|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Entisys Solutions, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Entisys Solutions, Inc. 401(k) Plan's ability to continue as a going concern for one year from the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Entisys Solutions, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Entisys Solutions, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Entisys Solutions, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Notes to Financial Statements**

December 31, 2021 and 2020

### **Note 1 - Description of plan**

#### **General**

Entisys Solutions, Inc. (the "Company", "Plan Administrator", and "Plan Sponsor") has adopted a non-standardized pre-approved defined contribution plan covering all eligible employees of the Company who are over the age of 18. The Plan was amended and restated effective September 1, 2021, as part of the Cycle 3 restatement required by the IRS.

This description of the Entisys Solutions, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

The Company has appointed the Chief Operating Officer as the Plan Trustee and the Manager of Human Resources to manage the operations and administration of the Plan. The Company has contracted with Mass Mutual Life Insurance Company ("Mass Mutual") to act as the Plan custodian, as well as the third-party administrator to process and maintain the records of participant data and monitor compliance with governmental regulatory requirements. Effective January 1, 2021, Mass Mutual was acquired by Empower Retirement ("Empower").

#### **Contributions**

Each year, participants may elect to defer up to 100% of their pre-tax annual compensation as defined in the Plan Document. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan Document permits Roth 401(k) contributions into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in pooled separate accounts and a stable value investment to its participants. The Company is allowed to make discretionary matching contributions as defined in the Plan Document. The Company's discretionary matching contribution was \$258,786 and \$196,184 for the years ended December 31, 2021 and 2020. Contributions are subject to certain IRS limitations.

#### **Participant accounts**

Each participant's account is credited with the participant's contributions and Company discretionary matching contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### **Vesting**

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions is based on years of continuous service. A participant is 100% vested upon the completion of six years of credited service.

## **Notes to Financial Statements**

December 31, 2021 and 2020

### **Note 1 - Description of plan (continued)**

#### **Notes receivable from participants**

A participant may only have one loan outstanding at any time. Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rate for loans outstanding as of December 31, 2021 ranged from 4.25% to 6.50%, which is commensurate with local prevailing rates as determined by the Plan Sponsor. Loan terms typically range up to five years, or may exceed five years for the purchase of a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions.

#### **Payment of benefits**

Upon reaching the age of 59½ and at the discretion of the participant or upon termination of service due to death, disability, or retirement, a participant or the designated beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Upon termination, if the participant's or beneficiary's vested account balance is \$5,000 or less, the Plan allows the trustee to distribute the vested account balance to an Individual Retirement Account ("IRA") for the participant's benefit. Vested balances of \$1,000 or less will be distributed as a lump-sum amount without the participant's consent.

#### **Forfeited accounts**

Forfeited non-vested accounts may first be used to pay Plan administrative expenses and any remaining amount may be used to reduce future employer contributions under the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts were not significant to the financial statements.

### **Note 2 - Summary of accounting policies**

#### **Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates. Significant estimates used in preparing these financial statements include the fair value of investments in pooled separate accounts and stable value investment, and management's estimate of the allowance for losses on notes receivable from participants.

## **Notes to Financial Statements**

December 31, 2021 and 2020

### **Note 2 - Summary of accounting policies (continued)**

#### **Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

#### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Document.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of the benefit payments to participants and notes receivable from participants are charged directly to participants' accounts and amounted to \$1,818 and \$915 for the years ended December 31, 2021 and 2020, respectively.

The Plan paid Empower an asset-based fee calculated at 44 basis points of Plan assets for the years ended December 31, 2021 and 2020. This includes fees payable to the Plan's investment advisor at 25 basis points, pursuant to a revenue sharing agreement. Total asset-based fees charged were \$63,171 and \$44,793, for the years ended December 31, 2021 and 2020, respectively. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each investment fund and are charged to participant accounts.

#### **Excess contributions payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to contributions for the year ended December 31, 2020. The Plan distributed the 2020 excess contributions to the applicable participant in February 2021.

#### **Subsequent events**

In preparing its financial statements, the Plan has evaluated subsequent events through October 17, 2022, which is the date the financial statements were available to be issued.

## Notes to Financial Statements

December 31, 2021 and 2020

### Note 3 - Certified investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained by management, and agreed to or derived from information certified as complete and accurate by Empower, the custodian of the Plan.

### Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value of the Mass Mutual Guaranteed Interest Account, a stable value investment, is stated at the liquidation value, based on an actuarial formula as defined under the terms of the contract. The fund invests primarily in long-term bonds, mortgage loans, short-term investments and cash, and small positions of common stock, partnership arrangements, and real estate.

No assets were noted at Levels 1 and 2 for the years ended December 31, 2021 and 2020. There have been no changes in the methodologies used at December 31, 2021 and 2020.

There were no transfers into or out of Level 3 investments for the years ended December 31, 2021 and 2020.

The Plan's investments in Separate Investment Accounts (SIAs) are considered pooled separate accounts and are valued at their last reported NAV at the end of the year. The underlying investments in the SIAs consist of bonds, fixed income securities, and mutual funds, which are stated at fair market value. Investments in underlying funds are valued at the NAV per share of each underlying fund on a daily basis. In general, these investments seek maximum total return, consistent with preservation of capital and prudent investment management.

During 2021, rollover contributions of \$342,480 from other plans came from eight active participants and during 2020, rollover contributions of \$384,393 from other plans came from six active participants.

### Note 6 - Related party transactions and party-in-interest transactions

Plan investments in the stable value investment fund and pooled separate accounts were managed by Empower for the years ended December 31, 2021 and 2020. Empower is the custodian and the third-party administrator, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Refer to **Note 2 - Expenses** for expenses of the Plan paid by the Plan Sponsor and the Plan participants to the various parties-in-interest. Amounts paid under a revenue sharing arrangement are also discussed at **Note 2 - Expenses**. All these transactions are considered party-in-interest transactions under ERISA regulations but are permitted under the provisions of the Plan and are specifically exempt from the prohibition of parties-in-interest transactions under ERISA.

### Note 7 - Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## Notes to Financial Statements

December 31, 2021 and 2020

### Note 8 - Tax status

The Internal Revenue Service has informed the third-party administrator by letter dated June 30, 2020 that the volume submitter defined contribution plan adopted by the Plan Sponsor is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan's third-party administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date and through the date of issuance of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position not likely to be sustained upon examination by taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

### Note 9 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Domestic and international economies currently face uncertainty related to the impact of the COVID-19 pandemic. The impact of COVID-19 on the Plan may result in significant reductions in values to many investments of the Plan. The long-term impact of the effects of the COVID-19 pandemic to the Plan and Plan sponsor as well as any relief from regulatory authorities are currently not known and therefore, the extent of the impact of the COVID-19 pandemic on the Plan's participant account balances and the net assets available for benefits cannot be reasonably estimated at this time.
