INDEPENDENT AUDITORS' REPORT

To the Investment Committee of
Masergy Communications, Inc 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Masergy Communications, Inc 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 – modified cash basis, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Plan management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section -

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting; and
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of a Matter — Basis of Accounting

We draw attention to Note 2 of the financial statements which describe the basis of accounting. The financial statements and supplemental information are prepared on the modified cash basis of accounting, which is a basis of accounting other than GAAP. Our opinion is not modified with respect to that matter.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect plan management's responsibility for the financial statements.

In preparing the financial statements, plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Plan management is responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with the modified basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Information Required by ERISA

The supplemental information as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MASERGY COMMUNICATIONS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
MODIFIED CASH BASIS
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of the Masergy Communications, Inc. 401(k) Plan (the “Plan”) provides general information about the Plan’s provisions. Masergy Communications, Inc. (the “Company”) is the Plan sponsor. Participants should refer to the original Plan document, as amended, and Summary Plan Description for a more complete description of the Plan’s provisions.

Plan Merger

In August of 2021, the Company’s parent Company, MAS Group Holdings, LLC entered into an Agreement and Plan of Merger (“Merger Agreement”) with MAS Group Holdings, LLC, Comcast Business Communications, LLC, CBC Sub I, LLC and BSR LLC. In connection with the Merger Agreement, the Company has represented that the Plan will merge with the Comcast Corporation Retirement Investment Plan effective March 15, 2022 and eligible participants will be able to participate in the plan if they remain actively employed.

Effective by amendment December 31, 2021, Plan management agreed to freeze contributions to the Plan in preparation for the merger. As a frozen plan, the employer will not make any contributions with respect to plan compensation earned after such date, and no participant will be permitted to make any contributions to the Plan after such date. In addition, no employee will become a participant after the date the Plan is frozen.

Restatement and Amendment

The Plan was restated effective January 1, 2021 (“Cycle 3”) and reflects all legislative and regulatory changes that were a result of the 2019 hardship distribution regulations, the 2019 Setting Up Every Community Up for Retirement Enhancement (“SECURE”) Act and the 2020 Coronavirus Aid, Relief and Economic Security (“CARES”) Act. In addition, the Plan was amended to change all references from PDS Premier Volume Submitter 401k Savings Plan to its successor, T. Rowe Price Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan (the TRPRS Pre-Approved DC Plan). The TRPRS Pre-Approved DC Plan has received an opinion letter from the Internal Revenue Service (“IRS”) dated August 19, 2020 stating that the form of the Plan is qualified under Section 401(a) of the IRC and therefore, the related trust is tax-exempt.

Effective by amendment December 1, 2021, the Plan no longer permits loans. The Plan will continue to monitor all outstanding loans prior to the amendment date but will no longer permit new loans to be made to participants.

General

The Plan is a defined contribution plan established under the provisions of Section 401(a) of the Internal Revenue Code (“IRC”), for the benefit of eligible employees of the Company. Under the Plan, all employees of the Company, age 21 or older, are eligible to participate in the Plan following 30 days of eligibility service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Plan Administration

The Investment Committee, appointed by the board of directors of the Company, is the administrator of the Plan and provides oversight of the Plan for the Company. T. Rowe Price Trust Company (“TRPTC”) (a wholly owned subsidiary of T. Rowe Price Associates, Inc. which is a wholly owned subsidiary of T. Rowe Price Group, Inc.) serves as the trustee of the Plan and T. Rowe Price Retirement Plan Services, Inc. serves as the Plan’s recordkeeper.

Contributions

Participants may contribute up to 75 percent of annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions can be pretax, Roth and/or after-tax contributions. The Plan includes an autoenrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at five percent of eligible compensation and their contributions invested in the default investment option designated by the Investment Committee until modified by the participant. Automatically enrolled participants' elective deferral rates will be increased by one percent of compensation each year on January 1st until the participants' deferrals reach ten percent, unless the participant elects otherwise.

Participants may also contribute amounts representing distributions from other qualified plans (rollover) that are fully vested at all times including the earnings thereon.

The Company matches 40 percent of participant contributions up to the first eight percent of employee compensation deferred (as defined) or a maximum Company match of 3.20 percent of employee compensation (as defined). Additional non-elective amounts may be contributed at the option of the Company to the Plan.

Participant and Company contributions are subject to certain limitations under Section 401(g) and Section 415 of the IRC. Participants may direct their contributions and Company matching contributions and Company nonelective contributions into any of the investment fund options offered by the Plan.

