INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees
American Chemet Corporation 401(k)
Profit Sharing Plan, Plan No. 001
Helena, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of American Chemet Corporation 401(k) Profit Sharing Plan, Plan No. 001 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of American Chemet Corporation 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Chemet Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Chemet Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Chemet Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Chemet Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees
American Chemet Corporation 401(k)
Profit Sharing Plan, Plan No. 001
Helena, Montana

We were engaged to audit the accompanying financial statements of American Chemet Corporation 401(k) Profit Sharing Plan, Plan No. 001 (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Fidelity Management Trust Company as of December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statements

The form and content of the information included in the 2020 financial statements other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

AMERICAN CHEMET CORPORATION
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the American Chemet Corporation 401(k) Profit Sharing Plan, Plan No. 001 (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is a multiple employer plan covering employees of American Chemet Corporation (the Company) (the Employer) and employees of Royal Metal Powders and Smoky Mountain Metals (the Participating Employers), collectively the Plan sponsor.

General

The Plan is a defined contribution plan covering all full-time employees of the Company and the Participating Employers. Employees are eligible immediately upon hire to make employee deferrals. Newly eligible employees must be enrolled within 35 days from date of hire. Employees are eligible to receive employer contributions if they are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer matching contribution and an allocation of (a) the Company's or the Participating Employers' discretionary contribution; and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Participants can receive a loan from their account balance. Participant loans are limited to a minimum of \$1,000 and a maximum of 50% of their vested balance or \$50,000, whichever is less, with a maximum of two loans outstanding at any time. The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) allowed participants to borrow up to \$100,000 or 100% of their vested account balance between March 27, 2020 and September 22, 2020. The interest rate on loans is determined at the date the loan is originated by the Plan administrator based on the prevailing interest rates charged by lending institutions under similar circumstances. Notes receivable from participants are measured at their unpaid principal. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Contributions

Each year, the Company and Participating Employers may provide a discretionary contribution to the Plan as determined by the Board of Directors. Profit sharing amounts of \$171,434 and \$278,784, were contributed to the Plan for the years ended December 31, 2021 and 2020, respectively.

The Company and Participating Employers provide a matching contribution of 25% of the participant's contributions, up to \$500 annually, for participants who are also participating in the Company's Defined Benefit plan. For those participants who are not also participants in the Company's Defined Benefit plan, the Company provides a 100% matching contribution, up to 6% of the participant's eligible compensation. Matching amounts of \$376,535 and \$338,912, were contributed to the Plan for the years ended December 31, 2021 and 2020, respectively.

Upon eligibility, the Company automatically enrolls participants to defer 4% of eligible compensation. Eligible participants will have their deferral rate increased by 1% annually on November 1 until a deferral rate of 6% is reached. Participants may submit a salary deferral agreement at any time to select an alternative deferral amount or to elect not to defer into the Plan. Participants may contribute up to 100% of qualified compensation up to the maximum limits set by the Internal Revenue Service (IRS). For the years ended December 31, 2021 and 2020, the maximum amount was \$19,500. Individuals who will be age 50 by the end of the year may make additional catch-up contributions to the Plan. For 2021 and 2020, the maximum catch-up contribution was \$6,500.

Vesting

Participants are immediately 100% vested in their elective deferrals and rollover contributions, plus actual earnings thereon. Vesting in employer matching and discretionary contributions is based on years of continuous service. A participant is 100% vested after three years of credited service.

NOTE 1. PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. If the participant is re-employed and fulfills certain requirements, as defined by the Plan, the participant's account will be reinstated. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$50,572 and \$29,658, respectively. These accounts will be used to reduce future employer contributions or pay Plan expenses. In 2021 and 2020, \$-0- of forfeitures were used by the Plan.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over their life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants with vested account balances less than \$1,000 will receive a single lump-sum cash payment. Distributions for participants with vested balances greater than \$1,000 require participant consent. Benefits are recorded when paid. As of December 31, 2021 and 2020, there were no amounts withdrawn by participants that had not been paid.

Hardship distributions are allowed for certain expenses and may be withdrawn from elective deferrals and vested amounts of employer contributions. Hardship withdrawals are subject to a \$500 minimum.

Coronavirus-related distributions permitted under the CARES Act were allowed during the Plan year ended December 31, 2020 for participants meeting the specified qualifications in section 2202 of the CARES Act. Minimum distributions required for those age 72 or older were suspended for 2020, except upon participant request.

Plan Expenses

Investment management fees and certain other administrative expenses are paid by the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, and through direct payments that are included in administrative expenses. All other fees associated with the Plan are paid by the Company, and are not reimbursed by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 2. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: Valued at NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined it is probable the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2021 and 2020.

Description	Assets at Fair Value as of December 31, 2021	
	Level 1	Total
Mutual funds	\$ 25,445,773	\$ 25,445,773
Total assets in the fair value hierarchy		25,445,773
Common collective trust at NAV		279,363 *
Total investments, at fair value	\$ 25,445,773	\$ 25,725,136

Description	Assets at Fair Value as of December 31, 2020	
	Level 1	Total
Mutual funds	\$ 21,923,098	\$ 21,923,098
Total assets in the fair value hierarchy		21,923,098
Common collective trust at NAV		250,413 *
Total investments, at fair value	\$ 21,923,098	\$ 22,173,511

(*) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Common collective trust	<u>\$ 250,413</u>	n/a	Daily	Same day

NOTE 4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, the trustee of the Plan, at December 31, 2021 and 2020, except for comparing such information certified by the qualified institution to information included in the Plan's financial statements and supplemental schedule. The trustee is a qualified institution that prepared and certified the information in accordance with 29 CFR 2520.103-5.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that had been prepared and certified as complete and accurate by the Plan's trustee as of and for the years ended December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 25,445,773	\$ 21,923,098

Total investments, as certified	<u>\$ 25,725,136</u>	<u>\$ 22,173,511</u>

During the years ended December 31, 2021 and 2020, the Plan's investment income certified by the trustee was as follows:

	<u>2021</u>	<u>2020</u>
Investment income:		
Net appreciation in fair value of investments	\$ 1,707,235	\$ 2,787,256

NOTE 5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid administrative fees of \$46,280 and \$34,226 to Fidelity Management Trust Company for the years ended December 31, 2021 and 2020, respectively. Morgan Stanley is the Plan's investment advisor. The Plan paid investment advisory fees of \$25,000 for each of the years ended December 31, 2021 and 2020.

NOTE 6. TAX STATUS

The volume submitter profit sharing prototype plan document adopted by the Plan received a favorable determination letter from the IRS on March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if a plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of economic uncertainty and volatility in financial markets, various investment securities held by the Plan have incurred significant declines in fair value since December 31, 2021. The markets continue to evolve rapidly, and Plan management is not able to at this time estimate the full impact of the Plan's financial statements.

NOTE 8. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 17, 2022 the date which the financial statements were available to be issued.

On September 7, 2022, the Plan sponsor sustained a cyberattack. The investigation of this incident is ongoing and the full impact of this event is not yet known. To date, the Plan sponsor's operations have not been impacted, and the Plan sponsor believes its insurance coverage is adequate to cover the expected costs or damages related to this event.

Effective February 1, 2022, the Plan sponsor adopted Fidelity's pre-approved document for defined contribution plans and restated the Plan's adoption agreement to include legislative requirements the Plan administrator had authorized during the 2020 plan year. The Plan document received a favorable determination letter from the IRS dated June 30, 2020.
