Independent Auditor's Report

Plan Administrator
Nueterra Holdings, LLC Employees' Savings Plan
Leawood, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Nueterra Holdings, LLC Employees' Savings Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section of our report. We are required to be independent of Nueterra Holdings, LLC Employees' Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nueterra Holdings, LLC Employees' Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nueterra Holdings, LLC Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nueterra Holdings, LLC Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of Nueterra Holdings, LLC Employees' Savings Plan (the "Plan"), provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan is a multiple-employer, defined contribution plan sponsored by NueHealth Equity Co., LLC (formerly known as Nueterra Holdings, LLC) (Company) for the benefit of its employees who are age 21 or older. Related employers who also participate in the Plan include NueHealth Management Services, LLC, NueHealth Holdings Management, LLC (formerly known as Nueterra Holdings Management, LLC), Astoria Healthcare Properties, LLC, Nueterra Capital Advisors, LLC, Nueterra Healthcare RE, LLC, NueHealth Networks, LLC, Nueterra Capital Management, LLC, NueHealth Central Missouri IPN, LLC, ValueHealth, LLC, and MUVE Health, LLC.

Participants must attain 30 consecutive days of employment and have attained age 21 to be eligible for deferrals, and participants must have completed 12 months with 1,000 hours of service to be eligible for safe harbor matching contributions. Prior service with the Companies was deemed to count towards the 12-month service requirement. Participants who were previously deemed eligible were allowed to continue to be eligible for participation in the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Principal Trust Company and Wells Fargo Bank, N.A. are the trustees of the Plan as well as serves as the plan custodians. Principal Trust Company was the trustee and custodian from May 21, 2021 through December 31, 2021. Wells Fargo Bank, N.A. was the trustee and custodian from January 1, 2021 through May 21, 2021.

Employees of NueHealth Management Services, LLC, who are classified as NueHealth/Meridian employees, are excluded from all contributions. MUVE Health, LLC employees are allowed in-service distributions starting at age 59½. All other employees were still required to attain the age of 65 to receive in-service distributions. Effective April 15, 2020, the Plan was amended to allow a participant who was a former participant in the MUVE Health, LLC 401(k) Plan to receive in-service distributions of their prior elective deferral account upon attaining age 59½.

Effective March 1, 2020, NueHealth Central Missouri IPN, LLC was excluded from the Plan. Employees for this entity were transferred to other entities participating in the Plan and therefore there was no financial impact for excluding this entity from the Plan.

Effective May 13, 2020, the Plan was amended to remove the safe harbor matching feature.

Effective September 1, 2020, the Plan was amended to provide immediate vesting for all regular matching contributions. The prior additional matching contributions will continue to vest over three years of vesting services.

Effective January 1, 2021, the Plan was amended to reinstate the safe harbor matching feature.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Subsequent to year end, effective July 1, 2022, Miracle Hills Surgery Center was added as an additional related employer that participates in the Plan.

Contributions

Participants can defer up to 80 percent of their eligible annual compensation on a pre-tax basis as defined by the Plan agreement.

The Plan implemented an automatic deferral percentage provision, where 4 percent of the participant's compensation is withheld from each payroll period unless the participant makes a contrary election. The participant's elective deferral percentage increases 1 percent each March 15 until the percentage reaches 12 percent unless the participant makes a contrary election. The Companies contribute a safe harbor matching contribution equal to 100 percent of the employee's eligible contributions for the plan year up to 4 percent of his or her eligible annual compensation. Participants are fully vested in this safe harbor matching contribution. Effective May 13, 2020, the Plan was amended to remove the safe harbor matching feature.

The Companies may also make additional discretionary matching and profit sharing contributions. The Companies made no additional discretionary matching and profit sharing contributions in 2021. The Companies made additional discretionary matching and profit sharing contributions totaling approximately \$1,450,000 in 2020. Participants must be employed on December 31 and work at least 1,000 hours during the plan year to be eligible for the discretionary employer contributions. Participants become fully vested in employer discretionary and profit sharing contributions after three years of service.

