Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Altman Management Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Altman Management Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Altman Management Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Altman Management Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Altman Management Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Altman Management Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of listed in the accompanying table of contents as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of Altman Management Company, Inc. 401(k) Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated August 31, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN

The following description of the Altman Management Company, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, commenced January 1, 1997, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan covers the employees of Altman Management Company, Inc. and its affiliates (the "Company"). All employees, as defined in the Plan, who are at least 21 years old and who have completed three months of service are eligible to participate in the Plan.
- B. Administration. The Plan Administrator and Plan Sponsor are the Company, who are responsible for all matters connected with the day-to-day operation of the Plan. The Company has retained Fidelity Workplace Services, LLC, as Third Party Administrator, to assist in the administration and operation of the Plan. The Plan Trustee is Fidelity Management Trust Company ("Fidelity"), who is the custodian in the operation of the Plan.
- C. Contributions. Employees may contribute annually, pre-tax compensation or after-tax Roth contributions, subject to Internal Revenue Service (IRS) limitation of \$19,500 for 2021 and 2020. Roth contributions were permitted by the Plan effective November 2014. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$6,500 in addition to the IRS limit of \$19,500 for 2021 and 2020. With consent of the Plan Administrator, participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan or conduit IRA's into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 38 mutual funds as investment options for participants, as well as a common/collective trust. The Plan Sponsor has the right to limit the deferrals of highly compensated employees (based upon the Plan Document) in order to assist the Plan in passing the annual discrimination testing.

The Company's matching contributions are discretionary. Discretionary matching contributions are credited to participants' accounts in the first quarter of the following year. The Company's discretionary matching contribution for the year ended December 31, 2021 was equal to 40% of each participant's elective deferral, limited to 6% of the participant's eligible compensation. The total Company matching contribution amounted to \$165,461 for the year ended December 31, 2021.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN (CONTINUED)

- D. Participant Accounts. Each participant's account is credited with the participant's and employer discretionary matching contributions and allocation of the Plan's earnings or losses. The Plan's earnings or losses are allocated to each participant's account in the same proportion that each participant's account bears to the total of all participants' accounts. Operating expenses are allocated based upon specific participant transactions, as defined. Participant contributions are deposited on a bi-weekly basis and are allocated on a bi-weekly basis to the investment options self-directed by the participant. The benefit for a participant is the benefit that can be provided from the participant's vested account.
- E. Vesting. Participants are immediately vested in their elective deferral contributions and actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.
- F. Payment of Benefits. The Plan provides that under certain conditions, participants may withdraw their vested benefit. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount, or in monthly installments, equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.
- G. Forfeitures. Forfeited funds are used to offset Plan administrative expenses and/or reduce future employer discretionary matching contributions for the Plan year. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,683 and \$40,000, respectively. For the year ended December 31, 2021, forfeited nonvested accounts were utilized to reduce employer discretionary matching contributions.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

Investment valuation and income recognition

The Plan offers investments in various registered investment companies (mutual funds) maintained by Fidelity, which are valued and reported at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. The Plan presents in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the related gains (losses) and the unrealized appreciation (depreciation) on those investments.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Interest income is recorded on the cash basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investment are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Notes receivable from participants

Participant loans are not permitted by the Plan.

Plan administration costs

The Company absorbs Plan non-investment administration costs. The Company passes on the following Plan administration costs to participants: asset based fees, distribution fees, record keeping fees, loan fees and general administration fees.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting standards generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Accounting for uncertainty in income taxes

The Plan is subject to the Income Taxes topic of the FASB *Accounting Standards Codification* (ASC) 740, which provides guidance for how uncertain income tax positions should be recognized, measured, presented and disclosed in the financial statements. The Plan is required to evaluate the income tax positions taken or expected to be taken to determine whether the positions are "more-likely-than-not" to be sustained upon examination by the applicable tax authority. The Plan has determined that the application of the Income Taxes Standard does not impact the operations of the Plan and that no provision for income tax is required in the Plan's financial statements. There has been no interest or penalties recognized in the Plan's Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020 or its Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021. Generally, federal and state returns are subject to examination for three years after the later of the original or extended due date or the date filed with the applicable tax authorities.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through October 13, 2022, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these financial statements were available to be issued.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following provides a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2021, compared to December 31, 2020. The Company's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between level 1, 2 or 3 assets or liabilities during the year ended December 31, 2021.

