Independent Auditor's Report

To the Administrative Committee and Participants of
Dinsdale Financial Institutions 401(k) Profit Sharing Plan
Central City, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Dinsdale Financial Institutions 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Dinsdale Financial Institutions 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of the Dinsdale Financial Institutions 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all eligible employees of the following entities (collectively known as the Company):

Pinnacle Agency, LLC	Hi-Gain Feedlot, Inc.
Pinnacle Bancorp, Inc.	JSD Holdings, Inc.
Pinnacle Bank KMN	Bank of Colorado
Pinnacle Bank-Wyoming	D&D West, LLC**
Pinnacle Bank Texas	D&D Feeding Company (Gothenburg, Nebraska)
Performance Plus Liquids, Inc.	Wiggins Farm LLC
Performance Plus Trucking, LLC	The Rose of Snowville, LLC
Performance Plus	Performance Plus Outdoors, LLC
PFS Insurance Group, LLC	Big & J Industries, LLC
Dinsdale Bros., Inc.	Gro-Rite Minerals, LLC
Dinsdale Express, LLC	Pacific Edge Land & Cattle, LLC
Four Seasons Ag, Inc.	4 Leaf Enterprises, LLC*

*Effective December 31, 2020 4 Leaf Enterprises, LLC withdrew as a Participating Employer of the Plan and thereupon discontinued all contributions to the Plan. Management has determined this did not constitute a partial plan termination.

**Effective March 31, 2022 D&D West, LLC withdrew as a Participating Employer of the Plan and thereupon discontinued all contributions to the Plan. Management has determined this did not constitute a partial plan termination.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Administrative Committee (the Committee) comprising persons appointed by the Company. The Plan's trustee is Mid Atlantic Trust Company (Trustee).

B. Eligibility

Employees are eligible to participate in the Plan and make salary deferral contributions to the Plan if they have completed at least 250 hours of service in a three month period and have attained age 18. Certain classes of employees are not eligible to participate. Employees who make salary deferral contributions to the Plan are eligible to receive safe harbor matching contributions made by the Company. Employees who satisfy the Plan's eligibility requirements for salary deferral contributions and safe harbor matching contributions may become participants on the first day of the quarter following the completion of the eligibility requirements.

Eligible participants for the discretionary profit sharing contributions are defined as those employees who have completed one year of service (1,000 hours) and did not terminate employment with the Company as of the last day of the Plan year. Employees who satisfy the Plan's eligibility requirements for discretionary profit sharing contributions may become participants on the first day of the quarter during which the participant completes the eligibility requirements.

C. Contributions

Contributions made to the Plan are as follows:

Participant Contributions - Each year, participants may elect to contribute up to 100% of their annual compensation in connection with the 401(k) provisions of the Plan up to the maximum amount allowed by law. The Plan allows for both pre-tax elective salary deferrals and Roth elective salary deferrals. Participants may change their elective deferral percentages quarterly.

Dinsdale Financial Institutions 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

Participants who have reached 50 years of age or who are reemployed after qualified military leave are allowed to make additional contributions up to the maximum amount allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect a different deferral rate or not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation.

Company Contributions - The Company contributes a non-elective safe harbor match equal to 100% of the deferral contributions up to 4% of the participant's compensation. Additionally, the Company may also determine a profit sharing contribution equal to a discretionary percentage of all eligible participants' compensation. The profit sharing contribution was 1% for the 2021 Plan year.

D. Participant Accounts

Each participant's account is credited with the participant's contributions (including rollovers) and the Company's safe harbor matching contributions, and allocations of (a) Plan earnings (losses) on participant and Company contributions, (b) the Company's profit sharing contributions, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment election percentages quarterly.

