## INDEPENDENT AUDITOR'S REPORT

To the Trustees of the  
DuKane Precast, Inc. Multiple Employer  
401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of DuKane Precast, Inc. Multiple Employer 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DuKane Precast, Inc. Multiple Employer 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DuKane Precast, Inc. Multiple Employer 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DuKane Precast, Inc. Multiple Employer 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DuKane Precast, Inc. Multiple Employer 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DuKane Precast, Inc. Multiple Employer 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compare such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## DUKANE PRECAST, INC. MULTIPLE EMPLOYER 401(K) PLAN

### Notes to Financial Statements

#### Note 1 – Description of plan

The following description of the DuKane Precast, Inc. Multiple Employer (“The Company”) 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all full-time employees of the Company who have two months of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Participants may contribute up to 75% of aggregate compensation, as defined in the Plan, as pretax or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes such amounts, if any, as its board shall from time to time deem advisable. Contributions are subject to certain statutory limitations, as defined in the Plan. At December 31, 2021, the Company resolved not to make a discretionary contribution to the Plan.

#### Participant accounts

Each participant’s account is credited with the participant’s contribution, allocation of the Company’s contribution, Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

## DUKANE PRECAST, INC. MULTIPLE EMPLOYER 401(K) PLAN

### Notes to Financial Statements

#### Note 1 – Description of plan, cont'd

##### Payment of benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, of annual installments over a period defined in the Plan subject to limitations. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

##### Forfeited accounts

Forfeited non-vested accounts are used to reduce future employer contributions, or to pay for administrative costs. There were \$5,776 of unallocated forfeitures at December 31, 2021. In addition, for the year ended December 31, 2021, administrative fees were reduced by \$397 from forfeited non-vested accounts.

#### Note 2 - Significant accounting policies

##### Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

##### Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

## DUKANE PRECAST, INC. MULTIPLE EMPLOYER 401(K) PLAN

### Notes to Financial Statements

#### Note 2 - Significant accounting policies, cont'd.

##### Investment valuation and income recognition

The financial statements have been prepared in accordance with generally accepted accounting principles and with the accounting principles required by the Plan, which state that all assets of the trust shall be valued at net asset value. All assets are held in the trust by a financial institution and have been valued at the quoted market prices at December 31, 2021. Participant loans receivable are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

##### Payment of benefits

Benefits are recorded when paid.

##### Administrative costs

According to the Plan documents, all expenses of administration may be paid out of the Trust Fund unless paid by the Employer.

##### Date of management's review

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

## DUKANE PRECAST, INC. MULTIPLE EMPLOYER 401(K) PLAN

### Notes to Financial Statements

#### Note 3 - Fair value measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When applicable, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 inputs were not available.

#### Level 1 Fair Value Measurements

The fair value of the money market fund and mutual funds are based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered actively traded.

#### Level 3 Fair Value Measurements

The collective investment trust with a financial institution is not actively traded and significant other observable inputs are not available. The collective investment trust is valued based upon net asset value, which approximates fair value, and is determined using an income approach by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The following sets forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

#### Note 4 – Plan termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions to ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### Note 5 – Tax status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designated in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and tax exempt.

The Plan administrator believes the Plan is no longer subject to income tax examinations for the years ending prior to 2018.

### Notes to Financial Statements

#### Note 6 – Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$250 up to a maximum of \$50,000 or half their vested interest. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to one percentage point over prime lending rate at time of issue, which was between 5.25% and 7.50% for the year ended December 31, 2021. Principal and interest payments are made weekly over a period generally not to exceed five years, unless for the purchase of a principal residence, which the Plan may permit a longer repayment term.

#### Note 7 – Information prepared and certified by trustee (unaudited)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

### Notes to Financial Statements

#### Note 9 – Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### Note 10 – COVID-19

Since March 2020 the spread of COVID-19 has severely impacted many economies around the globe. In many countries businesses were forced to limit operations for indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global securities markets have also experienced great volatility and uncertainty. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

The Plan has determined that these events are non-adjusting events. Accordingly, the net assets available for benefits and the changes to the net assets available for benefits for the year ended December 31, 2021 have not been adjusted. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of governmental and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the net assets available for benefits and the changes on net assets available for benefits of the Plan in future periods.
