Independent Auditor's Report

To the Participants and Administrator of
Brookfield Hospitality Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Brookfield Hospitality Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Brookfield Hospitality Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Brookfield Hospitality Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brookfield Hospitality Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brookfield Hospitality Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brookfield Hospitality Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in

accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Participants and Administrator of
Brookfield Hospitality Retirement Savings Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Brookfield Hospitality Retirement Savings Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

1. Description of the Plan

The following description of the Brookfield Hospitality Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement plan established by Brookfield Hospitality Properties, LLC (the “Company”) effective January 1, 2013, pursuant to a Termination Services Agreement entered into between the Company and Kerzner International North America, Inc.

The Plan is an adoption of the Great-West Trust Company Prototype Non-Standardized Profit-Sharing Plan and Trust created under the provisions of Section 401(a) of the Internal Revenue Code (the “Code”), which includes qualified cash or deferral arrangements as described by Section 401(k) of the Code. The Plan covers substantially all nonunion employees of the Company’s entities with US source wages who are at least 18 years of age and have completed at least three months of service, as defined by the Plan. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

Great-West Trust Company, LLC serves as the trustee for the Plan. The Trustee also serves as the custodian of the Plan’s investments.

Contributions

Each year, participants may contribute up to 100% of compensation subject to limitations, as defined by the Plan, in the form of pre-tax salary deferral or after-tax Roth contributions. These contributions, subject to certain limitations under the Internal Revenue Code, allow for maximum pre-tax contributions of \$19,500 during 2021, plus catch-up contributions of \$6,500 for employees aged 50 or over. Additionally, in accordance with the Plan, participants may contribute amounts from other qualified plans as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment allocation at any time. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company shall make matching contributions in an amount equal to 100% of the first 2% of the Participant’s elective deferral for each payroll period. Additionally, the Company may make an annual profit-sharing contribution, which is entirely at the discretion of the Company.

Participants’ Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of the Company’s profit-sharing contribution and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

Vesting and Forfeitures

Participants are immediately vested in their contributions and amounts rolled over into the Plan, plus actual earnings thereon. Employer matching contributions vest at a rate of 20% per year of service and are fully vested after five years of service. Non-vested portions of employer contributions are forfeited as of an employee's termination date. Forfeitures are available to be used to reduce future employer matching contributions and may be used to offset administrative expenses. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$7,058 and \$13,121, respectively. Also, in 2021, employer contributions were reduced by \$89,777 from forfeited non-vested accounts.

Notes Receivables from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to an amount not to exceed the lesser of \$50,000 or 50% of their vested account balance. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing interest rates as determined by the Plan. Principal and interest are paid ratably through payroll deductions. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments that are distributed in accordance with the Plan.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 8 for additional information on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was considered necessary as of December 31, 2021 or 2020. In accordance with the Plan, notes receivables in default are reclassified as distributions.

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

Administrative Expenses

The Company pays certain administrative expenses of the Plan, while other expenses are paid directly by the Plan. Expenses paid by the Company are excluded from these financial statements. Fees related to administration of notes receivables from participants or distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation or depreciation in fair value of investments.

Benefit Payments

Benefits are recorded when paid.

Date of Management's Review

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

3. Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company LLC, the trustee of the Plan, has certified that the data included in the accompanying financial statements and supplementary schedule is complete and accurate with respect to investments and notes receivable from participants as shown on the statement of net assets available for benefits as of December 31, 2021 and 2020, and net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2021	2020
Investments, at fair value		
Mutual funds	\$18,574,715	\$17,431,854
Common/collective trust	385,834	462,230
Notes receivable from participants	441,238	496,964
Investment (loss) income	2,269,466	
Interest income on notes receivables from participants	15,536	

4. Related Party Transactions and Party in Interest Transactions

The Plan held certain investments managed by the Trustee. In addition, there were outstanding notes receivable from participants as of December 31, 2021 and 2020. The Trustee and participants are related parties and these transactions qualify as party-in-interest transactions.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of any termination of the Plan, or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

6. Risks and Uncertainties

The Plan invests in various investment securities. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and statement of changes in net assets available for benefits.

