INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator
Mariani Enterprises, Inc. Profit Sharing Trust
Lake Bluff, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Mariani Enterprises, Inc. Profit Sharing Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held At End of Year) as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Mariani Enterprises, Inc. Profit Sharing Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Mariani Enterprises, Inc. Profit Sharing Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan covering all full-time employees of Mariani Enterprises, LLC (f/k/a Mariani Enterprises, Inc.) ("the Company"). Employees of Mariani Nursery, LLC and Hampshire Holdings, LLC and subsidiary were eligible to participate in the Plan until March 1, 2021, the date on which another qualified plan was established (Note 11). The Plan covers all non-union employees who have attained 18 years of age. Employees are immediately eligible to participate in the salary deferral and rollover contributions of the Plan when hired by the Company, subject to entry dates on the first day of each month. Employees are eligible to participate in the matching and profit-sharing contributions portion of the Plan after completing one year of service (at least 1,000 hours) with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute up to 90 percent of their annual compensation for pre-tax deferrals and Roth contributions, subject to the maximum dollar amount allowable by the Internal Revenue Service, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions or qualified rollovers from other retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan through American United Life Insurance Company, the custodian of the Plan's investments.

The Plan allows for discretionary matching contributions as determined by the Company each year, based on a percentage of participant contributions. In addition, the Company may make discretionary profit-sharing contributions. The Company made or accrued discretionary matching contributions of \$153,513 to the Plan for the year ended December 31, 2021. The Company did not make any discretionary profit-sharing contributions to the Plan for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions; qualified rollover contributions; and allocations of the following: (a) the Company's profit-sharing contribution, if any; (b) the Company's matching contributions, if any; and (c) Plan earnings. It is also charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's discretionary employer matching contributions. Vesting in the Company's discretionary profit-sharing contributions is based upon years of service, as defined in the Plan. A participant is 100% vested in the Company's discretionary profit-sharing contributions after six years of service. In the event of retirement, death, or permanent disability, participants become fully vested in the profit-sharing contribution portion of their accounts.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (continued)

Notes Receivable From Participants

Participants may borrow from their fund accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or longer, as permitted by the plan administrator for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts and bear interest at a rate of 6.00% as of December 31, 2021. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, participants may elect to receive either a lump-sum amount equal to the value of their vested account balance, or annual installments over the remaining life expectancy of the designated beneficiary. For termination of service due to other reasons, participants may receive the value of their vested account balance as a lump-sum distribution, substantially equal installments, or partial withdrawals. In addition, hardship withdrawals and in-service distributions at age 59 ½ are permitted if certain criteria are met.

Forfeitures

Unallocated Plan assets resulting from forfeited nonvested accounts totaled \$5,957 and \$6,913 at December 31, 2021 and 2020, respectively. Forfeited balances may be used to pay any administrative expenses or to reduce future discretionary matching contributions. During 2021, forfeitures of \$2,063 were used to pay administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

MARIANI ENTERPRISES, INC. PROFIT SHARING TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowances for credit losses were provided at December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration and processing of participant loans and benefit payments are charged directly to the participant's account and are included in administrative expenses. Fees related to management of investments are included as a reduction in net appreciation in the fair value of investments and are not reported separately. The Plan made direct payments for administrative expenses totaling \$3,397 for the year ended December 31, 2021.

Excess Contributions

Amounts payable to participants for contributions made in excess of allowable amounts are recorded as a liability with a corresponding reduction to participant and employer contributions. Excess contributions payable totaled \$66,594 and \$22,208 as of December 31, 2021 and 2020, respectively. The Plan refunded the excess contributions to participants subsequent to each year-end.

Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date on which the financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure in these financial statements, except as described in Note 14.

MARIANI ENTERPRISES, INC. PROFIT SHARING TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information, included in the accompanying financial statements and supplemental information as of December 31 was obtained from data that has been prepared and certified as complete and accurate by the custodian, American United Life Insurance Company:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Pooled separate accounts	\$ 19,627,453	\$ 17,277,345
Investment, at contract value:		
Fixed investment account	825,373	745,669
Notes receivable from participants	105,696	171,234

The custodian also certified the completeness and accuracy of \$2,327,019 of net appreciation in fair value of investments, \$8,040 of interest, and \$6,933 of interest on notes receivables from participants related to the aforementioned assets for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* (“FASB ASC 820”), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices for identical or similar assets or liabilities in inactive markets,
- inputs other than quoted prices that are observable for the asset or liability,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The following is a description of the valuation methodologies used for assets measured at fair value.

