ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
California CareGivers 401(K) Profit Sharing Plan and Trust

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT FOR THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of California CareGivers 401(K) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTHER MATTER – AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

Lindquist LLP, who joined WithumSmith+Brown, PC effective January 1, 2022, was engaged to audit the financial statements of California CareGivers 401(K) Profit Sharing Plan and Trust for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Lindquist LLP not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated October 11, 2021, Lindquist LLP indicated that (a) because of the significance of the information that we did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Mutual funds, including *money market fund:* The fair value of mutual funds is generally based on quoted prices in active markets (Level 1). The money market mutual fund is valued at amortized cost, which approximates fair value (Level 2).

Self-directed brokerage account: The self-directed brokerage account is comprised of common stock and mutual funds. The fair value is generally based on quoted market prices in active markets (Level 1).

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contributions receivable is based on contributions due and not paid prior to year-end. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Notes Receivable from Participants - Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid to Participants - Participant withdrawals and termination payments are recorded when paid.

Administrative Expenses - Substantially all expenses incurred for administering the Plan are paid by California CareGivers (the Company), except for loan fees, distribution fees, investment consulting fees and certain Plan asset-related fees. The Company also provides administrative services to the Plan at no charge.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in mutual funds, a money market fund, and a self-directed brokerage account. Such investments are exposed to various risks, such as interest rate, market fluctuations and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The 2019 novel coronavirus (COVID-19) has adversely affected and may continue to adversely affect economic activity globally, nationally and locally. Following the COVID-19 outbreak in March 2020, the values of investment securities have experienced significant volatility. These economic and market conditions and other effects of the COVID-19 outbreak may continue to cause volatility. The extent of the adverse impact of the COVID-19 outbreak on the Plan participants' account balances cannot be predicted at this time.

NOTE 2. DESCRIPTION OF THE PLAN

The following description of California CareGivers 401(K) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan was effective January 1, 2014, and is a defined contribution plan covering all full-time employees of the Company who have at least 1,000 hours of service and attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions - The Plan allows participants to contribute up to 100% of eligible compensation, as defined in the Plan, not to exceed the limit established by law, which for the years ended December 31, 2021 and 2020, was $19,500. A participant who attains age 50 or older by the end of the Plan year can elect to defer additional amounts, called "catch-up contributions," to the Plan. The catch-up contribution limit for 2021 and 2020 was $6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Employer Contributions - Participants are eligible for a profit-sharing contribution after completing one year of service. Employees must be employed on the last day of the Plan year to receive the annual contribution. The amount of the contribution is discretionary and determined from year to year. For the year ended December 31, 2021 and 2020, the Company made profit-sharing contributions of $80,287 and $56,594, respectively. The Company may, at its discretion, make a qualified non-elective contribution, which participants will proportionally share. No qualified non-elective contributions were made for the years ended December 31, 2021 and 2020.

Participant Accounts - Each participant's account is credited with the participant's contribution, rollover contribution, the Company's contribution and earnings, and is charged with an allocation of expenses based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's profit-sharing and discretionary contribution portions of their accounts plus actual earnings is based on years of continuous service. After two years of vesting service, the participant is considered 100% vested for the Company's contributions.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 95% of one-half the vested account balance, or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Participant notes are secured by the participant's account balance. Participant note terms range from 1-4.5 years or up to 10 years for the purchase of a principal residence. Borrowings bear interest at the prime interest rate, at the date the participant note is effective, plus one percentage point. The notes receivable at December 31, 2021, bear interest at a rate of 4.25%. There were no notes outstanding at December 31, 2020. Principal and interest is paid ratably though payroll deductions.

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions and employer contributions to any of the investment options offered by the Plan. Participants may change their investment options daily. Participants may also reallocate contributions among investment funds at any time.

Benefits - On retirement, disability, death or termination of service, a participant may receive a partial withdrawal or lump sum, or a rollover amount equal to the value of the vested portion of his or her account. Distributions are subject to the applicable provisions of the Plan Agreement. The Plan allows installment payments, the purchase of an annuity contract, or in-service withdrawals under certain conditions.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

In April 2020, in response to the COVID-19 pandemic, the Plan agreed to certain changes under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Specifically, the Plan has adopted temporary emergency distribution provisions to allow Plan participants to access the money in their individual accounts. Participants must meet certain requirements to qualify for these emergency distribution provisions. Participants have been notified of these temporary relief provisions and should review the notifications for further information.

Forfeited Accounts - Forfeitures of employer contributions are allocated in the same Plan year in which the forfeitures occur or may be used for the payment of administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled $0. There were no forfeited non-vested accounts to allocate or use during 2021 and 2020.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Company to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved by the Company. Termination shall not permit any part of the Plan assets to be used for, or diverted to, purposes other than the exclusive benefit of the participants and beneficiaries. In the event of termination, participants will become 100% vested in their accounts, and the Company will direct the trustee to distribute each participant's account in a single sum, as soon as administratively practicable after the termination of the Plan, irrespective of the present value of the participant's account and whether or not the participant consents to that distribution.

