## **Independent Auditor's Report**

To the Plan Administrator of the  
Swenson's 401(k) Retirement Plan  
Akron, Ohio

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of the Swenson's 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying 2021 financial statements related to assets which provide benefits under the Plan and assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the

financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets which provide benefits under the Plan and assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### *Auditor's Report on the 2020 Financial Statements*

Predecessor auditors performed an audit of the 2020 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 14, 2021 indicated that (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). ## Notes to Financial Statements

---

### 1. Description of the Plan

The following description of the Swenson's 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering substantially all employees of Swenson's Drive-In Restaurants, LLC (the Company) who have completed one year of service with a minimum of 1,000 hours worked and attained 21 years of age. The Plan allows for quarterly enrollment with Plan entry date on the first day of each quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The 401(k) Committee (Committee) is responsible for oversight of the Plan. The Committee, along with an investment advisor, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted and signed into law. The CARES Act provides emergency economic relief in response to the Coronavirus Disease of 2019 (COVID-19) pandemic. There are several key provisions of the CARES Act that affect retirement plans related to hardship distributions, participant loans, and required minimum distributions. During 2020, the Plan adopted the following provisions of the CARES act: 1) Participants were permitted to take up to \$100,000 in "coronavirus-related distributions" by December 31, 2020; 2) For any loan payments due during the period beginning March 27, 2020 through December 31, 2020, participants could extend the period for loan repayments up to one year; 3) Participants could waive required minimum distributions for 2020.

#### *Contributions*

Each year, participants may elect to defer up to the maximum contribution amount allowed by the law. Participants may contribute up to 100% of their annual wages. The Plan allows for both pre-tax and after-tax (Roth) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for discretionary Company matching contributions. The Company authorized matching contributions of 25% of the first 6% of participant compensation contributed to the Plan during the years ended 2021 and 2020. In addition, the Plan allows for discretionary profit sharing contributions. There were no discretionary profit sharing contributions made for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions, any contributions by the Company, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings,

account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the discretionary employer contributions is based on years of credited service and are subject to the following vesting schedule:

| <u>Years of service</u> | <u>Vested percentage</u> |
|-------------------------|--------------------------|
| Less than 2 years       | 0%                       |
| 2 years                 | 20%                      |
| 3 years                 | 40%                      |
| 4 years                 | 60%                      |
| 5 years                 | 80%                      |
| 6 years                 | 100%                     |

### ***Notes Receivable From Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent (other than allowed under the CARES Act) of their vested account balance. A maximum number of one outstanding loans are allowed per participant at any time. Notes receivable terms range from 1 to 5 years (other than allowed under the CARES Act) or longer if the note receivable is for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is 1% over the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

### ***Payment of Benefits***

Upon death, disability, retirement or termination of services, a participant's voluntary contributions plus the vested amount of Company's contributions and earnings thereon are paid in a single lump sum payment as provided by the Plan. If the participant's account balance is less than \$1,000, the Plan may make an automatic lump sum distribution to the participant equal to the participant's vested interest in his or her account. Distributions of a participant's account balance may be authorized at any time by the Plan administrator for in-service distributions and under certain hardship conditions.

### ***Forfeited Accounts***

Amounts that are forfeited due to a participant's termination of employment prior to vesting in Company discretionary contributions made on the participant's behalf may be used to reduce Plan administrative expenses or reduce future Company discretionary contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$16,052 and \$8,569, respectively.

### 2. Summary of Significant Accounting Policies

#### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

#### *Payment of Benefits*

Benefit payments are recorded when paid.

#### *Plan Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of loans and benefit payments are charged directly to the participant's account and are included in administrative expenses on the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments on the statements of changes in net assets available for benefits.

#### *Prior year reclassification*

Certain prior year items have been reclassified to conform to the current year presentation.

### ***Subsequent Events***

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

### **3. Certified Investments**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company, the custodian.

### **4. Fair Value Measurements**

The following is a description of the valuation methodologies used for assets measured at fair value. As of December 31, 2021 and 2020, the fair value of the pooled separate accounts measured at net asset value was \$1,395,393 and \$1,156,222, respectively.

*Pooled separate accounts:* The fair values of participation units in the pooled separate accounts are based upon the net asset values (NAV) of such accounts which are provided by the custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate accounts less their liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell the investment for an amount different than the reported NAV. The accounts allow for daily redemptions and contributions. There are no redemption restrictions or unfunded commitments on these investments. The Plan has the ability to redeem the investments at the NAV (or its equivalent) in the near term.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain pooled separate accounts invest in target date retirement funds. The funds seek the highest total return over time consistent with an emphasis on both capital growth and income.

### **5. Tax Status**

The Plan adopted a volume submitter profit sharing plan with a cash or deferred arrangement sponsored by CCH Incorporated dba FTWilliam.com (CCH). CCH received an opinion letter dated March 31, 2014 from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for benefit of their employees. Although the Plan has been amended since the date of the opinion letter, the Plan administrator

# Swenson's 401(k) Retirement Plan

## Notes to Financial Statements

---

believes that the Plan and related trust are designed and currently operating in accordance with applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

### 7. Related-Party and Party in Interest Transactions

Certain Plan investments are units of pooled separate accounts managed by John Hancock Life Insurance Company (John Hancock). John Hancock is the custodian of the Plan; therefore, these transactions qualify as party in interest transactions. During the years ended December 31, 2021 and 2020, the Plan paid John Hancock administrative fees totaling \$4,989 and \$4,715, respectively.

### 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