Contributions are subject to certain limitations. Participants direct their salary deferrals and the Companies' contributions into various investment options offered by the Plan.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Companies' contributions, plan earnings and forfeitures of terminated participants' nonvested accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Participants are immediately vested in their salary deferral contribution as well as the Companies' safe harbor matching contribution account balances. Vesting in the Companies' discretionary matching and profit sharing contributions, plus earnings thereon, is based on years of vesting service. A participant is fully vested after three years of vesting service. The nonvested balance is forfeited upon termination of service. Forfeitures are used to offset future contributions and pay reasonable plan expenses.

Effective September 1, 2020, the Plan was amended to provide immediate vesting for all regular matching contributions. The prior additional matching contributions will continue to vest over three years of vesting services.

Notes Receivable from Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need (hardship) or for the purpose of enabling a participant to meet certain specified financial situations. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50 percent of the participant's vested account balance. All loans are collateralized against the participant's vested account balance under the Plan and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence which is a maximum of 15 years) through after-tax payroll deductions unless the Plan Administrator's discretion allows for a participant to continue paying a loan after termination or during a leave of absence, where checks from the participant would be remitted to the Plan's investment. Interest has been determined as the current prime lending rate, plus 1 percent.

In 2020, the Plan Sponsor adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Payment of Benefits

Upon termination of continuous employment, participants are entitled to their vested interests of their account balances. Terminated employees are considered fully vested in the case of normal retirement at age 65, death or disability. Benefits are payable in a lump-sum amount or in installment payments. Benefit payments to participants are recorded upon distribution.

In 2020, the Plan Sponsor implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Forfeited Accounts

Forfeited nonvested accounts will be used to reallocate to participants in the same manner as employer contributions and will reduce employer contributions by those amounts, if any.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are stated at fair value using the net asset value (NAV) of the shares held by the Plan at year end.

The Plan's interest in the collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Companies or the Plan, at the Companies' discretion.

Note 3: Certification of Plan Trustees

The Companies have elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company and Wells Fargo Bank, N.A., qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 4: Investment in Common Collective Trust

The common collective trust funds are valued at fair value as of December 31, 2021 and 2020. The objective of the Funds are to seek to maintain safety of principal while generating a level of current income generally exceeding that of a money market fund. The Funds seek to maintain a stable \$1.00 unit value, although there is no guarantee it will be able to do so. The Plan invests in this fund, which is primarily invested in traditional and synthetic guaranteed investment contracts ("GICs"). Traditional GICs are typically issued by insurance companies and are essentially nonmarketable deposits with the issuing entity. The issuer is contractually obligated to repay the principal and stated interest. The repayment of a traditional GIC is the sole responsibility of the issuing entity. In the case of a synthetic GIC, the Fund purchases high-quality debt obligations and enters into contractual arrangements with third parties to provide a guarantee of book (contract) value and specified interest.

Note 5: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in active markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Notes to Financial Statements

December 31, 2021 and 2020

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

	Fair Value Measurements Using			
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Mutual funds	\$ 90,033,221	\$ 90,033,221	\$ -	\$ -

Investments at fair value	\$ 103,279,202	\$ 90,033,221	\$ 13,245,981	\$ -

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2021 and 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 6: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

The Plan invests in certain funds of the plan trustee and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$200,295 and \$256,057 of recordkeeping fees to Principal Trust Company and Wells Fargo Institutional Retirement and Trust during 2021 and to Wells Fargo Institutional Retirement and Trust during 2020. The Company provides certain administrative services at no cost to the Plan.

Note 7: Plan Termination

Although it has not expressed an intention to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Nueterra Holdings, LLC Employees' Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 8: Tax Status

The Plan operates under a volume submitter plan sponsored by Principal Trust Company. The volume submitter plan has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 9: Reconciliation to Form 5500

Notes to Financial Statements

December 31, 2021 and 2020

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11: Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Companies remitted all employee contributions to the Plan, contributions of \$179 and \$0 were not remitted within the required time period for the years ended December 31, 2021 and 2020, respectively.

Note 12: Nondiscrimination and Compliance Tests

The Plan is subject to multiple nondiscrimination and compliance tests. The nondiscrimination and compliance tests have not been completed for the year ended December 31, 2021.

Note 13: Subsequent Events

Subsequent events have been evaluated through October 17, 2022, which is the date the financial statements were available to be issued.