NOTE 4. TAX STATUS

The Company has adopted a non-standardized prototype plan. The Company and the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2021 and 2020, are as follows:

Description	December 31, 2021	Fair Value Measurements at Reporting Date Using: Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Assets in the fair value hierarchy			
Mutual funds	$ 1,312,495	$ 1,312,495	$ -

NOTE 6. FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by Mid-Atlantic Trust Company, the custodian of the Plan, for the years ended December 31, 2021 and 2020, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule, as follows:

	December 31,	
	2021	2020
Investments - at fair value		
Mutual funds	$ 1,312,495	$ 953,674

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
California CareGivers 401(K) Profit Sharing Plan and Trust

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT FOR THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of California CareGivers 401(K) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTHER MATTER – AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

Lindquist LLP, who joined WithumSmith+Brown, PC effective January 1, 2022, was engaged to audit the financial statements of California CareGivers 401(K) Profit Sharing Plan and Trust for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Lindquist LLP not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated October 11, 2021, Lindquist LLP indicated that (a) because of the significance of the information that we did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Mutual funds, including *money market fund:* The fair value of mutual funds is generally based on quoted prices in active markets (Level 1). The money market mutual fund is valued at amortized cost, which approximates fair value (Level 2).

Self-directed brokerage account: The self-directed brokerage account is comprised of common stock and mutual funds. The fair value is generally based on quoted market prices in active markets (Level 1).

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contributions receivable is based on contributions due and not paid prior to year-end. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Notes Receivable from Participants - Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid to Participants - Participant withdrawals and termination payments are recorded when paid.

Administrative Expenses - Substantially all expenses incurred for administering the Plan are paid by California CareGivers (the Company), except for loan fees, distribution fees, investment consulting fees and certain Plan asset-related fees. The Company also provides administrative services to the Plan at no charge.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in mutual funds, a money market fund, and a self-directed brokerage account. Such investments are exposed to various risks, such as interest rate, market fluctuations and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The 2019 novel coronavirus (COVID-19) has adversely affected and may continue to adversely affect economic activity globally, nationally and locally. Following the COVID-19 outbreak in March 2020, the values of investment securities have experienced significant volatility. These economic and market conditions and other effects of the COVID-19 outbreak may continue to cause volatility. The extent of the adverse impact of the COVID-19 outbreak on the Plan participants' account balances cannot be predicted at this time.

NOTE 2. DESCRIPTION OF THE PLAN

The following description of California CareGivers 401(K) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan was effective January 1, 2014, and is a defined contribution plan covering all full-time employees of the Company who have at least 1,000 hours of service and attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions - The Plan allows participants to contribute up to 100% of eligible compensation, as defined in the Plan, not to exceed the limit established by law, which for the years ended December 31, 2021 and 2020, was $19,500. A participant who attains age 50 or older by the end of the Plan year can elect to defer additional amounts, called "catch-up contributions," to the Plan. The catch-up contribution limit for 2021 and 2020 was $6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Employer Contributions - Participants are eligible for a profit-sharing contribution after completing one year of service. Employees must be employed on the last day of the Plan year to receive the annual contribution. The amount of the contribution is discretionary and determined from year to year. For the year ended December 31, 2021 and 2020, the Company made profit-sharing contributions of $80,287 and $56,594, respectively. The Company may, at its discretion, make a qualified non-elective contribution, which participants will proportionally share. No qualified non-elective contributions were made for the years ended December 31, 2021 and 2020.

Participant Accounts - Each participant's account is credited with the participant's contribution, rollover contribution, the Company's contribution and earnings, and is charged with an allocation of expenses based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's profit-sharing and discretionary contribution portions of their accounts plus actual earnings is based on years of continuous service. After two years of vesting service, the participant is considered 100% vested for the Company's contributions.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 95% of one-half the vested account balance, or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Participant notes are secured by the participant's account balance. Participant note terms range from 1-4.5 years or up to 10 years for the purchase of a principal residence. Borrowings bear interest at the prime interest rate, at the date the participant note is effective, plus one percentage point. The notes receivable at December 31, 2021, bear interest at a rate of 4.25%. There were no notes outstanding at December 31, 2020. Principal and interest is paid ratably though payroll deductions.

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions and employer contributions to any of the investment options offered by the Plan. Participants may change their investment options daily. Participants may also reallocate contributions among investment funds at any time.

Benefits - On retirement, disability, death or termination of service, a participant may receive a partial withdrawal or lump sum, or a rollover amount equal to the value of the vested portion of his or her account. Distributions are subject to the applicable provisions of the Plan Agreement. The Plan allows installment payments, the purchase of an annuity contract, or in-service withdrawals under certain conditions.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

In April 2020, in response to the COVID-19 pandemic, the Plan agreed to certain changes under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Specifically, the Plan has adopted temporary emergency distribution provisions to allow Plan participants to access the money in their individual accounts. Participants must meet certain requirements to qualify for these emergency distribution provisions. Participants have been notified of these temporary relief provisions and should review the notifications for further information.

Forfeited Accounts - Forfeitures of employer contributions are allocated in the same Plan year in which the forfeitures occur or may be used for the payment of administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled $0. There were no forfeited non-vested accounts to allocate or use during 2021 and 2020.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Company to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved by the Company. Termination shall not permit any part of the Plan assets to be used for, or diverted to, purposes other than the exclusive benefit of the participants and beneficiaries. In the event of termination, participants will become 100% vested in their accounts, and the Company will direct the trustee to distribute each participant's account in a single sum, as soon as administratively practicable after the termination of the Plan, irrespective of the present value of the participant's account and whether or not the participant consents to that distribution.

NOTE 4. TAX STATUS

The Company has adopted a non-standardized prototype plan. The Company and the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2021 and 2020, are as follows:

Description	December 31, 2021	Fair Value Measurements at Reporting Date Using: Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Assets in the fair value hierarchy

NOTE 6. FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by Mid-Atlantic Trust Company, the custodian of the Plan, for the years ended December 31, 2021 and 2020, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule, as follows:
