To the Board of Directors and Participants
Menominee Tribal Retirement and 401(k) Savings Plan
Neopit, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Menominee Tribal Retirement and 401(k) Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Menominee Tribal Retirement and 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Menominee Tribal Retirement and 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Menominee Tribal Retirement and 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Menominee Tribal Retirement and 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Menominee Tribal Retirement and 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2021 and 2020

Note 1 - Description of Plan

The following brief description of Menominee Tribal Retirement and 401(k) Savings Plan (Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a voluntary, defined contribution plan established by Menominee Tribal Enterprises (Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Substantially all employees, as defined in the plan document, who have completed at least 6 months of service and are age 21 or older are eligible to participate in the plan. Upon enrollment in the plan, a participant may direct company and participant contributions to any combination of available investment options offered by the Plan. The Investment Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participant contributions can be made in the form of pretax contributions or after-tax Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Plan includes an auto enrollment feature whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or make an alternative deferral rate election. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. In addition, the Plan permits Company discretionary matching contributions, as determined by the Company's board of directors. The Company discretionary matching contribution was 100% of participant contributions up to 4% of the participant's eligible compensation for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts and Rollovers

Each participant's account is credited with the participant's contributions, rollover contributions, Company contributions, and an allocation of plan earnings thereon (net of administrative expenses). Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's eligible compensation, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

Vesting

Participants are immediately vested in their participant and rollover contributions plus earnings thereon. Company discretionary matching contributions and earnings thereon vest based on years of service as defined in the plan document. A participant is 100% vested in Company discretionary matching contributions and related earnings following three years of service. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the plan document, are considered 100% vested.

Payment of Benefits

On termination of service due to death, total disability or retirement, participants or their beneficiaries are entitled to receive the entire amount credited to their account as of that date. The Plan provides for normal retirement at age 65. Participants may take an in-service withdrawal upon reaching the age of 59-1/2 provided they are 100% vested in the Plan. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the plan document.

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2021 and 2020

Note 1 - Description of Plan (Continued)

Payment of Benefits (Continued)

Participants whose employment with the Company is terminated before retirement for any reason other than death or total disability shall be entitled to the total of the vested balance in their accounts.

Any amount payable under the Plan because of retirement, death, total disability, or termination is to be paid to the participant or beneficiary using one of several available benefit distribution methods. If a participant's account balance is less than \$5,000 prior to the time distributions are to commence, a lump-sum distribution will be made.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act allows individuals impacted by COVID-19 to withdraw up to \$100,000 from the Plan with certain tax exemptions. If a participant is under the age of 59½, they had access to retirement funds without the normal 10% pre-retirement distribution penalty and the distributions were exempt from the mandatory Federal withholding of 20%. A participant also had up to three years to recontribute any portion of that distribution into a retirement account. The recontributed amounts could be made in a single rollover or multiple rollovers during the three-year period. The distributions must have been made in 2020 and applied to distributions taken as early as January 1, 2020.

Forfeited Accounts

Plan forfeitures arise as a result of participants who terminate service from the Company before becoming 100% vested in the Company's discretionary matching contributions and related earnings. As of December 31, 2020, forfeited nonvested accounts totaled \$3,439. There was no balance as of December 31, 2021. Forfeited nonvested accounts are used to reduce future Company discretionary matching contributions. For the years ended December 31, 2021 and 2020, Company discretionary matching contributions were reduced by \$21,435 and \$10,292, respectively, from forfeited nonvested accounts.

Administration

The Company is the administrator of the Plan and has appointed Standard Insurance Company as custodian and recordkeeper. The custodian is responsible for investing and safekeeping all of the assets of the Plan.

Note 2 - Summary of Significant Accounting Policies

This summary of significant accounting policies of Menominee Tribal Retirement and 401(k) Savings Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the plan committee who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the plan committee to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Plan for investment management and other administrative services are included under administrative expenses on the statements of changes in net assets available for benefits. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 - Income Taxes

The Company adopted a volume submitter plan offered by the custodian. The volume submitter plan received an opinion letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan committee believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 - Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described on the following page:

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 4 - Fair Value Measurements (Continued)

- Level 1 Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2 Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Pooled Separate Accounts: Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although they are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021		
	Level 1	Level 2	Level 3

Notes to Financial Statements
December 31, 2021 and 2020

Note 5 - Related Party and Party in Interest Transactions

Certain Plan investments are managed by the custodian of the Plan and; therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan to Standard Insurance Company for administrative services amounted to \$21,485 and \$22,985 for the years ended December 31, 2021 and 2020, respectively, and are included under administrative expenses on the statements of changes in net assets available for benefits. Additional investment fees paid to the custodian are included in net appreciation in the fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Certain administrative features of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Standard Insurance Company provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Standard Insurance Company. Standard Insurance Company receives revenue from mutual fund service providers for services Standard Insurance Company provides to the funds. This revenue is used to offset certain amounts owed to Standard Insurance Company for its administrative services to the Plan.

If the revenue received by Standard Insurance Company from such mutual fund service providers exceeds the amount owed under the MSA, Standard Insurance Company remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During 2021 and 2020, there were no excess amounts. The Plan or Company may make a payment to Standard Insurance Company for administrative expenses not covered by revenue sharing.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company discretionary matching contributions and related earnings.

Note 7 - Information Certified by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company (the custodian of the Plan).

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2021 and 2020

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities through pooled separate accounts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Subsequent to year end The Plan terminated their agreement with Standard Insurance Company and have contracted with Fidelity for maintenance of their plan and related assets.
