the aggregate, have a significant effect on the Credit Union's financial reporting process.

Significant Unusual Transactions

For purposes of this letter, the professional standards define a significant unusual transaction as those that are outside the normal course of business for the entity or that otherwise appear to be unusual due to their timing, size, or nature. To our knowledge, there were no such transactions.

Uncorrected Misstatements

Our audit procedures are designed to accumulate all known and likely misstatements identified during the audit. There is a possibility that immaterial misstatements, considered to us to be trivial, may have been identified during the audit. In addition, these uncorrected misstatements, could potentially cause future-period financial statements to be materially misstated. The summary of immaterial misstatements was provided to Plan Management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with Management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during our audit.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Issues Discussed Prior to Retention of Independent Auditors

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Difficulties Encountered in Performing the Audit

Serious difficulties encountered in dealing with Management that relate to the performance of the audit are required to be brought to the attention of the Plan Trustees and others charged with governance. We encountered no difficulties in dealing with Management in performing our audit.

We appreciate this opportunity to be of service to you and wish to express our appreciation for the cooperation and assistance we received from Management during the audit. If we can be of any further assistance, please contact us.