Income earned on participants' pre-tax contributions and the Company's contributions to the Plan is not taxable for federal or state income tax purposes until withdrawn from the Plan. Income earned on participants' Roth 401(k) contributions is not taxable if distributed in a qualified distribution. A participant's Roth 401(k) withdrawal is considered a qualified distribution if five taxable years have passed since a participant's first contribution and the withdrawal is attributable to the participant's attainment of age 59 ½, disability or death.

Participant Accounts

An individual account is maintained for each of the Plan's participants to reflect the participant's contributions as well as allocations of the Company's contributions, as defined, and an allocation of the Plan's earnings and any related administrative expenses based on the participant's share of net earnings or losses of their respective investment options and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their contributions and rollover accounts at all times plus actual earnings thereon. Participants are vested in Company contributions on a graduated basis based on years of continuous service, becoming fully vested after three years of service.

Notes Receivable from Participants

A participant may borrow from their participant account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, or if lower, \$50,000 minus the difference between the highest outstanding loan balance in the previous 12 months and the current outstanding loan balance. The maximum number of loans outstanding at a time is one, with a seven-day period between payoff of a loan and a new loan. The loans are secured by the balance in the participant's account. Loans are repayable over periods ranging up to 60 months unless the loan qualifies as a home loan. The interest rate is based on the prime interest rate, as defined, at the time the loan is made plus one percent and is fixed over the life of the loan. Principal and interest are paid ratably through payroll deductions. As of December 1, 2021 new loans are no longer permitted.

Payment of Benefits

On termination of service due to death or disability, retirement, or termination of employment for other reasons, a participant or their beneficiary may elect to receive an amount equal to the participant's vested interest in his or her account in a lump sum amount. If the account balance is \$5,000 or less, a distribution will be made in a lump sum following the end of employment unless the participant elects a direct rollover of such account balance. If the amount to be distributed exceeds \$5,000 and the participant does not request a distribution, the participant's account shall remain in the Plan and may be withdrawn or distributed at the participant's request or as minimum required distributions beginning when the participant attains age 72. Under certain hardship conditions, as defined in the Plan document, participants may elect to withdraw a portion of their account balance at any time during the Plan year. Additionally, participants who have reached age 59 ½ have the option of withdrawing all or part of their vested account balance at any time.

Under the CARES Act beginning April 8, 2020, Plan participants could request coronavirus-related distributions before December 31, 2020 to qualified individuals, as defined in the CARES Act, for a maximum distribution of the lesser of the vested portion of the participant's account balance in the Plan or \$100,000. In addition, for active employees, a coronavirus-related distribution could be repaid at any time during a three-year period beginning on the day after the date on which the distribution was received.

Forfeited Accounts

Upon termination of employment, participants forfeit their nonvested balances. At December 31, 2021 and 2020, forfeited nonvested accounts (and other unallocated accounts excluding administrative unallocated accounts described below) totaled \$60,508 and \$73,028, respectively. The Company has discretion in the allocation of forfeitures to reduce administrative expenses and/or reduce the Company match or additional discretionary contributions. These amounts will be used to reduce future employer contributions and/or to pay administrative expenses. In 2021, employer contributions were reduced by \$93,448 from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). The modified cash basis of accounting differs from the accrual basis of accounting under U.S. GAAP in that contributions are recognized when received instead of when earned.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Contributions

Participant contributions are recorded when the Company makes payroll deductions from eligible Plan participant's compensation. Company contributions are recorded when paid into the Plan by the Company. Contributions are funded to the Plan on or following the payroll payment date.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Plan's administrative expenses are paid by either the Company (and are excluded from these financial statements) or are paid by the Plan from the Plan's forfeiture account, paid from other administrative credits received from TRPRS or allocated pro-rata to participant's accounts as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping, trustee and custodian fees. Fees related to the administration of notes receivable from participants or distributions are charged directly to the participant's account and are included in administrative expenses. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Investment related expenses are included in net appreciation of fair value of investments. In 2021, the Plan received \$44,197 in administrative credits from TRPRS (included in other income in the Statement of Changes in Net Assets) and paid out \$50,000 in direct Plan administrative expenses to Lockton Financial Advisors, LLC. The plan also paid out \$600 in consulting services for the 2021 plan year. In addition, the Plan participants paid transactional fees of \$5,169 to TRPRS (total administrative fees paid of \$55,769).

