INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
ZXP Technologies 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of ZXP Technologies 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant

Member of PKF International Limited,
a network of legally independent firms.

ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ZXP Technologies 401(k) Plan

Notes to Financial Statements

December 31, 2021

Note 1 - Description of the PlanGeneral

The following description of the ZXP Technologies 401(k) Plan (the "Plan"), formerly the ZXP Technologies, Ltd. 401(k) Plan, provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering substantially all employees of ZXP Technologies LLC (the "Company" or "Employer"). The Plan, effective January 1, 2011, was amended and restated effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan custodian, record keeper, and third-party administrator

Ascensus Trust Company ("Ascensus") is the Plan's investment custodian for the Plan's participant-directed accounts. The Vanguard Group, Inc., a service provider to Ascensus, serves as the record keeper and agent for Nova 401(k) Associates, the third-party plan administrator.

Eligibility

Employees who have attained age 18 and who have completed 90 days of service, except for those who are nonresident aliens, are eligible to participate in the Plan. Enrollment for eligible employees begins the date eligibility requirements are met.

Contributions

Participants may elect to contribute up to 90% of their eligible compensation on a pre-tax basis to the Plan, up to the maximum limit allowed by the Internal Revenue Code (the "IRC"). Participants may also designate all or a portion of their elective deferrals as Roth elective deferrals. Eligible participants may also make catch up contributions upon attaining 50 years of age, as defined by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan provides for a mandatory safe harbor Employer contribution on behalf of each participant in the amount equal to 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's eligible compensation for the Plan year, plus 50% of the participant's elective deferrals that exceed 3% of the participant's eligible compensation, not to exceed 5% of the participant's compensation.

The Company may, but did not, make any additional discretionary profit sharing contributions during 2021 or 2020.

Participant accounts

Each participant's account is credited with the participant's contribution, rollover contribution, the Employer's contribution, and allocation of Plan earnings and losses and expenses. Allocations are based on participant compensation and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes to Financial Statements

December 31, 2021

Note 1 - Description of the Plan (Continued)Investment options

Upon enrollment in the Plan, participants may direct their contributions into any of the investment options offered by the Plan. Participants can change their investment allocation among the various investment options either through direct transfer from one option to another or by changing the percentage allocation of future contributions.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions and the Company's safe harbor contributions made to the Plan and actual earnings.

The vesting schedule for the Company's discretionary profit sharing contribution is a six year graded vesting schedule, starting after two years of completed service, and is fully vested after six years of credited service, attainment of the retirement age of 65, death or total disability.

<u>Year(s) of Service</u>	<u>Percent Vested</u>
0-1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more	100%

Forfeitures

Forfeitures result from non-vested Company contributions remaining in the Plan from terminated participants. Forfeitures, if any, may be used at the discretion of the Plan administrator to pay Plan expenses or to reduce future employer contributions. As of December 31, 2021 and 2020, no forfeitures were available, or utilized, in accordance with Plan provisions.

Benefit payments

Participants are eligible for distributions of their vested account balances upon the event of death, disability, hardship, retirement, or termination of employment.

The Plan provides for mandatory distribution in a single lump sum payment if the value of the participant's account balance is less than \$1,000. If the participant's account balance is between \$1,000 and \$5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant by the Plan administrator. Any taxable distribution paid directly to the participant will be subject to mandatory federal income tax withholding of 20% of the requested distribution.

Note 1 - Description of the Plan (Continued)Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding note balance during the prior twelve-month period. A participant may have no more than two notes outstanding at any given time. Notes from participants are secured by the participant's vested account balance and bear interest at a reasonable rate of interest. All notes require that repayment be amortized in level payments over a period not extending beyond five years from the date of the note unless the note is for the purchase of a principal residence.

Administrative expenses

All administrative expenses, unless paid by the Company, are paid by the Plan.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2 - Summary of Significant Accounting PoliciesBasis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

ZXP Technologies 401(k) Plan

Notes to Financial Statements

December 31, 2021

Note 2 - Summary of Significant Accounting Policies (Continued)Investment valuation and income recognition (continued)

Unrealized appreciation or depreciation in the fair value of investments held at year end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year. The realized gain or loss on the sale of investments is determined using historical cost. Upon the sale of an investment, the current year unrealized appreciation or depreciation is adjusted for unrealized gains and losses recognized in prior years. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the statements of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Delinquent notes receivable from participants are recorded as distributions, based upon terms of the *Plan Document*, upon liquidation of their account balance.

Benefit payments

Benefit payments to participants are recorded upon distribution.

Financial instruments and credit risk

Financial instruments which potentially subject the Plan to credit risk include investments in mutual funds and a money market fund. Investments are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes will occur in the near term, and those changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan participants bear the risk of any investment losses.

Note 3 - Fair Value Measurements

The Plan uses a three-level hierarchy for grouping assets and liabilities, based on the significance of inputs. The hierarchy of fair value measurements is described below:

- Level 1 – quoted prices in active markets for identical assets or liabilities;
- Level 2 – inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of these assets or liabilities; or
- Level 3 – unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

ZXP Technologies 401(k) Plan

Notes to Financial Statements

December 31, 2021

Note 3 - Fair Value Measurements (Continued)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Money market fund and mutual funds – these investments are valued daily at the net asset value of shares or units held by the Plan based on the quoted market value of the underlying assets. The money market fund and mutual funds are valued at Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation methods are considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Income Tax Status

The Company adopted a volume submitter plan which obtained its latest advisory letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter, however, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Information Certified by the Custodian

For Plan years 2021 and 2020, the financial information included in the Plan's financial statements and supplemental schedule, except for contributions receivable, contributions, benefits paid to participants, and administrative expenses, has been derived from information certified as complete and accurate by the custodian, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 6 - Party-in-Interest

Certain plan investments are managed by the custodian and therefore, these transactions qualify as party-in-interest transactions.

Note 7 - Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 5,350,060	\$ 5,565,417
Other	<u>1,159</u>	<u>(733)</u>
Net assets available for benefits per Form 5550	<u>\$ 5,351,219</u>	<u>\$ 5,564,684</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to net income (loss) per Form 5500 for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net increase (decrease) in net assets available for benefits per the financial statements	\$ (215,357)	\$ 1,063,601
Other	<u>1,892</u>	<u>1,059</u>
Net income (loss) per Form 5500	<u>\$ (213,465)</u>	<u>\$ 1,064,660</u>

Note 8 - Uncertainty

The Company is currently researching certain employer contributions that were not funded in accordance with Plan provisions. The Plan administrator intends to correct any related instances of non-compliance with the Plan Document. Further, the Company believes that the extent and nature of the contributions to be corrected will not adversely affect the operations of the Plan or have a material adverse effect on the financial statements of the Plan.

Note 9 - Subsequent Events

Management has evaluated subsequent events through October 17, 2022, which was the date that the financial statements were available to be issued, and has determined that there are no additional subsequent events to be reported.
