| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

GoldenCorr Sheets, LLC Retirement Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of GoldenCorr Sheets, LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Principal Trust Company ("Principal") as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedules, schedule of assets (held at end of year) as of December 31, 2021 and schedule of delinquent participant contributions for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Principal Trust Company. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020**

---

### **1. Description of the plan and benefits**

The following description of the GoldenCorr Sheets LLC, (the Company) 401(k) Plan (the Plan), named GoldenCorr Sheets, LLC Retirement Plan is provided only for general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution 401(k) profit sharing plan covering all employees of GoldenCorr Sheets, LLC who have completed the minimum service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Eligibility**

Employees are eligible after completing one month of service. Employees may enter the Plan on a monthly basis. The entry date is the first day of the month following the date the employee meets the eligibility requirements.

#### **Contributions**

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined in the Plan, limited to a maximum amount specified by the Internal Revenue Service (\$19,500 in 2021 and 2020 for employees under age 50 and \$26,000 in 2021 and 2020 for employees age 50 and over). Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan provides a safe harbor match of 100% of participant contributions up to a maximum of 3% of compensation, plus 50% of elective deferral contributions over 3% but not to exceed 5% of compensation. For the years ended December 31, 2021 and 2020, the Company made safe harbor matching contributions totaling \$240,196 and \$250,952, respectively.

In addition, the Company may make other discretionary contributions, which is determined each year by the Company. No Company discretionary contributions were made for the year ended December 31, 2021.

### **1. Description of the plan and benefits - Continued**

#### Participant accounts

Each participant's account is credited or charged with the amount of their voluntary contributions, the Company's matching contributions, an allocation of earnings or losses, and an allocation of Plan expenses. Allocations are based on participant account balances, as defined in the Plan articles. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants elect the fund(s) in which they invest.

#### Vesting

Participants are immediately vested in their voluntary contributions, safe harbor matching contributions, and the earnings on these contributions. A participant is 100% vested after five years of credited service, 20% each year, for the Company's discretionary contributions.

#### Notes receivable from participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the participant loan fund. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at certain bank lending rates. Participants' payments of principal and interest are paid ratably through weekly payroll deductions.

#### Forfeiture accounts

During the years ended December 31, 2021 and 2020, \$1,775 and \$4, respectively, of nonvested forfeitures were used to pay Plan expenses. At December 31, 2021 and 2020, there were \$14,404 and \$3,128, respectively, of nonvested forfeitures used to pay employer contributions. At December 31, 2021 and 2020, there were \$0 and \$3,407, respectively, of forfeited nonvested accounts from terminating participants available to reduce future employer contributions or pay Plan expenses.

#### Investment options

The Plan provides a variety of investment options with differing risk and growth characteristics. As of December 31, 2021 and 2020, substantially all of the Plan's net assets available for benefits were invested in investment funds under the management of Principal Trust Company. Participants may change their investment allocation and/or transfer their account balances among the various funds at any time.

### **1. Description of the plan and benefits - Continued**

#### **Investment management and administration**

The assets of each fund within the Plan are invested under an arrangement with Principal Trust Company, the trustee. All expenses incurred in maintaining the Plan are paid by the Plan unless the Company, at its discretion, elects to pay all or part of the expenses.

#### **Benefit payments and withdrawals**

If a participant's employment ceases as a result of normal retirement, death, or disability, the participant or the participant's beneficiaries are entitled to receive the entire balance of the participant's account on a fully vested basis. If a participant terminates for any other reason, the participant is entitled to receive only the vested percentage of the account. Participants or their beneficiaries may elect to receive benefits in installment payments or have the balance rolled into an individual retirement account.

In-service distributions may be made from any of the participant's vested accounts at any time for a hardship. Events that qualify for a hardship withdrawal generally include the following: to cover necessary medical expenses, for costs directly related to the purchase of the participant's primary residence, for expenses related to post-secondary education, or for payments necessary to prevent the participant's eviction from or foreclosure of the primary residence.

#### **Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination, all amounts contributed to the Plan shall become 100% vested.

#### **Subsequent events**

The Plan Administrator has evaluated subsequent events through the date the financial statements were available to be issued, which was October 13, 2022, the date of the audit report for the year ended December 31, 2021. No subsequent events requiring recognition, were identified and therefore none were incorporated into the financial statements presented herein.

### **2. Summary of significant accounting policies**

#### **Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note 4 for discussion on fair value measurements.

Pooled separate accounts are valued using quoted market prices of the underlying securities, primarily mutual funds, at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

### **2. Summary of significant accounting policies - Continued**

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.

#### **Recent accounting pronouncements**

##### **Accounting Standards Update 2018-13**

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update No. 2018-013, Fair Value Measurement (Topic 820): Disclosures Framework - Changes to Disclosure Requirements for Fair Value Measurement. The amendments in this ASU modify the disclosure requirements on fair value measurements in Topic 820, Fair Value Measurement, based on the concepts in the FASB Concepts Statement, including the consideration of costs and benefits.

The following disclosure requirements were removed from Topic 820:

1. The amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy.
2. The policy for timing of transfers between levels.
3. The valuation processes for Level 3 fair value measurements.
4. For nonpublic entities, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period.

#### Accounting Standards Update 2018-13- Continued

The following disclosure requirements were modified in Topic 820:

1. In lieu of a roll forward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities.
2. For investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly.
3. The amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date.