Concentrations

The following table presents investments that represent ten percent or more of the Plan's net assets available for benefits as of December 31, 2021 and 2020:

	2021	2020
T. Rowe Price Retirement 2035 Fund	\$ 10,690,697	\$ 9,181,499
T. Rowe Price Retirement 2040 Fund	\$ 7,891,483	\$ 6,797,174
T. Rowe Price Retirement 2030 Fund	\$ 7,070,552	\$ 5,807,111

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The custodian certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	2021	2020
Investments at fair value	\$ 58,816,662	\$ 48,760,815
Notes receivable from participants	\$ 656,060	\$ 698,496
Net appreciation in fair value of investments	\$ 3,487,718	
Interest and dividends	\$ 3,878,383	
Interest on notes receivable from participants	\$ 36,605	
Other income	\$ 45,336	

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds and money market funds: valued at fair value at the daily closing price as reported by the fund, which represent the net asset values (NAV) of the shares held by the Plan. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: valued at fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund (see Note 5).

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2021 and 2020 with the exception of the common trust funds measured at fair value using the NAV practical expedient. The fair value for the common trust funds is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 57,180,747	\$ -	\$ -	\$ 57,180,747
Total investments in fair value hierarchy	57,180,747	-	-	57,180,747
Investments measured at NAV	-	-	-	1,635,915
Total investments at fair value	<u>\$ 57,180,747</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 58,816,662</u>

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 46,523,608	\$ -	\$ -	\$ 46,523,608
Total investments in fair value hierarchy	46,523,608	-	-	-
Investments measured at NAV	-	-	-	2,237,207
Total investments at fair value	<u>\$ 46,523,608</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 48,760,815</u>

5. COMMON COLLECTIVE TRUST

The Plan invests in the T. Rowe Price Stable Value Common Trust Fund ("SVCTF") that is operated by TRPTC in accordance with the terms, conditions and limitations as defined in a Declaration of Trust. Trust units are issued and redeemed only on a valuation date and at the net asset value per unit computed on that date. The investment objective of the SVCTF is to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawals at contract value for certain events without penalty or adjustment.

The SVCTF invests primarily in guaranteed investment contracts and structured or synthetic investment contracts ("SICs") as well as the securities supporting the SICs (underlying assets) and separate account contracts and other similar instruments issued by insurance companies and banks that are intended to maintain a constant NAV. The SVCTF is valued at the NAV unit computed at the close of the New York Stock Exchange ("NYSE") each day the NYSE is open for business (valuation date). The SVCTF's underlying financial instruments and other assets are valued in accordance with the Declaration of Trust, which provides that all assets are valued at fair value as determined by TRPTC, except for certain investment contracts, which generally are valued at contract value to the extent permitted under U.S. GAAP. Accordingly, the SVCTF's NAV, used to price participant transactions, may include underlying financial instruments computed on a contract value basis as permitted (original cost-plus accrued income and deposits minus withdrawals).

Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the plan. Under the terms of the Declaration of Trust, the plan is required to provide either twelve or thirty months advance written notice to the trustee prior to redemption of trust units; the notice period may be shortened or waived by the trustee in its sole discretion.

The existence of certain conditions can limit the trust's ability to transact at contract value with the issuers of its investment contracts such as for example, partial or complete legal termination of the trust or unit holder, tax disqualification of the trust or a unit holder and certain trust amendments if the issuers' consent is not obtained. As of December 31, 2021, these events are not considered probable. In addition, the issuers of

investment contracts have certain rights to terminate a contract and settle at an amount that differs from contract value such as for example, certain breaches by the trust of its obligations, representations, or warranties under the terms of an investment contract can result in its termination at market value, which may differ from contract value.

6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by T. Rowe Price Trust Company, the custodian and a directed trustee of the Plan. These transactions qualify as party in interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for these services are included in administrative expenses.

T. Rowe Price Retirement Plan Services, Inc. ("TRPRS") is the record-keeper as defined by the plan document and, therefore, these transactions qualify as party in interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments. Fees incurred by the Plan for recordkeeping services are included in administrative expenses.

Investment related services are provided by Lockton Financial Advisors ("Lockton"). Lockton is the investment advisor of the Plan and, therefore, these transactions qualify as a party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for these services are included in administrative expenses.

7. PLAN TERMINATION

The Company has the right to terminate the Plan for any reason subject to the provisions of ERISA. If the Plan is terminated, each participant will receive, as prescribed by ERISA and its related regulations and in the form and manner determined by the Plan's management, a payment equal to the value of the participant's account balance at the time of liquidation and participants would become 100 percent vested in any unvested employer contributions.

8. TAX STATUS

Plan management adopted a prototype plan offered by the custodian. The IRS has determined and informed the custodian by a letter dated August 9, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC").

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan, disclose within the footnotes to the financials any potential impact to the Plan, and recognize a tax liability at the Company level if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

As stated previously, the Plan merged with the Comcast Corporation Retirement Investment Plan effective March 15, 2022 and eligible participants will be able to participate in the plan if they remain actively employed.
