**Financial Statements  
With Supplementary Information  
Years Ended December 31, 2021 and 2020  
With Independent Auditors' Report**

## **Independent Auditors' Report**

To the Plan Administrator of the  
SES, Inc. 401(k) Plan  
Cincinnati, Ohio

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of SES, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report  
(Continued)**

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of SES, Inc. 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SES, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report  
(Continued)**

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SES, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SES, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*2021 Supplemental Schedules Required by ERISA*

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of SES, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **SES, INC. 401(K) PLAN**

### **Notes to Financial Statements**

#### **NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Presentation***

The accompanying financial statements of SES, Inc. 401(k) Plan (the "Plan") have been prepared on the accrual basis.

##### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment transactions are accounted for on the trade date (the date the order to buy or sell is executed). The cost of investments sold is computed on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

##### ***Benefit Payments***

Benefit payments are recorded when paid.

##### ***Related-Party Transactions***

Several employees of Superior Environmental Service, Inc. (the "Company") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

##### ***Expenses***

Certain expenses and costs of administering the Plan were paid by the Company and, accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

##### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

##### ***Estimates***

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

## **SES, INC. 401(K) PLAN**

### **Notes to Financial Statements (Continued)**

#### **NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

##### ***Subsequent Events***

The Company has evaluated subsequent events through October 14, 2022, which is the date these financial statements were available to be issued.

#### **NOTE 2 DESCRIPTION OF THE PLAN**

The following description of the SES, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### ***General***

The original effective date of the Plan was January 1, 2000. The Plan was amended and restated on July 1, 2018. The Plan is a defined contribution plan. Substantially all non-union employees of the Company who have completed three months of service are eligible to participate in the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

##### ***Contributions***

Participants may contribute a percentage or dollar amount of eligible compensation. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$19,500 at December 31, 2021). For 2021, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$6,500. Participants are permitted to contribute on a pre-tax or after-tax, Roth 401(k) basis. The Company makes a safe harbor matching contribution of 100% up to 4% of compensation. The Plan also allows for the Company to make a discretionary profit sharing contribution at the end of each Plan year. The Company did not make a profit sharing contribution in 2021. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year.

##### ***Rollover Contributions***

Participants may rollover their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

##### ***Participant Accounts***

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. Each participant's account is reduced by participant withdrawals, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## SES, INC. 401(K) PLAN

### Notes to Financial Statements (Continued)

#### NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

##### ***Vesting***

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. Participants are also immediately vested in their safe harbor matching contributions. Vesting in the Company's profit sharing contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. Participants become partially vested after two years with 100% vesting being attained after six years. Non-vested portions of participant accounts that are forfeited upon payment of benefits are retained in the Plan and used to reduce future employer contributions. There were no unallocated funds as of December 31, 2021 or December 31, 2020.

##### ***Payment of Benefits***

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is eligible for distribution in a lump sum.

Eligible participants who have both attained age 59 1/2 and have not yet separated from service may elect partial in-service withdrawals.

In conditions of "financial hardship" a participant may apply to the Plan Administrator for approval to withdraw that portion of his 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code ("IRC").

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

##### ***Notes Receivable from Participants***

Participant loans are available on amounts in the participant's account. The maximum loan amount is the lesser of one-half of a participant's vested account balance or \$50,000. The vested participant account balance will be used as collateral for any loan. All loans shall bear a reasonable rate of interest as determined by the Plan administrator. All loans must be repaid within five years except in the case of a loan for the purpose of acquiring a home. Participants may not have more than three loans outstanding.

#### NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

#### NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trust:* Investment fund formed by the pooling of investments by institutional investors, such as a group of not necessarily affiliated pension or retirement plans, typically with the intention of achieving cost savings over similar investment options such as mutual funds. Common/collective trusts are similar to mutual funds, with a named investment manager and documented investment objective. These investments, however, are not registered with the SEC (unlike mutual funds, which are registered) and participation is not open to the public. The NAV is measured by the custodian or investment manager as of the close of regular daily trading. When measuring the fair value of such funds, the NAV, as provided by the fund sponsor, is corroborated with observable inputs provided by pricing services for the securities. In certain instances, NAVs may require adjustments to more appropriately reflect the fair value. No adjustments to NAVs were required.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