The amendments in this Update are effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The Plan is permitted to early adopt any removed or modified disclosures upon issuance of this Update and delay adoption of the additional disclosures until their effective date. The effect of adopting this Update resulted in the removal or modification of certain fair value measurement disclosures presented in the financial statements.

### **3. Information certified and provided by Principal Trust Company**

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by Principal Trust Company, the trustee of the Plan, and furnished by the plan administrator. The plan administrator has obtained certifications from the trustee that information provided to the plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

|                               | <b>December 31,</b> |              |

### 4. Fair value measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Authoritative guidance establishes a framework for measuring fair value that includes a hierarchy used to classify the inputs used in measuring fair value based on their observability. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. The levels of the fair value hierarchy are as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Quoted prices for identical assets and liabilities traded in active exchange markets                                                                                                                                                                                                                                                                                                                                                        |
| Level 2 | Observable inputs other than Level 1 including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data. Level 2 also includes derivative contracts whose value is determined using a pricing model with observable market inputs or can be derived principally from or corroborated by observable market data.                 |
| Level 3 | Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation; also includes observable inputs for nonbinding single dealer quotes not corroborated by observable market data. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective investment trusts (CITs):* CITs are pooled investment vehicles sponsored and maintained by a bank or trust company. The CITs invest in a collective trust fund as well as a variety of separate accounts and mutual funds. Valued similar to mutual funds, CITs are classified within Level 1 of the valuation hierarchy to allow for consistent disclosure. Benefit plans own and transact at units of a CIT, not the underlying asset, therefore the unit of account would be at the fund level, not at the underlying investments level. The NAV is not a publicly quoted price in an active market but is available to current investors via the employer website at principal.com or when plan participants access their account values. The NAV is the basis for current transactions and the CIT can be redeemed at NAV as of the measurement date. Therefore, CITs have a "readily determinable fair value". The NAV is calculated in a manner consistent with GAAP in accordance with investment company measurement principles.

*Pooled separate account (PSA):* Valued similar to mutual funds, the PSA is classified within Level 1 of the calculation hierarchy to allow for consistent disclosure. The PSA invests in a single mutual fund - the Principal Real Estate Securities R6 fund. The fair value of the mutual fund is a publicly quoted pricing input used in determining the NAV of the pooled separate account, which is not publicly quoted but is available to current investors. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, the PSA has a "readily determinable fair value". The NAV is calculated in a manner consistent with GAAP in accordance with investment company measurement principles.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

### 5. Participant loans

At December 31, 2021 and 2020, the Plan loans outstanding to participants totaled \$260,298 and \$293,124, respectively. The loans' interest rates range from 3.75% to 7.00%, per annum. The loan shall be fully amortized over a period not to exceed 5 years unless the loan is for the purchase of a participant's primary residence, in which case the loan shall be fully amortized over a period not to exceed 30 years. The unpaid balance of any loan is immediately payable back to the Plan upon termination of employment and may be offset against the participant's vested account. Participant loans are stated at cost, which approximates fair value.

### 6. Income tax status

The Plan adopted a volume submitter plan sponsored by Principal Life Insurance Company. The volume submitter plan received an opinion letter from the Internal Revenue Service dated March 31, 2014, that the Plan, and the relate trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

### 7. Accounting for uncertainty in income

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **8. Party-in-interest transactions**

The Plan's investment assets represent funds invested in or maintained by Principal. Principal is the trustee of the Plan, and therefore these investments represent exempt party-in-interest transactions. Administrator fees paid to the trustee totaled \$25,029 and \$21,267, respectively, for the years ended December 31, 2021 and 2020.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

### **9. Plan amendments**

#### **CARES Act**

During 2020, Plan management approved a resolution to adopt certain provisions of the Coronavirus Aid Relief and Economic Security Act ("CARES Act"). The CARES Act allowed retirement plans to provide participants who were impacted by the coronavirus with greater access to their savings. As permitted by the CARES Act, the Plan implemented the following provisions:

- Through December 31, 2020, qualified participants were permitted to take a distribution in an amount up to \$100,000 without a 10% early withdrawal penalty or the mandatory 20% federal income tax withholding rate. Participants who took a qualified distribution had the option of repayment through the last day of the Plan year that begins in 2022 (within three years) and income taxes may be spread ratably over three years.
- Impacted participants were able to borrow up to the lesser of \$100,000 or 100% of their vested balance for 180 days beginning March 27, 2020. Impacted participant loan payments due from March 31, 2020 through December 31, 2020, including those due following severance from employment, could be delayed for one year. Subsequent loan payments were adjusted to reflect the payment delay, any interest accruing during that delay, and the revised loan term.
- Required minimum distributions (RMDs) for the 2020 plan year were temporarily waived.

#### **Hardship amendment**

On April 9, 2021, the Plan adopted an amendment to incorporate hardship distribution provisions implemented in plan operation during 2020 as allowed under the Bipartisan Budget Act of 2018.

### 10. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 11. Nonexempt transactions

For the year ended December 31, 2021, the Plan sponsor inadvertently failed to deposit \$26,850 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Plan has an additional \$57,699 of untimely remittances from years prior to 2021, of which \$48,100 is pending correction. The Plan sponsor intends to reimburse the Plan for lost interest. Untimely remittances are identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions. The Plan sponsor intends to file Form 5330 and intends to pay the applicable excise tax in 2022. The excise tax payments will be made from the Plan sponsor's assets and not from assets of the Plan.

### 12. Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 to Form 5500:
