Independent Auditor's Report

To the Plan Administrator of
The Miami Heat Limited Partnership 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Miami Heat Limited Partnership 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Miami Heat Limited Partnership 401(k) Retirement Plan

Notes to Financial Statements

1. Description of Plan

The following brief description of the Miami Heat Limited Partnership 401(k) Retirement Plan (the “Plan”) provides only general information. Reference to the Plan document should be made for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Miami Heat Limited Partnership, Basketball Properties, Ltd., Airball Sports II, LLC, Skyforce Basketball LLC, and Heat Check Gaming LLC (collectively the “Employer”), except those who are union employees, non-resident aliens, employees with less than 1000 hours of service hours, interns, or event staff. The Plan was established on January 1, 1991 under the provisions of Section 401(a) of the Internal Revenue Code (the “Code”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the Code for the benefit of the eligible employees who have reached the age of twenty-one and completed one year of service or 1,000 hours. The Plan was amended and restated as of January 1, 2021, on which date the Plan sponsor appointed Definiti LLC (“Definiti”) as the Plan’s third party administrator. The Plan’s primary purpose is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) is the custodian and recordkeeper.

Contributions

Contributions to the Plan are made by the participants and the Employer. Participants may elect to have salary deferral contributions made to the Plan in an amount up to 100% of their eligible compensation on a pre-tax basis, subject to limitations as provided under the law. The Plan provides for an automatic enrollment feature whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation unless elected otherwise. Participants that reached age 50 before the close of the calendar year may make additional catch-up contributions. The Employer may contribute a matching contribution equal to a percentage of the participant’s elective contribution. Employer matching contributions are subject to certain limitations and are discretionary as defined by the Plan. For the Plan year ended December 31, 2021, the Company matched 50% of each participant’s deferral contributions, up to 6% of the participant’s eligible compensation.

All contributions are participant-directed and may be invested in various fund choices, subject to certain limitations set forth in the Plan. Changes in allocation of contributions among funds are permitted pursuant to Plan provisions. Under the terms of the Plan, Employer matching contributions are invested in the same funds at the same percentages as chosen by the participants for their own contributions.

Rollovers

At the discretion of the Plan administrator, participants may transfer their funds from other tax qualified plans.

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's voluntary contributions and allocations of (a) the Employer's contribution and, (b) the Plan's earnings thereon. The Plan administrator will make deductions for administrative expenses, withdrawals or distributions made to the participant. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's directions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses

Administrative expenses in connection with the Plan may be paid out of the Plan unless paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's matching contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant begins vesting ratably after two years of credited service and is 100% vested after six years of credited service. A year of vesting service is defined as a year in which an employee accrues 1,000 or more hours of service.

Forfeitures

Forfeitures of non-vested amounts are used to reduce future Employer contributions and then applied to payment of administrative expenses. As of December 31, 2021 and 2020, unused forfeitures were \$47,032 and \$23,309, respectively. During the year ended December 31, 2021, forfeitures totaling \$0 were used to reduce 2021 Employer contributions or applied to payments of administrative expenses.

Notes Receivable from Participants

Participants may borrow from their vested account balances, up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by an assignment of a participant's vested interest in the Plan, and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed, as determined by John Hancock. The minimum loan amount a participant may borrow is \$1,000. Loan terms for repayment may range from six months to five years in length and are secured by the balance in the participant's account. Interest rates were between 4.25% and 7.50% and 4.25% through 7.25%, respectively as of December 31, 2021 and 2020. Principal and interest are paid ratably through bi-weekly or semi-monthly payroll deductions.

