Independent Auditor's Report

To the Plan Sponsor of the Akron Summit Community Action, Inc. 403(b) Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Akron Summit Community Action, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Akron Summit Community Action, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Akron Summit Community Action, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Akron Summit Community Action, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Akron Summit Community Action, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 15, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Akron Summit Community Action, Inc. 403(b) Plan
Notes to the Financial Statements
December 31, 2021 and 2020

A. PLAN DESCRIPTION

The following description of Akron Summit Community Action, Inc. (the “Organization” or “Plan Sponsor”) 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General - The original effective date of this tax-sheltered annuity plan was August 1, 1980 and was restated January 1, 2015. The Plan is a combination Annuity Contract Plan (Code §403(b)(1)) which covers substantially all employees of the Organization. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) under DOL Regulation 29CFR 2510.3-2(f).

Effective January 1, 2020, the Plan was restated when it adopted the JULY Business Services (“JULY”) volume submitter plan. The total assets of the Plan of approximately \$9,878,000 were transferred from GWN Securities, Inc. (“GWN”) to Mid-Atlantic Trust Company (“MATC”), a new custodian of the Plan, on July 12, 2020. As part of this restatement, the Plan adopted a volume submitter plan sponsored by JULY, which received an IRS Opinion letter dated March 31, 2017.

Eligibility - Substantially all employees are eligible to participate as of their first day of employment.

Contributions - Participants may voluntarily contribute a minimum of \$200 up to the Internal Revenue Code (“IRC”) 402(g) limit of their compensation on a pre-tax basis. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Additionally, participants with fifteen years of service may make a qualified organization catch-up.

The Plan Sponsor may, at its option, match a portion of participants’ voluntary contributions. For the year ended December 31, 2021, the Plan Sponsor elected to match \$2.52 for each \$1.00 of pre-tax contributions up to 2.5% of each participant’s compensation (a minimum matching contribution of \$47.00 for each pay period, subject to proration based on actual hours worked).

The Plan also permits rollover contributions from other qualified retirement plans.

Effective April 5, 2020, the Plan began permitting post-tax (“Roth”) contributions.

Effective May 3, 2020, eligible employees are automatically enrolled on a pre-tax basis at 2.5% of eligible compensation unless a participant opts out of the program.

Participant Accounts - Each participant’s account is credited with the participant’s deferral contribution, employer matching contribution, investment earnings, and, if applicable, charged an administrative expense. The benefit to which the participant is entitled is their vested balance.

Vesting - Participants are immediately vested in their contributions and the Plan Sponsor’s contributions plus actual earnings thereon. Accordingly, a participant is 100% vested at all times in all accounts.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The note is secured by the balance in the participant’s account. The notes bear interest at a rate determined at the time the note is taken based on prime. Depending upon the investment contract under which the participant’s funds are held, the loan is either between the insurance company and participant or between the Plan and the participant.

Notes to the Financial Statements
December 31, 2021 and 2020

Payment of Benefits - Upon termination of service, retirement, death, age 59½, or disability, the participant may elect to receive his or her account balance as a lump-sum payment, in periodic installments, or as a joint and survivor annuity contract. Participants terminated are entitled to receive their benefits as soon as administratively feasible. Distributions of a participant's 403(b) account balance may be authorized at any time by the Plan Administrator under certain hardship conditions.

Subsequent Events - The Plan has evaluated subsequent events through October 17, 2022, the date that the Plan's annual financial statements were available to be issued.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, or trustees. See Note D for discussion of fair value instruments. Investments were held in group annuity contracts and, accordingly, had both a general account and a separate account.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are estimates of participants' unpaid principal balance when the loan is active and any accrued but unpaid interest when the loan is in offset status. Both loans between the participant and the custodians and loans between the Plan and the participant are included. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments, the Plan Administrator deems the participant loan to be in default and writes off the loan balance as a benefit payment.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses, including third party administrative expenses and direct investment management fees, are paid by the Plan. Fees attributable to loans, distributions, and deferred payouts are paid by the participants. Investment related expenses are included in net appreciation of fair value of investments. All other expenses of maintaining the Plan are paid by the Plan Sponsor.

C. INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan Administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by ReliaStar Life Insurance Company ("VOYA"), Lincoln National Life Insurance Company ("Lincoln"), and Mid-Atlantic Trust company ("MATC"), the custodians of the Plan.

VOYA, Lincoln, and MATC have certified as to the completeness and accuracy of the investments they held (mutual funds, pooled separate accounts, and fixed annuities) and changes in net assets arising from said investment activity, except for the notes receivables from participants, as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

VOYA, Lincoln, and MATC have certified as to the completeness and accuracy of the schedule of assets (held at end of year) as of December 31, 2021, except for the notes receivable from participants.

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") guidance in these financial statements are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Akron Summit Community Action, Inc. 403(b) Plan
Notes to the Financial Statements
December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts - Market values of units held in pooled separate accounts are determined daily by the custodians based upon the initial value assignment, the net asset value ("NAV") of the mutual fund investments, and the applicable investment management and administrative charges, as set forth in the group variable annuity contract.

Annuities - Market values of units held in annuities are determined daily by the custodians based upon the initial value assignment, the net asset value ("NAV") of the investments, and the applicable investment management and administrative charges, as set forth in the annuity contract.

The annuity guarantees are backed by the claims paying ability of the issuer and are valued using current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. The annuities are valued monthly and include interest, which is credited at specified rates over the initial period of the agreements. The annuities are single premium annuity contracts and provide for a minimum interest rate of 1%.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021	
	Level 1	Total

^(a) In accordance with the FASB Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

E. RELATED-PARTY TRANSACTIONS

Certain Plan investments under MATC are managed by MATC and JULY. The transactions involving these investments are allowable party-in-interest transactions under ERISA. Total fees paid to MATC during the year ended December 31, 2021, totaled approximately \$80,000. Total fees paid to JULY during the year ended December 31, 2021, totaled approximately \$31,000.

MATC provided certain administrative services to the Plan pursuant to a Service Agreement ("SA") between the Plan Sponsor and MATC. MATC received revenue from mutual fund service providers for services they provided to the funds. This revenue was used to offset certain amounts owed to MATC for its administrative services to the Plan.

If the revenue received by MATC from such services exceeded the amount owed under the SA, MATC would remit the excess to the Plan's trust on a quarterly basis. During the year ended December 31, 2021 there were no excess amounts related to MATC. The Plan or Plan Sponsor may make a payment to MATC for administrative expenses not covered by revenue sharing.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Notes to the Financial Statements
December 31, 2021 and 2020

G. FEDERAL INCOME TAX

Effective January 1, 2020, the Plan has adopted a volume submitter plan sponsored by July Business Services (“JULY”), which received an IRS Opinion Letter dated March 31, 2017. The Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. PLAN AMENDMENTS

Effective January 1, 2020, the Plan was restated. As part of this restatement, the Plan adopted a volume submitter plan sponsored by JULY, which received an IRS Opinion letter dated March 31, 2017.

As part of the restatement, effective January 1, 2020, the Plan is in compliance with the Bipartisan Budget Act of 2018. As part of this restatement, effective April 5, 2020, the Plan began permitting Roth contributions. Additionally, effective May 3, 2020, eligible employees are automatically enrolled on a pre-tax basis at 2.5% of Plan compensation. As part of this restatement, participants are now permitted to have two outstanding loans from the Plan at any given time.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

The COVID-19 pandemic and other current world events have significantly disrupted financial markets, economies and other events subsequent to December 31, 2021. As noted above, investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
