INDEPENDENT AUDITORS' REPORT

October 17, 2022

The Plan Administrator
Family Health Center 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Family Health Center 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Family Health Center 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To Plan Administrator
Family Health Center 401(K) Plan
October 17, 2022

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Family Health Center 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Health Center 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Family Health Center 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Health Center 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

To Plan Administrator
Family Health Center 401(K) Plan
October 17, 2022

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To Plan Administrator
Family Health Center 401(K) Plan
October 17, 2022

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2020 Compiled Financial Statements

The 2020 financial statements of Family Health Center 401(K) Plan were compiled by us, and our firm report thereon, dated October 17, 2022, stated we did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

FAMILY HEALTH CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND COMPILED 2020

Note 1 – Description of Plan

The following description of the Family Health Center 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2008, and was restated effective January 15, 2015, and last amended November 30, 2016 covering all employees of Family Health Center of Southern Oklahoma, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees are eligible to participate in the Plan after completing three months of service with no age requirement.

Employer Contributions

The plan allows for safe harbor matching, discretionary matching, and nonelective profit sharing contributions. The Company makes safe harbor contributions up to 5% of employee pay excluding reimbursement of expenses, compensation paid during the determination period while not a participant, and production based bonuses. The Company may make a discretionary match of 6% of participant compensation. The Company has not made a discretionary match or a profit sharing contribution to the plan in 2021 or 2020. To be eligible to receive a safe harbor contribution, or a discretionary matching contribution, participants must be considered active participants on the contribution date and have completed three months of service. To be eligible to receive a nonelective profit sharing contribution, participants must be considered active participants on the last day of the year and have completed one year of service.

Participant Contributions

Participants may elect to contribute up to 100% of their compensation to the Plan subject to the annual limitations imposed by the Internal Revenue Service. Plan participants age 50 and older were eligible to make a catch-up contribution of an additional \$6,000 to the Plan during the years ended December 31, 2021 and compiled 2020. The participants eligible to make the catch-up contributions may do so only after making the total elective deferral contributions allowed by the Internal Revenue Service. Rollover contributions are permitted under the Plan agreement.

Participant's Accounts

Each participant's account is credited with the Companies' contributions and the income and appreciation or depreciation of the investments attributable to each type of investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in the safe harbor match, any participant contributions and participant rollover contributions plus actual earnings thereon. Vesting in Company nonelective profit sharing or the discretionary match is based upon years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting %</u>	<u>Years of Service</u>	<u>Vesting %</u>
0-1	0	4	60
2	20	5	80
3	40	6	100

Participants become 100% vested regardless of years of service upon death, total and permanent disability, or termination of the Plan.

Payment of Benefits

Upon retirement, termination, disability or death, a participant, or his or her beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination, distributions are required to be as soon as administratively possible for all account balances. Participant's consent is required for distributions above \$1,000. Distributions of less than \$1,000 will be made as a lump-sum. Generally, certain minimum distributions are required for participants who have reached age 72. Hardship withdrawals are permitted by the Plan.

Forfeitures

Discretionary matching or nonelective profit sharing contributions that are forfeited because of termination prior to vesting may be used to reduce future employer contributions or pay plan expenses. The Plan had no forfeitures for December 31, 2021 or compiled 2020.

Note 2 – Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for collective investment funds, which are reported at cost plus earnings thereon. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) included in the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. There were no benefit payments requested before year-end that were not paid.

Administrative Expenses

The Plan allows certain administrative expenses to be paid from Plan assets. The Company pays certain administrative expenses for the plan.

Subsequent Events

Management has evaluated subsequent events through the date of these financial statements.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. No Level 2 or Level 3 inputs were available at year end to the Plan for the years ended December 31, 2021 and compiled 2020

Level 1 Fair Value Measurements

- Mutual funds have publicly quoted prices.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and compiled 2020, are in net appreciation in fair value of investments.

Notes to the Financial Statements
December 31, 2021 and Compiled 2020

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and compiled 2020:

		Quoted prices in active markets for identical assets
	<u>Fair Value</u>	<u>(Level 1)</u>
December 31, 2021		
Mutual funds	<u>\$ 3,940,387</u>	<u>\$ 3,940,387</u>
		Quoted prices in active markets for identical assets
	<u>Fair Value</u>	<u>(Level 1)</u>
Compiled December 31, 2020		
Mutual funds	<u>\$ 3,124,810</u>	<u>\$ 3,124,810</u>

Note 4 – Collective Investment Funds

The Plan allows participants to invest in a collective investment fund (CIF). Collective investment funds are specifically designed under banking and tax laws for qualified tax-exempt retirement plans and certain trusts. CIFs are regulated under several regulatory and statutory rules, including federal or state banking laws and regulations, and the Employee Retirement Income Security Act of 1974 (ERISA).

This CIF is backed by money market funds, cash, short term securities of the US Government or cash equivalents. While this fund invests primarily in the securities of the US Government and its agencies, the fund's value is not guaranteed by these entities. This fund seeks to preserve the value of fund at \$1 per share, but it is possible to lose money by investing in this fund. The value of this fund will be stated at cost, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at the current value of their vested account balance. For the year ended December 31, 2021 and compiled 2020, the average rate was .42% and .82%, respectively. There are no restrictions on withdrawals from this fund.

Note 5 – Information Certified by the Trustee

The Plan's trustee has certified the completeness and accuracy of all investment balances and activity, investment fair value and cost, accrued interest and dividends receivable, interest and dividend income, net appreciation (depreciation) in fair value of investments, and purchases and sales of investments for the years ended December 31, 2021 and 2020. Nationwide Trust Company, FSB does not certify loans or assets held outside of Nationwide.

Note 6 – Transactions with Parties-In-Interest

The Company provides administrative services at no cost to the Plan. Certain Plan investments are shares of mutual funds managed by the trustee of the Plan, and therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Note 7 – Income Tax Status

The Internal Revenue Service has determined and informed the Company in a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. The plan administrator and the plan's tax counsel believe the plan is currently being operated in compliance with the applicable requirements of the IRC. The Plans' tax returns are generally subject to examination by the Internal Revenue Service for a period of three years from the date they are to be filed.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to the Financial Statements
December 31, 2021 and Compiled 2020

Note 9 – Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Correction of Delinquent Participant Contributions

During 2021, a total of \$9,702 of participant contributions were deemed delinquent. The earnings necessary to make participants whole were due to the plan to correct delinquent contributions at December 31, 2021, but have not yet been calculated.