Notes to Financial Statements

Payment of Benefits

Upon termination of service, including death, disability, or retirement, a participant may elect to either receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or cash installments for a period not to exceed the participant's life expectancy or the life expectancy of his or her designated beneficiary. However, if the value of the participant's vested benefit is less than \$5,000 (excluding amounts attributable to rollovers), a participant may only receive a lump sum distribution. A participant also is eligible for in-service withdrawals. Types of in-service withdrawals available under the Plan are withdrawals after attaining 59 ½ years of age and hardship withdrawals.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, certain disclosures at the date of the financial statements, and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employer's management determines valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are paid out of the participant's account when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Miami Heat Limited Partnership 401(k) Retirement Plan

Notes to Financial Statements

Payment of Benefits

Benefits are recorded when paid.

Tax Status

The Plan adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement developed by The Pension Studio effective January 1, 2011, which obtained a favorable Internal Revenue Service (“IRS”) opinion letter on March 31, 2014 in which the IRS stated that the form of the underlying volume submitter plan was acceptable under provisions of the Code and that any employer adopting this form of the Plan will be considered to have a plan qualified under the Code. The Plan was amended and restated by adopting a non-standardized Pre-Approved Profit Sharing Plan with CODA (“Pre-approved Plan”), effective January 1, 2021, to comply with certain regulatory amendments. The Pre-approved Plan received a favorable opinion letter dated June 30, 2020, in which the IRS stated that the Plan was acceptable under provisions of the Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, which is the date the financial statements were available to be issued. There were no other subsequent events requiring adjustments or disclosures to the financial statements.

3. Fair Value Measurements

The Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820 provides the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Miami Heat Limited Partnership 401(k) Retirement Plan

Notes to Financial Statements

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Fair value for the Plan's pooled separate account investments is measured using net asset value per share ("NAV") as a practical expedient. NAV of these investments is based on the fair value of the fund's underlying net assets divided by the number of units outstanding. In accordance with FASB ASC 820-10, since the Plan's pooled separate account investments are measured at NAV as a practical expedient, the disclosure of the fair value hierarchy information of these investments is not applicable.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes the pooled separate accounts measured at fair value based on NAV per unit as of December 31, 2021 and 2020, none of which had unfunded commitments as of December 31, 2021 or 2020.

Description	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Redemption Frequency (if currently eligible)	Redemption Notice Period
Target Date (a)	\$ 2,867,241	\$ 2,514,490	Daily	Daily
Aggressive Growth (b)	15,215,207	12,019,346	Daily	Daily
Growth (c)	14,094,589	11,295,882	Daily	Daily
Growth & Income (d)	9,491,438	7,700,699	Daily	Daily

Conservative (f)	2,558,652	2,419,687	Daily	Daily
Total Pooled Separate Accounts	\$ 46,829,318	\$ 38,328,263		

- Target Date - Seeks high total return through its target retirement date, with a greater focus on income beyond the target date.
- Aggressive Growth - Seeks long term growth of capital.
- Growth - Seeks to achieve the approximate aggregate total return of a broad U.S. domestic equity market index.
- Growth & Income - Seeks to achieve conservation of capital, current income and long-term growth of capital and income.
- Income - Seeks a high level of current income.
- Conservative - Seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term.

Notes to Financial Statements

4. Information Prepared and Certified by John Hancock

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock, a qualified institution.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Plan Termination

Although it has not expressed an intention to do so, the Employer may terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, or upon the complete discontinuance of contributions by the Employer under the Plan, participants would become 100% vested in all amounts credited to their accounts.

6. Party-In-Interest and Related Party Transactions

The Plan's investments are shares of pooled separate accounts managed by John Hancock. John Hancock provides investment management services to the Plan and is the custodian; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for the investment management services are included in net appreciation in fair value of investments. Additionally, the Plan pays Definiti for third-party administration as well as United Capital Financial Advisors for investment advisory services, all of which are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

Certain officers and employees of the Company, who may be participants in the Plan, perform administrative and other duties for the Plan at no cost to the Plan. The Plan issues notes receivable to participants, which are secured by the vested balances in the participants' accounts. Notes receivable from participants also qualify as exempt party-in-interest transactions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
