Plan Administrator and Plan Participants  
The Chicago Lighthouse Modified Defined Contribution Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements**

We have performed an audit of the financial statements of The Chicago Lighthouse Modified Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

**Opinion on the 2021 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2021 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2021 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2021 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matters**

##### *2021 supplemental schedule required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's report on the 2020 financial statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Chicago Lighthouse  
Modified Defined Contribution Plan**

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

**NOTE A - DESCRIPTION OF THE PLAN**

The following description of The Chicago Lighthouse Modified Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a modified defined contribution plan covering specific classifications of employees of The Chicago Lighthouse for People Who Are Blind or Visually Impaired and Chicago Lighthouse Industries (The Lighthouse and CLI or the Employer) with 500 or more annual service hours who have one year of service and are age 21 or older. The Plan offers participation to direct-labor employees with one or more annual service hours who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan was amended and restated on January 1, 2014, as The Chicago Lighthouse Modified Defined Contribution Plan to incorporate all prior amendments to the Plan agreement. There were no other changes to eligibility, vesting or benefit payment terms.

The Plan's investments are participant directed, with participants choosing from a group of target date funds, as well as a stable asset income fund.

***Contributions***

The Plan is funded by contributions from The Lighthouse and CLI. In Plan years ended December 31, 2021 and 2020, The Lighthouse and CLI contributed 1.65% of total eligible compensation (as defined) for all Plan participants who are employed on the last day of the Plan year, or whose employment terminated on or after attaining age 60 or due to death or total and complete disability. The contributions are reduced by any forfeitures arising during the Plan year.

The Plan does not allow for participant contributions.

***Allocations and Participant Accounts***

Individual accounts are maintained for each participant. Each participant's account is credited with an allocation of The Lighthouse and CLI's contributions and charged with an allocation of administrative expenses, should there be any. Such earnings and administrative expenses are allocated to participants annually, based on their respective account balances at the beginning of each year, adjusted for any individual account withdrawals during the year. Earnings for each individual participant account are posted directly to the participant's account as earned during the course of the year.

***Administration***

The Plan is administered by the board of directors of The Lighthouse, which serves primarily without compensation. The president/chief executive officer currently employed by The Lighthouse is elected to the board of directors, as president, and was, therefore, compensated by The Lighthouse during the year, however, not by the Plan.

Modified Defined Contribution Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

***Vesting and Benefit Payments***

A participant's portion of the Employer's contributions, plus related earnings thereon, is vested according to the following schedule if the participant terminates employment after December 31, 2006: (1) employees who have completed less than two years of service at date of termination receive no benefits; (2) employees with more than two but less than three years of service are 40% vested; (3) employees with more than three but less than four full years of service are 60% vested; (4) employees with more than four but less than five full years of service are 80% vested; and (5) employees with five or more full years of service are fully vested. In the event of death, normal retirement (as defined), or total and permanent physical or mental disability as defined in the Plan agreement, a participant's account balance becomes fully vested. If the participant terminated employment prior to January 1, 2007, then numbers (1) and (2) do not apply.

Upon termination of service, normal retirement, death or disability, the full value of a participant's individual account is payable to the participant or a participant's beneficiary in one of several forms, including lump-sum distribution, equal installments, direct rollover or purchase of an annuity. Forfeitures of non-vested portions of terminated participants' accounts are used to reduce contributions in the year in which distribution of the vested portion of the participant's account occurs.

***Forfeitures***

Portions of participant's accounts that are not vested at the time of termination of employment are forfeited, and the amounts forfeited are used to reduce Employer contributions in the year of payout of the vested portion of the terminated participant's account. Forfeited non-vested accounts were \$3,522 and \$2,024 at December 31, 2021 and 2020, respectively. Subsequent to 2021 and 2020, Employer contributions were reduced by \$3,522 and \$2,024, respectively, from forfeited non-vested accounts.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

***Valuation of Investments and Income Recognition***

The Plan's investments are stated at fair value. See Note D for fair value information.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Contributions***

Contributions from the Employer are accrued in the period in which they become obligations of the Employer.

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein. Actual results could differ from those estimates.

**The Chicago Lighthouse  
Modified Defined Contribution Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

The Employer paid most of the administrative expenses of the Plan for the years ended December 31, 2021 and 2020. Investment related expenses are netted with investment income.

**NOTE C - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE D - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (FASB) has issued guidance that establishes a framework for measuring fair value, which fundamentally changes the definition of value from an entry concept (value at which the asset is purchased) to an exit concept (expected proceeds realized from the sale of the asset). Fair value is the price in an orderly transaction between market participants to sell the asset in the principal market where the reporting entity would transact for the asset or its most advantageous market. For ERISA plans, the focus is on valuation and categorization of the valuation within a prescribed hierarchy. It stipulates that measurement should be based on the assumptions that market participants would use in pricing individual investments. The three levels of the fair value hierarchy under the guidance are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**The Chicago Lighthouse  
Modified Defined Contribution Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

However, the determination of what constitutes observable requires judgment by the Plan's management. Plan management considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the fair value hierarchy is based on the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies - The fair values of the shares owned in the registered investment companies are based on quoted market prices, which represent the net asset value (NAV) of shares held on the last business day of the Plan year.

Collective Trust - Valued at the NAV provided by the administrator of the fund based on the fair value of the underlying investments owned by the fund, minus liabilities, and then divided by the number of shares/units held by the Plan at year-end. The NAV is quoted on a private market. The NAV is used as a practical expedient to estimate fair value. There are no restrictions for participant directed transactions. Should the Plan initiate a full redemption of the Fund, the investment manager has the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| 2021                            |                     |             |             |                     |

**December 31, 2021 and 2020**

**NOTE E - CERTIFIED INFORMATION**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, as agent for JP Morgan Chase Bank, N.A., the trustee of the Plan, has certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment income, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE F - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain costs of administering the Plan are paid by the Employer and are not material to the total net assets of the Plan.

Certain plan investments are units of registered investment companies and a collective trust managed by J.P. Morgan Retirement Services LLC (JPMorgan), an affiliated company of JPMorgan Invest Holdings LLC. Therefore, investment transactions and fees associated with these transactions between the Plan and JPMorgan qualify as party-in-interest transactions.

**NOTE G - TAX STATUS**

The Plan received a determination letter from the Internal Revenue Service dated May 1, 2015, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the IRC), and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

Modified Defined Contribution Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

**NOTE H - PLAN TERMINATION**

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in the value of their accounts.

**NOTE I - FORM 5500 RECONCILIATION**
