INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR
CLEVELAND DIE & MFG. CO. PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cleveland Die & Mfg. Co. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cleveland Die & Mfg. Co. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes 3 and 4, to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cleveland Die & Mfg. Co. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

BSB PARTNERS

CPAs & BUSINESS ADVISORS

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cleveland Die & Mfg. Co. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cleveland Die & Mfg. Co. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cleveland Die & Mfg. Co. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

BSB PARTNERS

CPAs & BUSINESS ADVISORS

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLEVELAND DIE & MFG. CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following brief description of the Cleveland Die & Mfg. Co. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan covering all eligible employees of Cleveland Die and Manufacturing Company, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was funded with a group annuity contract (the Contract) issued by American United Life Insurance Company (AUL), custodian of the Plan's assets, through July 11, 2021. The Contract offered a fixed interest investment option, backed by AUL's general account, and several variable investment options (variable annuities) in an AUL separate account. Each investment account was invested by AUL exclusively in shares of the specific variable annuity directed by the participant. Amounts allocated to a variable investment account were credited to a participant's account in the form of accumulation units.

Starting July 12, 2021, the Plan is funded with a group annuity contract (the Contract) issued by Principal Life Insurance Company (Principal), custodian of the Plan's assets. The Contract offered a fixed income investment option, backed by Principal's general account, and several variable investment options (separate accounts). Each investment account was invested by Principal exclusively in shares of the specific separate accounts directed by the participant. Amounts allocated to a variable investment account were credited to a participant's account in the form of separate account units.

In recent years, the Plan has been amended to comply with the Heroes Earnings Assistance and Relief Tax (HEART) Act, the Worker, Retiree, and Employer Recovery Act (WRERA), and other Internal Revenue Service (IRS) and Department of Labor (DOL) guidance. The purpose of these changes was to comply with IRS and DOL regulations and maintain the Plan's tax-exempt status.

Eligibility

To be eligible to participate in the Plan, an employee must be at least eighteen years of age, have completed six months of full-time service, and elect to participate in the Plan. Employees may enter the Plan on the first day of the quarter following the service requirement.

Contributions

Participants may make voluntary pre-tax contributions, by means of a salary deferral agreement, of up to 85% of their compensation, subject to IRS limitations for the Plan year. Participants may also make Roth 401(k) deferrals. The Plan also permits rollover contributions from other qualified retirement plans. Additionally, catch-up contributions are permitted. Participants direct the investment of contributions into various investment options offered by the Plan.

The Plan allows for a discretionary Company matching contribution to be determined at the beginning of each Plan year. For the year ended December 31, 2021, discretionary matching contributions of \$20,718 were made by the Company. Additional discretionary profit-sharing amounts may be contributed at the option of the Company. Discretionary profit-sharing contributions are allocated as a percentage of participant compensation to all eligible participants, as defined. No discretionary profit-sharing contributions were made for the year ended December 31, 2021. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC).

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's elective deferral, the Company's discretionary matching and profit-sharing contributions, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 4.25%, which is commensurate with local prevailing rates, as determined by the Plan administrator. Loans are repaid over a maximum period of five years unless the loan is secured to purchase the primary residence of the participant. Principal and interest are paid ratably through payroll deductions.

Forfeitures

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$932 and \$0. Forfeitures are used to reduce Company discretionary matching or profit-sharing contributions. Forfeitures attributable to Company profit sharing contributions are reallocated to participant accounts based on compensation. Forfeitures totaled \$934 for the year ended December 31, 2021 and \$2 were applied to reduce Company contributions or plan expenses.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service according to the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or payment in annual installments not to extend past the lives or life expectancies of the participant and spouse. In case of hardship, a participant may apply for a distribution described in the Plan document, as amended. Lump sum distributions are required if the vested balance is \$5,000 or less. Actively employed participants may begin receiving distributions at age 59½.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the sponsor and are not included in the statement of changes in net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in variable annuities are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in a fully benefit-responsive investment contract through the AUL Fixed Account and the Principal Fixed Income Guaranteed Option. The statements of net assets available for benefits present the contract value of the investment contract. The statement of changes in net assets available for benefits is also prepared on a contract value basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on the investments purchased and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2021, no allowance for credit losses was deemed necessary. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. Participant loans that were in default totaled \$6,454 for the year ended December 31, 2021. A loan that is in default is treated as a taxable deemed distribution to the participant.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability and reported as corrective distributions in the accompanying statement of changes in net assets available for benefits. Excess contributions payable totaled \$24,315 and \$17,611 at December 31, 2021 and 2020, respectively.

