INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Peter Brasseler Holdings, LLC Profit Sharing and 401(k) Plan
Savannah, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Peter Brasseler Holdings, LLC Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we may have identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of reportable transactions for the year ended December 31, 2021, and of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 12, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PETER BRASSELER HOLDINGS, LLC PROFIT SHARING AND 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of Plan

The following description of the Peter Brasseler Holdings, LLC Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan.

General

The Plan is a defined contribution plan and a 401(k) plan established for the benefit of the employees of Peter Brasseler Holdings, LLC, Brasseler USA Dental, LLC, and Brasseler USA Medical, LLC, (collectively, the Company). Employees of the Company become participants in the Plan as of the first day of the first month following ninety (90) days of service.

The Plan has received a favorable Internal Revenue Service determination letter stating that the Plan is a qualified employee benefit plan and is therefore exempt from federal and state income taxes.

Contributions

Each year participants may contribute up to the total amount allowed by the Internal Revenue Service for 401(k) plans. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for contributions by the Company at the discretion of the Board of Managers. The annual company contribution is allocated first to the 401(k) partial matching under the plan and the balance (if any) is allocated to qualified profit sharing participants.

Participants direct the investment of contributions to their accounts into various investment options offered by the Plan. The Plan currently offers thirty (30) mutual funds.

Participant accounts

Each participant has an individual account which is credited with (a) the participant's contribution, (b) the Company's matching contribution, (c) an allocation of the Company's discretionary profit sharing contribution, if applicable, and (d) participant account earnings. Allocation of Company contributions is based on participant compensation, as defined in the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Prior to January 1, 2002, participants attained a vested interest in matching and non-matching employer contributions and the earnings thereon on a graded basis over a seven-year period. Effective January 1, 2002, the plan was amended to provide vesting on a graded basis over a six-year period. Effective January 1, 2006, the plan was amended to include safe-harbor provisions for immediate vesting on employer matching contributions and vesting on a "2/20" graded, six year vesting schedule for the employer profit sharing contributions.

PETER BRASSELER HOLDINGS, LLC PROFIT SHARING AND 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of Plan (continued)

Participant notes receivable

Participants may borrow from their 401(k) accounts amounts up to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range up to five years or in excess of five years if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate of interest. Interest rates range from five percent to eight percent. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

Distributions to participants are made in lump sum payments. The amount of the distribution is based upon the value of each participant's account as of the date of distribution. Upon termination of employment, a participant forfeits the unvested portion of the participant's account.

Forfeited accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$2,481 and \$5,347, respectively. These accounts are used to pay plan expenses and then to reduce the employer's contribution at the discretion of the employer. The Plan used forfeited nonvested accounts totaling \$1,626 in 2021 and \$802 in 2020 to pay plan expenses. In 2021, the Plan used \$5,347 to pay part of the 2020 company contributions receivable. In 2020, the Plan used \$2,843 to pay part of the 2019 company contributions receivable.

Note 2 - Summary of Accounting Policies

Investment valuation and income recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Accounting Policies (continued)

Payment of benefits

Benefits are recorded when paid.

Operating expense

Operating expenses are paid by Plan forfeitures to the extent available. All other expenses of maintaining the Plan are paid by the Company.

Note 3 - Fair Value Measurements and Investments

At the end of business on December 31, 2021, there were no investments on hand as all investments were liquidated on December 31, 2021, and were in transit from TransAmerica Retirement Solutions to Fidelity Management Trust Company. The liquidated assets are classified in the Statement of Net Assets Available for Benefits as noninterest-bearing cash. At the end of business on December 31, 2020, all of the Plan's investments were held by TransAmerica Retirement Solutions. The following table represents the fair values of investments of the Plan. The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies to measure fair value of certain financial instruments could result in different fair values at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end (Level 1).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 4 - Terminated Participants with Account Balances

At December 31, 2021 and 2020, accounts for the benefit of persons who have withdrawn from the plan but have not been paid amounted to \$11,639,598 and \$13,736,133, respectively.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 6 - Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated February 1, 2005, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