E. Vesting

Participants are immediately and fully vested in their salary reduction contributions, rollover contributions, Company safe harbor matching contributions and actual earnings thereon. Vesting in the Company's profit sharing contributions and actual earnings thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one	0%
One but less than two	25%
Two but less than three	45%
Three but less than four	60%
Four but less than five	70%
Five but less than six	80%
Six or more	100%

F. Payment of Benefits

Payment of the participant's account at retirement, death, disability or termination is the amount equal to the participant's vested interest in his or her account paid out in the form of either a lump-sum payment or annual installments over a period of not more than the participant's assumed life expectancy. Terminated participants with a vested balance less than \$1,000 automatically receive a lump-sum distribution, unless a rollover election has been initiated. Hardship withdrawals for qualifying expenses are permitted by the Plan.

Effective August 1, 2020, the Plan adopted distribution provisions under the Coronavirus Aid, Relief, and Economic Security (CARES) Act allowing qualified individuals to receive coronavirus-related distributions in an aggregate amount up to \$100,000 from the participant's account in the Plan. Coronavirus-related distributions could be taken up to December 31, 2020 and may be repaid within three years of the date of distribution. The amendment also temporarily waived required minimum distributions for the 2020 calendar year.

G. Forfeited Accounts

Forfeitures are first used to pay administrative expenses of the Plan. Any remaining amounts may be used to reduce the Company's contribution. At December 31, 2021 and 2020, the forfeiture balance was \$36,179 and \$1,954, respectively. Forfeited nonvested accounts in the amount of \$114,171 were used to pay Plan expenses in 2021.

H. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Note terms range from one to five years or longer for the purchase of a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions. At December 31, 2021 interest rates ranged from 3.25% to 5.50% and the notes mature between January 2022 and November 2031.

(2) Summary of Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

E. Payment of Benefits

Benefit payments to participants are recorded when paid.

F. Administrative Expenses

Plan fees and expenses, including fees and expenses connected with providing administrative services by external service providers, are paid from Plan assets. Certain administrative fees are paid by the Company. Expenses paid by the Company are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. During 2021, \$1,661 of administrative expenses and fees were paid for through the use of investment rebates made available to the Plan.

Notes to Financial Statements December 31, 2021 and 2020

G. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

(3) Information Certified by the Trustee

The following is a summary of the Plan's information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the Trustee as of December 31, 2021 and 2020 and for the year ended December 31, 2021, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule.

The Trustee certified to the completeness and accuracy of \$314,960,178 and \$274,381,642 of investments; \$518,467 and \$610,811 of cash; and \$671,042 and \$716,482 of notes receivable from participants for 2021 and 2020, respectively. In addition, the Trustee certified to the completeness and accuracy of \$37,089,486 of net appreciation in fair value of investments (including realized gains and losses on investments, as well as unrealized gains and losses on investments held during the year), \$3,368,979 of interest and dividends from investments, and \$28,094 of interest income on notes receivable from participants for the year ended December 31, 2021.

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Dinsdale Financial Institutions 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Cash, interest-bearing: Valued at carrying value, which approximates fair value, based on the amount of net contributions plus any investment earnings allocated to the account.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Cash, interest-bearing	\$ 22,945,338	--	--	22,945,338
Mutual funds	292,014,840	--	--	292,014,840
Total investments at fair value	<u>\$ 314,960,178</u>	<u>--</u>	<u>--</u>	<u>314,960,178</u>

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Cash, interest-bearing	\$ 26,446,375	--	--	26,446,375
Mutual funds	247,935,267	--	--	247,935,267
Total investments at fair value	<u>\$ 274,381,642</u>	<u>--</u>	<u>--</u>	<u>274,381,642</u>

(5) Plan Termination

While the Company has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time, subject to the provisions set forth in ERISA. Should the Plan be terminated at some future time, all participants become 100% vested in benefits earned as of the termination date. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

(6) Tax Status

The Internal Revenue Service has determined and informed the Committee by letter dated June 5, 2013 that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Committee believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Party-in-Interest Transactions

Fees paid by the Plan for services provided by parties-in-interest amounted to \$276,368 for the year ended December 31, 2021.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in value in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

(9) Subsequent Event

Effective May 27, 2022, the Plan added collective investment trusts (CIT) as an available investment option for participants. Approximately 35% of assets held in mutual funds by the Plan were sold and reinvested in a CIT.