Mutual funds - These investments are public investment securities valued using the Net Asset Value (NAV) provided by Fidelity. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of shares outstanding. The NAV is quoted in an active market. The mutual funds held by the Plan are deemed to be actively traded.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021****NOTE 3-FAIR VALUE MEASUREMENTS (CONTINUED)**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2021:

	<u>Level 1</u>	<u>Total</u>
Participant directed Mutual funds	\$ 11,189,971	\$ 11,189,971
Total assets at fair value	<u>\$11,189,971</u>	<u>\$11,189,971</u>

Assets at Fair Value as of December 31, 2020:

	<u>Level 1</u>	<u>Total</u>
Participant directed Mutual funds	\$ 11,416,767	\$ 11,416,767
Total assets at fair value	<u>\$11,416,767</u>	<u>\$11,416,767</u>

NOTE 4-COMMON/COLLECTIVE TRUST (STABLE VALUE FUND)

The Plan offers a stable value fund, The Putnam Stable Value Fund (the "Fund"), that a Plan participant may elect to transfer all or part of its funds into. The fund is considered to be a fully benefit responsive investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported by the Fund, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses a measurement that approximates fair value. Participants may ordinarily direct or withdraw or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the Fund or otherwise.

The fair value of the Plan's interest in the common/collective trust is based on quoted market values of the underlying assets. Because the participants transact at contract value, fair value is determined for financial statement reporting purposes only. In determining the reasonableness of the methodology, the Trustee evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms while others are substantiated utilizing available market data.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4-COMMON/COLLECTIVE TRUST (STABLE VALUE FUND) (CONTINUED)

The fair value of the Fund at December 31, 2021 and 2020 was \$345,524 and \$496,528, respectively. Fair value was determined using the Fund's audited financial statements prepared by PricewaterhouseCoopers, LLP.

This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year United States Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. The effective credited interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. The Fund is not a separate account investment choice - it is an investment in the Fund's general account. The average yield of the stable value fund based on actual earnings and interest credited to participants was 2.46% for the year ended December 31, 2021.

NOTE 5-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by Fidelity. Fidelity Workplace Services, LLC is the Third Party Administrator and record keeper. Fidelity is the investment Trustee and Custodian, as defined by the Plan, and, therefore, transactions in mutual funds qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. Fees paid by the Plan for specific participant transactions totaled \$767 for the year ended December 31, 2021.

The Human Resources Director of the Company is currently a participant in the Plan. Other Company executives are also currently participants in the Plan and serve as the Plan's 401(k) Plan Committee.

These party-in-interest transactions are exempt from the prohibits transaction rules of ERISA.

NOTE 6-PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 9-TAX STATUS

The Plan qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code ("Code"), and therefore, is exempt from federal income taxes under Section 501(a) of the Code. A favorable tax determination letter dated in March 31, 2014 has been obtained from the Internal Revenue Service. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and is tax-exempt.

Under a plan qualified pursuant to Section 401(k) of the Code, participants generally will not be taxed on contributions or matching contributions, or earning thereon, until such amounts are distributed to participants or their beneficiaries under the Plan. The tax-deferred contributions and matching contributions are deductible by the Company for tax purposes when those contributions are made, subject to certain limitations set forth in Section 404 of the Code.

Participants or their beneficiaries will be taxed, at ordinary income tax rates, on the amount they receive as a distribution from the Plan at the time they receive the distribution. However, if the participant or beneficiary receives a lump sum payment of the balance under the Plan in a single taxable year, and the distribution is made by reason of death, disability, or termination of employment of the participant, or after the participant has attained age 59 1/2, then certain special tax rules may be applicable.

NOTE 10-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across forty-three participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Economic conditions

In December 2019, a novel strain of coronavirus ("COVID-19") surfaced. The spread of COVID-19 around the world has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies, and, as such, the Company is unable to determine if it will have a material impact to its operations.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Altman Management Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Altman Management Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Altman Management Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Altman Management Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Altman Management Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Altman Management Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of listed in the accompanying table of contents as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of Altman Management Company, Inc. 401(k) Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated August 31, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN

The following description of the Altman Management Company, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, commenced January 1, 1997, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan covers the employees of Altman Management Company, Inc. and its affiliates (the "Company"). All employees, as defined in the Plan, who are at least 21 years old and who have completed three months of service are eligible to participate in the Plan.
- B. Administration. The Plan Administrator and Plan Sponsor are the Company, who are responsible for all matters connected with the day-to-day operation of the Plan. The Company has retained Fidelity Workplace Services, LLC, as Third Party Administrator, to assist in the administration and operation of the Plan. The Plan Trustee is Fidelity Management Trust Company ("Fidelity"), who is the custodian in the operation of the Plan.
- C. Contributions. Employees may contribute annually, pre-tax compensation or after-tax Roth contributions, subject to Internal Revenue Service (IRS) limitation of \$19,500 for 2021 and 2020. Roth contributions were permitted by the Plan effective November 2014. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$6,500 in addition to the IRS limit of \$19,500 for 2021 and 2020. With consent of the Plan Administrator, participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan or conduit IRA's into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 38 mutual funds as investment options for participants, as well as a common/collective trust. The Plan Sponsor has the right to limit the deferrals of highly compensated employees (based upon the Plan Document) in order to assist the Plan in passing the annual discrimination testing.

The Company's matching contributions are discretionary. Discretionary matching contributions are credited to participants' accounts in the first quarter of the following year. The Company's discretionary matching contribution for the year ended December 31, 2021 was equal to 40% of each participant's elective deferral, limited to 6% of the participant's eligible compensation. The total Company matching contribution amounted to \$165,461 for the year ended December 31, 2021.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN (CONTINUED)

- D. Participant Accounts. Each participant's account is credited with the participant's and employer discretionary matching contributions and allocation of the Plan's earnings or losses. The Plan's earnings or losses are allocated to each participant's account in the same proportion that each participant's account bears to the total of all participants' accounts. Operating expenses are allocated based upon specific participant transactions, as defined. Participant contributions are deposited on a bi-weekly basis and are allocated on a bi-weekly basis to the investment options self-directed by the participant. The benefit for a participant is the benefit that can be provided from the participant's vested account.
- E. Vesting. Participants are immediately vested in their elective deferral contributions and actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.
- F. Payment of Benefits. The Plan provides that under certain conditions, participants may withdraw their vested benefit. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount, or in monthly installments, equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.
- G. Forfeitures. Forfeited funds are used to offset Plan administrative expenses and/or reduce future employer discretionary matching contributions for the Plan year. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,683 and \$40,000, respectively. For the year ended December 31, 2021, forfeited nonvested accounts were utilized to reduce employer discretionary matching contributions.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

Investment valuation and income recognition

The Plan offers investments in various registered investment companies (mutual funds) maintained by Fidelity, which are valued and reported at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. The Plan presents in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the related gains (losses) and the unrealized appreciation (depreciation) on those investments.

ALTMAN MANAGEMENT COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Interest income is recorded on the cash basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investment are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Notes receivable from participants

Participant loans are not permitted by the Plan.

Plan administration costs

The Company absorbs Plan non-investment administration costs. The Company passes on the following Plan administration costs to participants: asset based fees, distribution fees, record keeping fees, loan fees and general administration fees.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting standards generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Accounting for uncertainty in income taxes

The Plan is subject to the Income Taxes topic of the FASB *Accounting Standards Codification* (ASC) 740, which provides guidance for how uncertain income tax positions should be recognized, measured, presented and disclosed in the financial statements. The Plan is required to evaluate the income tax positions taken or expected to be taken to determine whether the positions are "more-likely-than-not" to be sustained upon examination by the applicable tax authority. The Plan has determined that the application of the Income Taxes Standard does not impact the operations of the Plan and that no provision for income tax is required in the Plan's financial statements. There has been no interest or penalties recognized in the Plan's Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020 or its Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021. Generally, federal and state returns are subject to examination for three years after the later of the original or extended due date or the date filed with the applicable tax authorities.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through October 13, 2022, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these financial statements were available to be issued.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following provides a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2021, compared to December 31, 2020. The Company's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between level 1, 2 or 3 assets or liabilities during the year ended December 31, 2021.