MARIANI ENTERPRISES, INC. PROFIT SHARING TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Pooled separate accounts: Pooled separate accounts (“PSA’s”) are privately managed through investment companies and are not publicly traded. PSA’s are comprised, primarily, of shares of registered investment companies held through sub-accounts of an insurance company. The PSA’s are valued using net asset value (“NAV”) as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different from the reported NAV. The Plan has concluded that the NAV’s reported by the investment companies approximate the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments. The investment strategy of the PSAs is to provide growth, income, and conservation capital.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2021			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Investments at fair value	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV*				19,627,453
				<u>\$ 19,627,453</u>

	December 31, 2020			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Investments at fair value	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV*				17,277,345
				<u>\$ 17,277,345</u>

*Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at fair value, presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2021			
	<i>Fair Value</i>	<i>Unfunded Commitment</i>	<i>Redemption Frequency</i>	<i>Redemption Notice</i>
Pooled separate accounts	\$ 19,627,453	\$ -	Daily	90 Days
	<u>\$ 19,627,453</u>	<u>\$ -</u>		

MARIANI ENTERPRISES, INC. PROFIT SHARING TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

	As of December 31, 2020			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Pooled separate accounts	\$ 17,277,345	\$ -	Daily	90 Days
	<u>\$ 17,277,345</u>	<u>\$ -</u>		

Investments in the pooled separate accounts can be redeemed immediately at the participant level and may occur each business day. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan (specific to each redemption) in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 5 – FIXED INTEREST INVESTMENT CONTRACT

The Plan's investment options include the American United Life Fixed Account ("the Fund"), which is a traditional fully benefit-responsive investment contract. The Fund maintains the contributions in a general account. Investments held in the Fund totaled \$825,373 and \$745,669 at December 31, 2021 and 2020, respectively. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The average yields based on the interest rate credited to participants were 1.05% and 1.23% for the years ended December 31, 2021 and 2020, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-off's of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

MARIANI ENTERPRISES, INC. PROFIT SHARING TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 6 – TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (“IRC”). Although, the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the prototype plan was adopted, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No assets or liabilities relative to uncertain tax positions are recorded as of December 31, 2021 or 2020. The Plan is subject to routine audits by taxing jurisdictions; however, as of December 31, 2021, there were no audits in progress for any tax periods.

NOTE 7 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by OneAmerica. OneAmerica is the parent company of American United Life Insurance Company, the custodian as defined in the Plan; and therefore, these transactions qualify as party-in-interest transactions.

As described in Note 2, the Company may pay certain administrative expenses relating to Plan operations. Fees paid during the year for administrative and investment services rendered by parties in interest were based on customary and reasonable rates for such services. In addition, employees of the Company provide administrative services to the Plan for which no fees charged. These transactions are party-in-interest transactions under ERISA.

Notes receivable from participants also reflect party-in-interest transactions under ERISA.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to a range of risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan is subject to risks associated with unforeseen or catastrophic events, including terrorist attacks, natural disasters, and the emergence of a pandemic, which could create economic disruptions both locally and globally. As an example, during 2020 and continuing through the issuance of these financial statements, the COVID-19 outbreak has resulted in a world-wide pandemic. Given the uncertainty of COVID-19's developing circumstances and outcomes, the future impacts are not quantifiable and could materially impact the Plan and its activities.

NOTE 11 – PLAN TRANSFER ACTIVITY

Effective March 1, 2021, total assets of \$3,129,725 were transferred from the Plan to the Mariani Nursery, LLC 401(k) Plan, a newly formed qualified plan sponsored by a related party of the Company. The participants' initial vested balance in the Mariani Nursery, LLC 401(k) Plan was equal to their vested account balances from the Plan upon transfer.

NOTE 12 – PROHIBITED TRANSACTIONS

In 2021, the plan sponsor failed to deposit certain participant contributions within the required timeframe as stated by the Department of Labor. The Department of Labor considers late deposits to be prohibited transactions as disclosed in the accompanying supplementary information. The calendar year 2021 delinquent contributions have not been corrected.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 13 – PLAN AMENDMENTS

Effective April 21, 2021, the Plan was amended to include the recognition of service with another employer, Rocco Fiore & Sons, Inc., for purposes of determining Plan eligibility and vesting.

Effective April 30, 2021, the Plan was amended to exclude all employees who become employees as the result of a 'Code §410(b)(6)(C) transaction'. However, such excluded employees shall no longer be part of this excluded class after the 'Code 410(b)(6)(C) transition' period has ended.

Effective May 13, 2021, the Plan was amended to include the recognition of service with any entity the Company acquires, whether by asset or stock purchase, but only with respect to individuals who are employees of the acquired entity at the time of acquisition, for purposes of determining Plan eligibility and vesting.

NOTE 14 – SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended and restated under a Cycle 3 Restatement to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. Additionally, the Plan will use the ADP and ACP test safe harbor provisions for any plan year in which matching contributions are made, the Plan will no longer use Code 410(b) fail-safe provisions based on the employer non-elective contribution requirements, and the name of the Plan was changed to the Mariani Enterprises 401(k) Savings Plan.

Effective July 31, 2022, the Plan was amended to appoint Reliance Trust Company as a plan trustee.
