Retirement Committee

Diversified Glass Services, Inc. Employees' 401(k) Savings Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Diversified Glass Services, Inc. Employees' 401(k) Savings Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- » the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- » the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- » Exercise professional judgment and maintain professional skepticism throughout the audit.
- » Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- » Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- » Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- » Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, as identified in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- » the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- » the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our reported dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note A: Description of Plan

The following description of Diversified Glass Services, Inc. Employees' 401(k) Savings Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers substantially all employees of Diversified Glass Services Inc., Henderson Glass Inc., and Great Lakes Claims Service (collectively the "Company" and "Plan Sponsor"), meeting the eligibility requirements described below. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Company is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees who have provided 90 days of service and reached 21 years of age are eligible to participate in the 401(k) elective deferral arrangement portion of the Plan and are also eligible for the discretionary employer matching and profit sharing contributions. Eligible participants may enter the Plan on the first day of the month following the date the eligibility requirements are met. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation until changed by the participant.

Contributions

Contributions to participant accounts are made by employees through tax-deferred salary deductions and by the Company from its earnings, at the discretion of management. Participants may voluntarily contribute up to 100% of their pre-tax compensation, not to exceed Internal Revenue Code ("IRC") limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as defined by the IRC. Participants may elect to change fund elections and transfer investment balances between funds on a daily basis. Employees may directly "roll over" their assets from a qualified plan at a previous employer and transfer the assets into their Plan account.

The Company may elect to make a discretionary matching contribution and/or profit sharing contribution. During the Plan year ended December 31, 2021, no employer contributions were provided.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, an allocation of the Company's discretionary profit sharing contributions and an allocation of Plan earnings or losses. Allocations are based upon participant earnings, as defined in the Plan document. Participant accounts are charged with an allocation of Plan administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 100% vested after three years of credited service or upon other conditions as defined in the Plan document.

Forfeitures

Forfeitures of non-vested Company contributions may be used to pay for the Plan's administrative expenses, reduce any employer discretionary contributions, etc. There were no forfeiture account balances as of December 31, 2021 and 2020.

Notes to Financial Statements

Note A: Description of Plan

Notes Receivable from Participants

Participants may borrow from the Plan an amount up to the lesser of one-half of their total vested account balance or \$50,000. The loans are secured by the balance in the Participant's account. Loans bear interest at a rate set by the Plan administrator in accordance with local prevailing rates for similar types of loans. Principal and interest payments are made through payroll deductions over a term not to exceed five years except for home purchase loans, which can be for terms consistent with normal mortgages.

Distributions and Withdrawals

Distributions and withdrawals are allowed upon attaining the early retirement age of 59-1/2, disability, death or termination of employment. A participant or their beneficiary may elect to receive a lump-sum distribution of their total vested account balance, subject to minimum distribution requirements by the IRC. If a participant is no longer employed by the Company, they may be subject to various force-out provisions depending on the participant's account balance upon the date of valuation after termination.

Note B: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America periodically requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures presented in the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Plan Sponsor determines the Plan's valuation policies utilizing information provided by the Plan trustee. See Note D for fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Note B: Summary of Significant Accounting Policies

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, or through the use of forfeitures, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses also include trustee, record keeping and professional fees. Investment related expenses are included in the net appreciation (depreciation) in investments. For further discussion, see Note E.

Note C: Certification of Investment Information

Alerus Financial N.A. ("Alerus"), the Plan's trustee, holds the Plan's investments, executes investment transactions as well as other participant transactions. Alerus has certified that investment balances, notes receivable from participants, investment income and interest on notes receivable from participants that have been included in the accompanying financial statements, as well as the supplemental schedule, are complete and accurate as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

Note D: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- » Quoted prices for similar assets or liabilities in active markets;
- » Quoted prices for identical or similar assets or liabilities in inactive markets;
- » Inputs other than quoted prices that are observable for the asset or liability;
- » Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable and inputs for the asset or liability fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Notes to Financial Statements

Note D: Fair Value Measurements

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment funds: Valued at the NAV of units in a bank or insurance company collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The use of NAV as fair value is deemed appropriate as the collective investment funds do not have a finite life, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Stable value collective trust funds: A stable value fund that is composed primarily of fully benefit responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The tables below set forth by level, within the fair value hierarchy, the Plan's investments at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,494,830	\$ -	\$ -	\$ 4,494,830
Total assets in the fair value hierarchy	4,494,830	-	-	4,494,830

	<u>\$ 4,494,830</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,518,554</u>

Investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,699,997	\$ -	\$ -	\$ 3,699,997

Notes to Financial Statements

Note D: Fair Value Measurements

Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment funds	\$ 454,164	N/A	Daily	1 Day
Stable value collective trust fund	\$ 1,569,560	N/A	Daily	1 Day

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment funds	\$ 375,503	N/A	Daily	1 Day
Stable value collective trust fund	\$ 1,537,726	N/A	Daily	1 Day

Note E: Party-In-Interest Transactions

Certain expenses, including salaries and services required for Internal Revenue Service ("IRS") reporting related to the administration of the Plan are paid by the Company, as explained in Note B. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain Plan investments are shares of collective investment funds managed by and receiving advisory services from Alerus, which is a party-in-interest; as such, these transactions, as well as the asset management fees paid by the Plan, qualify as party-in-interest transactions.

Note F: Plan Termination

Although it has not expressed any intent to do so, the Company may, by action of its Board of Directors, amend the Plan, discontinue its contributions, or terminate the Plan subject to the provisions of ERISA. Upon termination, participants would be 100% vested in their employer contributions.

Note G: Income Tax Status

The Company adopted a prototype plan, which received a favorable opinion letter from the IRS stating that the plan is designed in accordance with the applicable sections of the IRC and is qualified for federal income tax exempt status. The Plan has not individually sought its own determination letter.

Diversified Glass Services, Inc. Employees' 401(k) Savings Plan & Trust

Notes to Financial Statements

Note H: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in assets available for benefits.

Note I: Subsequent Events

The financial statements were approved and authorized for issuance by management on the date of the accompanying Independent Auditor's Report. All events and transactions through that date were evaluated by management for potential recognition and disclosure in the financial statements.

Effective January 1, 2022, the Plan Sponsor adopted an amended and restated plan adoption agreement; however, there were no significant changes to the administration of plan, elections, or provisions, from those described above in Note A.

The Company was acquired by Safelite on July 15, 2022. The employees of the Company became employees of Safelite, therefore, plan assets are expected to transfer/merge into the Safelite retirement plan by November 30, 2022.