7. Tax Status

The Plan is an adoption of a Great-West Trust Company, LLC non-standardized prototype plan. The IRS has determined and informed the prototype sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2021 and 2020, the Plan has no liabilities for uncertain tax positions. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The following three levels of fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds— Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (“SEC.”) These funds are required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts (“CCT”)—Valued at the NAV as a practical expedient of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, less liabilities and divided by the number of units outstanding. The CCT fund’s NAV is not considered to be readily determinable fair value. The CCT do not have a finite life, unfunded commitments, or significant restrictions on redemptions. Redemption frequency is daily.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 18,574,715	\$ -	\$ -	\$ 18,574,715
Total	\$ 18,574,715	\$ -	\$ -	18,574,715
Common collective trust measured at NAV (a)				385,834
Investments at fair value				\$ 18,960,549

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 17,431,854	\$ -	\$ -	\$ 17,431,854
Total	\$ 17,431,854	\$ -	\$ -	17,431,854
Common collective trust measured at NAV (a)				462,230
Investments at fair value				\$ 17,894,084

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020:

December 31, 2021				
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 385,834	None	Daily	Daily
December 31, 2020				
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 462,230	None	Daily	Daily

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

The common collective trust is composed of the Putnam Stable Value Fund (the “Fund”). The Fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions. Up to 75% of the Fund’s assets are in security-backed investment contracts, including separate account products of insurance companies. The Fund also strives to maintain at least 5% of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds with investment policies and other provisions similar to those of the Fund.

The only event or circumstance in the ordinary course of business that would allow issuers to immediately terminate a fully benefit responsive wrap contract with the Fund at an amount different from contract value would be if they were provided with willingly fraudulent information about the Fund by its trustee. This would constitute a breach of contract and would allow for termination at a value that could be different from contract value. The Plan believes the occurrence of events or circumstances that would cause the Plan to transact at less than fair value is not probable.

9. Non-Exempt Transactions

As disclosed in the accompanying supplemental schedule during 2020, employee deferrals of \$18,170 were not remitted to the Plan within the timeframe required by the Department of Labor. The Company paid any related lost earnings to the affected participants into the Plan during 2021.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per the financial statements	\$ 19,446,216	\$ 18,457,233
Less: Adjustment for accrued contributions receivable	(44,429)	(66,185)
Less: Deemed distributed loans *	(255,343)	(270,609)
Net assets available for benefits per the Form 5500	<u>\$ 19,146,444</u>	<u>\$ 18,120,439</u>

Brookfield Hospitality Retirement Savings Plan

Notes to Financial Statements

December 31, 2021

The following is a reconciliation of contributions and benefits paid per the financial statements to the Form 5500 for the year ended December 31, 2021:

Contributions per financial statements:	\$ 1,119,991
Less: Contributions receivable current year not included in 5500	(44,429)
Plus: Contributions receivable prior year included in 5500	66,185
Contributions per the Form 5500	<u>\$ 1,141,747</u>

Benefits paid to participants per financial statements:	2,359,216
Plus: Deemed distributions current year	255,343
Less: Deemed distributions prior year	(270,609)
Benefits paid to participants per the Form 5500	<u>2,343,950</u>

* Deemed distributed loans ("DDL") occurs when a participant misses a loan payment and fails to make it up by a specified date or the terms for repaying a loan expire without full payment. The plan will continue to treat the DDL as an outstanding loan, while the plan's Form 5500 will exclude the DDL from the assets reported.

11. COVID-19 and CARES Act

In January 2020, an outbreak of novel strain of coronavirus (COVID-19) emerged globally and in March 2020 was declared a pandemic by the World Health Organization. Although it is not possible to estimate the length and severity of this outbreak and its impact on the Plan's financial statements, the fair value of the Plan's investments could be materially affected by the market volatility associated with COVID-19.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act's (the "CARES Act") was signed into law. The Plan adopted the provisions of the CARES Act. The CARES Act provisions adopted by the Plan allows Plan participants to receive coronavirus-related distributions from eligible retirement plans, as defined by the IRS Section 402(c)(8)(B). A coronavirus-related distribution is subject to certain requirements and limitations as set forth in the CARES Act and Plan document.

The CARES Act also increased the limits on loans from an eligible retirement plan, from a maximum equal to the lesser of \$50,000 or 50% of their vested account balance to a maximum equal to the lesser of \$100,000 or 100% of their vested account balance. These loans are available to eligible individuals for 180 days beginning on March 27, 2020. Coronavirus related loans are to be repaid over a five-year period, however, if repayments are to begin prior to December 31, 2020, such repayment period shall be extended for an additional year. The CARES Act also temporarily waived the required minimum distribution rules in 2020, although beneficiaries may still request to receive a distribution.