Payment of Benefits

Benefit payments to participants are recorded when paid. Benefit payments totaled \$231,648 for the year ended December 31, 2021.

Subsequent Events

The Plan evaluated subsequent events through October 14, 2022, the date these financial statements were available to be issued.

CLEVELAND DIE & MFG. CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

3. CERTIFICATIONS

Investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021, and net appreciation in the fair value of investments, interest and dividends for the period from July 12, 2021 through December 31, 2021 were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal and have not been audited by the independent auditors.

Investment information disclosed in the accompanying financial statements at December 31, 2020 and for the period from January 1, 2021 through July 11, 2021 were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by AUL and have not been audited by the independent auditors.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts - Fair value of an accumulation unit in the AUL or Principal separate accounts are directly related to the net asset value of the shares of the underlying variable annuity adjusted for any dividends or distributions received by AUL or Principal or pursuant to the Contract.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

CLEVELAND DIE & MFG. CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,084,344	\$ -	\$ -	\$ 2,084,344
Separate accounts	<u>710,913</u>	<u>-</u>	<u>-</u>	<u>710,913</u>
Total assets at fair value	<u>\$ 2,795,257</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,795,257</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Variable annuities	\$ -	\$ 3,063,075	\$ -	\$ 3,063,075
Total assets at fair value	<u>\$ -</u>	<u>\$ 3,063,075</u>	<u>\$ -</u>	<u>\$ 3,063,075</u>

5. BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a fully benefit-responsive investment contract through the AUL Fixed Account and the Principal Fixed Income Guaranteed Option. AUL and Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value, as reported to the Plan by AUL and Principal, represents contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract is included in the financial statements at contract value as reported to the Plan by AUL and Principal. As described in Note 2, because the contracts are fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the Fixed Account or Fixed Income Guaranteed Option.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a discretionary formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The average yield based on actual earnings and the crediting interest rate was approximately 1.55% for 2021.

Certain events, such as market value adjustments and surrender charges, limit the ability of the Plan to transact at contract value with the issuer. The liquidation of the entire contract may cause a one-time

CLEVELAND DIE & MFG. CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

5. BENEFIT-RESPONSIVE INVESTMENT CONTRACT (continued)

adjustment to the aggregate contract value, resulting in a fair value different from the contract value. This total liquidation is a contingent event, which cannot be initiated by the Plan participants, and can only be initiated by the Plan Trustee upon termination of the Plan or complete termination of the Contract. The Plan administrator does not believe that the occurrence of such an event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The group annuity contract does permit the insurance company to terminate the agreement prior to the scheduled maturity date under limited circumstances.

6. TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has adopted an IRS approved prototype plan. The prototype plan has received a favorable opinion letter from the IRS on March 31, 2014 that it qualifies under IRS Code section 401(a), provided all terms of the plan are followed. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates its tax positions in accordance with FASB ASC 740. At December 31, 2021, the Plan administrator believes that all of its tax positions are appropriate based on current facts and circumstances, and no liability related to uncertain tax positions needs to be recorded. The Plan files income tax returns in the U.S. Federal jurisdiction. The Plan is no longer subject to U.S. Federal income tax examination for years before 2018.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments included shares managed by One America Financial Partners, Inc., wholly owned by AUL, and Principal for the year ended December 31, 2021. AUL was and Principal is the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

9. RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

CLEVELAND DIE & MFG. CO. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

10. PROHIBITED TRANSACTIONS

For the 2020 Plan year, the Company failed to timely remit certain participant contributions and repayments of participants' notes receivable to AUL. This failure to remit contributions timely was considered a prohibited transaction according to the provisions of ERISA. The Company has corrected the 2020 transactions in 2021. For the year ended December 31, 2021, no contributions were categorized as delinquent.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
