Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Core Spaces 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4(a) – schedule of delinquent participant contributions for the year ended December 31, 2021 and schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 15, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CORE SPACES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1-Description of plan

The following description of the Core Spaces 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement and plan amendments for a complete description of the Plan's provisions.

General

The plan was formed on January 1, 2020, and is a defined contribution plan. Prior to June 1, 2021, the Plan was sponsored by Core Campus Management, LLC. Effective June 1, 2021, the Plan was merged with the Core Spaces 401(k) Plan and the new plan sponsor became Core Campus, LLC (the Company or Plan Sponsor). In addition to Core Campus Management, LLC and Core Campus, LLC, the Plan continues to include Core Campus Payroll, LLC and CBX Connect, LLC became a participating employer effective May 1, 2021. The Plan is for the benefit of eligible employees who have reached age 18 and have completed two months of service, as defined in the Plan. Employees may begin participating in the Plan on the first day of the month subsequent to meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974, as amended (ERISA).

Contributions

Participants can elect to make contributions to the Plan up to the annual limit allowed by law each year. The Plan also provides for automatic enrollment contributions at a default rate of 2% for all eligible employees, unless a different amount or an election not to contribute has been submitted. Participants may also contribute Roth 401(k) contributions and amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, as defined. The Company may make discretionary matching contributions equal to a discretionary percentage of a participant's elective deferrals, as defined, to be determined by the Company. For the year ended December 31, 2021, the discretionary matching contribution was equal to 100% of the first 2% of employee deferrals plus 50% of the next 2% of employee deferrals, which amounted to \$394,098 for the year ended December 31, 2021.

Participant accounts

Individual accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contributions, their allocation of the Plan Sponsor's contributions and Plan earnings. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their account is based on years of service. For less than one year of service, employees are 0% vested in Company contributions and then after attaining one year of service, employees become fully vested in Company contributions. Participants who have attained early retirement age or have terminated as a result of death or disability are immediately fully vested in Company contributions, plus actual earnings thereon.

CORE SPACES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

Note 1-Description of plan—continued

Payment of benefits

Vested benefits are payable as soon as practicable after termination of employment or plan termination. On termination of service due to death, disability, or retirement, a participant can receive either a lump-sum cash distribution or installment payments, as defined in the plan agreement. If a participant's vested benefit is less than \$5,000 upon termination of service, no participant consent is required for mandatory distribution. If a participant's vested benefit is \$1,000 or less upon termination of service, the Plan Administrator is required to distribute the benefit into an Individual Retirement Account without consent from the participant if the participant does not make a distribution election after receiving the required notification. Withdrawals may also be made from the Plan in cases of financial hardship or when a participant is age 59½ or older.

Notes receivable from participants

Participants may borrow the lesser of 50% of the vested value of their entire account or \$50,000, but may not borrow less than \$1,000. Three outstanding notes receivable are permitted at any time and the note receivable repayment schedule can be no longer than 5 years or up to 15 years for the purchase of a primary residence. The interest rate is established based on an interest rate charged by a person in the business of lending money for loans under similar circumstances. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are valued at their unpaid principal balance plus accrued but unpaid interest. The notes receivable from participants at December 31, 2021 was \$69,088.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$801 and \$528, respectively. These accounts will be used to reduce future employer contributions, and/or pay reasonable administrative expenses. Forfeitures used to pay administrative expenses for the year ended December 31, 2021 was \$8,095.

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan provisions, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2-Summary of significant accounting policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Valuation of investments and income recognition

Investments held by the Plan are stated at fair value, with the exception of the Minnesota Life Guaranteed Return Account (see note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion and disclosures related to fair value measurements.

CORE SPACES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

Note 2-Summary of significant accounting policies – continued

Valuation of investments and income recognition – continued

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan expects to distribute the excess contributions from 2021 in 2022. There were no 2020 excess contributions.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Investment management and administrative expenses of the Plan are paid by the Plan as provided in the plan document. Certain other administrative expenses are paid by the Company on behalf of the Plan, without reimbursement, and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued and has determined there are no subsequent events that require disclosure.

Note 3-Investments

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants as of December 31, 2021 and 2020, and net realized and unrealized appreciation (depreciation) in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, were obtained or derived from information supplied to the Plan Sponsor and certified by Minnesota Life Insurance Company, the Trustee, as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information has not been examined by independent auditors.

CORE SPACES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

Note 4-Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurement*, are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. As of December 31, 2021, the Plan changed its investment methodology of pooled separate accounts to classify such investments as Level 2 within the fair value hierarchy. Prior to December 31, 2021, the Plan classified such investments at net asset value using the practical expedient available under Subtopic 820-10. This change in classification was retrospectively applied to investments held at December 31, 2020. There have been no changes other in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts - Primarily valued at net asset value (NAV) per unit of the pooled separate accounts. The NAV is based upon the fair value of the underlying investments comprising the pooled separate accounts.

Note 4-Fair value measurements - continued

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets that are measured at fair value:

Description	Total	Fair Value Measurements at December 31, 2021		
		Using		
		Level (1)	Level (2)	Level (3)

Description	Total	Fair Value Measurements at December 31, 2020		
		Using		
		Level (1)	Level (2)	Level (3)

Note 5-Investment contract with insurance company

The Plan entered into a fully benefit-responsive investment contract with Minnesota Life Insurance Company (MLIC). MLIC maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the group annuity contract is fully benefit-responsive, contract value is the relevant measure attributable for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by MLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0.25%. This interest rate is reset on a quarterly basis.

Certain events may limit the ability of the Plan to transact at contract value with the issuer as more fully described in the group annuity contract. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The group annuity contract does not permit MLIC to terminate the agreement prior to the scheduled maturity date unless the Plan becomes disqualified, the Plan is terminated, or MLIC deems that it is necessary to modify or amend the contract due a change in the Plan or in the benefits and the Plan does not assent to the amendment or modification.

Note 6-Related party transactions and party in interest transactions

The Plan's investments are units of pooled separate accounts and an investment contract managed by MLIC. MLIC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. The Plan made direct payments to MLIC in the amount of \$13,085 during 2021.

Notes receivable from participants also qualify as party in interest transactions. Notes receivable from participants totaled \$69,088 as of December 31, 2021. Interest received on notes receivable from participants totaled \$1,312 for the year ended December 31, 2021. There was no outstanding notes receivable from participants balance as of December 31, 2020.

Note 7-Federal income tax status

Effective January 1, 2020, the Plan adopted a volume submitter profit sharing plan sponsored by Minnesota Life Insurance Company. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter dated March 31, 2014 has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8-Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9-Acquisition and mergers

Effective June 1, 2021 the Plan merged with the Core Spaces 401(k) Plan certified by ADP, LLC under the plan sponsor Core Spaces. The new employer of the merged plan was updated to be Core Campus, LLC. The combined plans' assets of \$2,487,623 was transferred on June 1, 2021.

Employer contributions	1,220
Participant contributions	305
Net increase in assets per the Form 5500	<u>\$ 3,996,458</u>

Note 11-Delinquent participant contributions

As required by ERISA, the Company is required to segregate employee contributions and repayments on notes receivable from participants to the Plan from its general assets as soon as administratively feasible. The Company failed to remit to the Plan's Trustee certain employee contributions and repayments of notes receivable of approximately \$29,094 within the period prescribed by the Department of Labor's regulations during the year 2021. The contributions were remitted to the Plan during 2021 and as of the date of these financial statements, the Company has not yet calculated and remitted lost earnings on the delinquent contributions.