Mutual funds - These investments are public investment securities valued using the Net Asset Value (NAV) provided by Fidelity. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of shares outstanding. The NAV is quoted in an active market. The mutual funds held by the Plan are deemed to be actively traded.

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021****NOTE 3-FAIR VALUE MEASUREMENTS (CONTINUED)**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2021:

	<u>Level 1</u>	<u>Total</u>
Participant directed Mutual funds	<u>\$ 11,189,971</u>	<u>\$ 11,189,971</u>
Total assets at fair value	<u>\$11,189,971</u>	<u>\$11,189,971</u>

Assets at Fair Value as of December 31, 2020:

	<u>Level 1</u>	<u>Total</u>
Participant directed Mutual funds	<u>\$ 11,416,767</u>	<u>\$ 11,416,767</u>
Total assets at fair value	<u>\$11,416,767</u>	<u>\$11,416,767</u>

NOTE 4-COMMON/COLLECTIVE TRUST (STABLE VALUE FUND)

The Plan offers a stable value fund, The Putnam Stable Value Fund (the "Fund"), that a Plan participant may elect to transfer all or part of its funds into. The fund is considered to be a fully benefit responsive investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported by the Fund, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses a measurement that approximates fair value. Participants may ordinarily direct or withdraw or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the Fund or otherwise.

The fair value of the Plan's interest in the common/collective trust is based on quoted market values of the underlying assets. Because the participants transact at contract value, fair value is determined for financial statement reporting purposes only. In determining the reasonableness of the methodology, the Trustee evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms while others are substantiated utilizing available market data.

NOTE 4-COMMON/COLLECTIVE TRUST (STABLE VALUE FUND) (CONTINUED)

The fair value of the Fund at December 31, 2021 and 2020 was \$345,524 and \$496,528, respectively. Fair value was determined using the Fund's audited financial statements prepared by PricewaterhouseCoopers, LLP.

This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year United States Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. The effective credited interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. The Fund is not a separate account investment choice - it is an investment in the Fund's general account. The average yield of the stable value fund based on actual earnings and interest credited to participants was 2.46% for the year ended December 31, 2021.

NOTE 5-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by Fidelity. Fidelity Workplace Services, LLC is the Third Party Administrator and record keeper. Fidelity is the investment Trustee and Custodian, as defined by the Plan, and, therefore, transactions in mutual funds qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. Fees paid by the Plan for specific participant transactions totaled \$767 for the year ended December 31, 2021.

The Human Resources Director of the Company is currently a participant in the Plan. Other Company executives are also currently participants in the Plan and serve as the Plan's 401(k) Plan Committee.

These party-in-interest transactions are exempt from the prohibits transaction rules of ERISA.

NOTE 6-PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 9-TAX STATUS

The Plan qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code ("Code"), and therefore, is exempt from federal income taxes under Section 501(a) of the Code. A favorable tax determination letter dated in March 31, 2014 has been obtained from the Internal Revenue Service. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and is tax-exempt.

Under a plan qualified pursuant to Section 401(k) of the Code, participants generally will not be taxed on contributions or matching contributions, or earning thereon, until such amounts are distributed to participants or their beneficiaries under the Plan. The tax-deferred contributions and matching contributions are deductible by the Company for tax purposes when those contributions are made, subject to certain limitations set forth in Section 404 of the Code.

Participants or their beneficiaries will be taxed, at ordinary income tax rates, on the amount they receive as a distribution from the Plan at the time they receive the distribution. However, if the participant or beneficiary receives a lump sum payment of the balance under the Plan in a single taxable year, and the distribution is made by reason of death, disability, or termination of employment of the participant, or after the participant has attained age 59 1/2, then certain special tax rules may be applicable.

NOTE 10-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across forty-three participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 11-COMMITMENTS AND CONTINGENCIES

Economic conditions

In December 2019, a novel strain of coronavirus ("COVID-19") surfaced. The spread of COVID-19 around the world has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies, and, as such, the Company is unable to determine if it will have a material impact to its operations.
