INDEPENDENT AUDITOR'S REPORT

October 17, 2022

To the Participants and Plan Administrator of the
Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the financial statements of the Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental Schedule of Assets (Held at End of Year) and supplemental Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements
We were engaged to audit the 2020 financial statements of Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Riccelli Enterprises, Inc. 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of all full-time employees of Riccelli Enterprises, Inc. and Affiliates (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company sponsors the Plan and is responsible for the general administration of the Plan and carrying out its provisions. Effective April 7, 2020, Voya Retirement Insurance and Annuity Company (Voya) serves as the custodian of the Plan's assets. Prior to April 7, 2020, Nationwide Trust Company (Nationwide) served as the custodian of the Plan's assets. Lifetime Benefit Solutions (Lifetime) is the Plan's third-party administrator and provides recordkeeping services for the Plan. Two employees of the Company serve as trustees of the Plan.

Eligibility

Effective June 5, 2020, employees of the Company who are not excluded by being either a non-resident alien or employed under a collective bargaining agreement are eligible to participate in the Plan immediately upon hire. Prior to June 5, 2020, employees of the Company were eligible to participate on the first of the month following the attainment of both twenty-one years of age and three months of service.

Contributions

The Plan allows participants to contribute an amount up to 75% of their eligible compensation. Participants are subject to certain contribution limitations under Section 401(k) and Section 415 of the Internal Revenue Code.

The Company makes discretionary matching contributions on behalf of the Plan's participants. The Company's matching contributions equal to 40% of the first 10% of compensation that a participant contributed to the Plan.

The Company also makes a contribution on behalf of the Plan's participants who perform Prevailing Wage Service. This contribution will be based on the required contribution rates for the employee's classification under the applicable federal, state or municipal wage laws. The Company may make the required contribution without designating the exact amount of such contribution.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts
Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of investment earnings or losses, and is reduced by benefit payments and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants
Participants may borrow up to the lesser of 50% of their vested account balance or $50,000, subject to provisions of the Plan. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect at the time of the loan, plus 1%. Principal and interest are paid ratably through weekly payroll deductions. Participants may not have more than one loan outstanding at a time.

Vesting
Participants are fully vested in their elective deferrals, rollover contributions, and any earnings thereon. Contributions made through the employer vest 20% each year starting with the second year of service and become 100% vested after six years of service.

Administrative Expenses
Administrative expenses include custodial fees, operating expenses, and transaction fees.

Benefit Payments
The Plan provides for benefit payments upon death, disability, or retirement. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a ten-year period. The Plan allows for in-service withdrawals of employee deferrals upon the attainment of age 59 ½. In-service withdrawals of employer contributions is allowable upon the attainment of age 45.

Hardship Withdrawals
Effective July 10, 2020, participants can receive hardship withdrawals from the balance of their elective deferrals, provided that the distribution meets the requirements of the hardship distribution. Prior to July 10, 2020, the Plan did not allow participants to withdraw any part of their account balances as a hardship withdrawal.

Forfeitures
Forfeitures of non-vested account balances are used to reduce employer-matching contributions or to pay plan expenses. Total forfeitures used to reduce employer contributions and pay plan expenses were approximately $30,000 and $0 in 2021 and 2020, respectively. The balance of unallocated forfeited non-vested accounts totaled approximately $31,000 and $28,000 at December 31, 2021 and 2020, respectively. All unallocated forfeitures are invested in the Plan's guaranteed investment contract or money market account.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become fully vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment in its guaranteed investment contract is a fully benefit-responsive investment contract reported at contract value as reported by Voya.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation in fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the note receivable to be in default, the note receivable balance is reduced, and the delinquent note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company. Fees related to the administration of notes receivable from participants and withdrawals are charged directly to the participant's account and are included in administrative expenses. Custodial fees charged by the custodian are charged to administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy
The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement. A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

Benefit Payments
Benefit payments are recorded when paid.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Voya (as of December 31, 2021 and 2020 and for the year ending December 31, 2021 and for the period from April 7, 2020 to December 31, 2020) and Nationwide (for the period from January 1, 2020 April 6, 2020), the custodians, and is included in the financial statements and accompanying schedule:

	2021	2020
Investments, at fair value	$ 7,449,292	$ 7,287,185
Investments, at contract value	$ 229,798	$ 394,194
Investment income	$ 825,170	$ 867,918
Schedule of Assets (Held at End of Year)	Schedule I (except for "notes receivable from participants")	

4. FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at fair value based on the quoted market prices for the underlying assets owned by the pooled separate accounts. The pooled separate accounts invest in a variety of designated mutual funds. The investment objectives of these funds is aligned with the underlying investment of the fund. There are no unfunded commitments or withdrawal restrictions.

Money Market Account: Valued at cost which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31:

	Level 1	Level 2	Level 3	Total
2021:				
Pooled separate accounts	$ -	$ 7,420,688	$ -	$ 7,420,688
Money market account	28,604	-	-	28,604
Total investments, at fair value	$ 28,604	$ 7,420,688	$ -	$ 7,449,292
2020:				
Pooled separate accounts	$ -	$ 7,268,033	$ -	$ 7,268,033
Money market account	19,152	-	-	19,152
Total investments, at fair value	$ 19,152	$ 7,268,033	$ -	$ 7,287,185

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a traditional fully benefit-responsive investment contract with Voya under a guaranteed general account contract. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The contract is included in the financial statements at contract value as reported to the Plan by Voya. Contract value represents contributions made, plus investment income, less funds used to pay retirement benefits and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no events that allow the issuer to terminate the contract, and which require the plan sponsor to settle at an amount different than contract value. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

6. PARTY-IN-INTEREST TRANSACTIONS

Voya is the custodian of the Plan's assets and manages the investments offered by the Plan, starting April 7, 2020. Prior to that date, Nationwide was the custodian of the Plan's assets and managed investment offered by the Plan. Lifetime is the Plan's third-party administrator and provides recordkeeping services for the Plan. As such, transactions between these parties and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

7. INCOME TAX STATUS

Effective June 5, 2020, the prototype plan document under which the Plan operates received a determination letter from the Internal Revenue Service (IRS) dated January 30, 2017 stating that the written form of the underlying prototype plan document was qualified under Section 401 of the Internal Revenue Code (the Code), and that any employer adopting the prototype plan document would be considered to have a plan exempt from taxation under Section 401 of the Code. The Plan has been amended since adopting the provisions of the prototype plan; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Prior to June 5, 2020, the prototype plan document under which the plan operated received a determination letter from the IRS dated March 31, 2014 stating that the written form of the underlying prototype plan document was qualified under Section 401 of the Internal Revenue Code (the Code), and that any employer adopting the prototype plan document would be considered to have a plan exempt from taxation under Section 401 of the Code.

8. RECONCILIATION TO FORM 5500

While net assets available for benefits agree between the financial statements and the Form 5500 as of December 31, 2021 and 2020, and change in net assets available for benefits agree between the financial statements and the Form 5500 for the year ended December 31, 2021 and 2020, certain reclassifications differ between the financial statements and Form 5500.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 17, 2022, which is the date the financial statements were available to be issued.
