To the Plan Administrator of
Psychotherapeutic 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Psychotherapeutic 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Psychotherapeutic 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Psychotherapeutic 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Psychotherapeutic 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Psychotherapeutic 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Psychotherapeutic 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Psychotherapeutic 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

PSYCHOTHERAPEUTIC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. THE PLAN

The following description of the Psychotherapeutic 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established for employees of Psychotherapeutic Evaluation Programs, Inc., (the Company or Plan Sponsor). The Plan is administered by management of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees at least age 21 and who have completed 1 year of service are eligible to begin salary deferrals and receive employer discretionary contributions on the first day of each calendar quarter or following completion of the eligibility requirements.

Contributions

Participants may elect to defer a percentage of their eligible pay every pay period. At its discretion, the Company may contribute employer profit sharing contributions to the Plan for each employee that meets the eligibility requirements. This contribution is in proportion to the employee's eligible earnings compared to the eligible earnings of other employees who will also share in the contribution. If the Company decides to make a contribution, it will be allocated to the employees at the end of each Plan year. Employer contributions for the years ended December 31, 2021 and 2020 amounted to \$950,000 and \$840,000, respectively. All new employees eligible to participate in the Plan are automatically enrolled into the Plan at 1% of their eligible pay every pay period.

Vesting

A participant is vested immediately in their contributions plus actual earnings. Vesting of Company profit sharing contributions is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participant Accounts

Each participant's account is credited with the participant's contributions along with an allocation of (a) the Company's contribution, (b) Plan earnings and losses, and (c) administrative expenses. Contributions allocated to an employee's account are invested according to the employee's discretion. The entitled benefit is the participant's account balance subject to vesting.

1. THE PLAN (Continued)

Investment Options

The Plan currently offers investment options through a regulated investment company, including mutual funds and a fully benefit responsive guaranteed investment contract. Participants may change their investment options daily.

Payment of Benefits

If an employee is terminated, the participant's vested benefit can be received in a single lump sum payment or have the payment paid as a "direct rollover" to an individual retirement account or individual retirement annuity or to another employer's qualified tax plan. If the value of the employee's vested account balance is \$5,000 or less on the applicable Valuation Date as provided under the Plan, the Company can cash the employee's entire vested account balance out of the Plan. Otherwise, payments can be made in installments.

On termination of service due to death and disability to age 65 before distribution of the employee's benefits has begun, the employee becomes 100% vested and the vested account balance will be payable in a single lump sum to the participant's beneficiary.

Administrative Expenses

The Plan permits the payment of Plan expenses to be paid by the Company or from the Plan, or both. Any expenses paid by the Plan are paid by Plan participants as a reduction of investment income.

Notes Receivable From Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of the nonforfeitable amount of their account balance. No loans less than \$1,000 will be made. The loans are secured by the balance in the participant's account and bear interest at WSJ Prime rate plus 1 point. Principal and interest is paid in substantially equal payments over the life of the loan through payroll deductions. The loan in its entirety must be repaid within 5 years of the date the loan proceeds are received, unless used to acquire the principal residence.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts of assets available for Plan benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Forfeitures

Participants who terminate employment before they vest will forfeit their interest in employer contribution accounts. These accounts will be held in the Plan to meet any obligations to pay plan expenses if the employer elects not to pay such expenses directly. The forfeiture balance approximated \$92,000 and \$66,000 at December 31, 2021 and 2020, respectively. During 2021 and 2020, \$12,350 and \$13,480 of forfeitures were used to pay plan expenses, respectively.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for fully benefit responsive guaranteed investment contracts, which are stated at contract value. Changes in the current value of investments, including realized/unrealized gains and losses on assets sold/held during the year, are reflected in the statement of changes in net assets available for benefits as appreciation or depreciation in the fair value of investments. Dividends are recorded on the ex-dividend date and purchases and sales of securities are rendered on a trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual basis.

Fair value of the Plan's investments represent the price that would be received upon the sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants as of the measurement date. Financial instruments are measured and reported at fair value and are classified and disclosed in one of the following categories based on the lowest level input that is significant to the fair value management in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities. The Plan's investments in mutual funds are valued based upon quoted prices in active markets.
- Level 2 inputs are observable prices that are based on inputs not quoted in active markets but corroborated by market data. The Plan does not have any Level 2 investments as of December 31, 2021 and 2020.
- Level 3 inputs are unobservable inputs that are used when little or no market data is available. The Plan does not have any Level 3 investments as of December 31, 2021 and 2020.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

3. CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company (through March 31, 2020), Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC, the custodians, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments	<u>\$ 5,597,604</u>	<u>\$ 3,935,191</u>
Total investment income	<u>\$ 767,815</u>	<u>\$ 781,405</u>
Notes receivable from participants	<u>\$ 29,598</u>	<u>\$ 14,665</u>
Interest income on notes receivable from participants	<u>\$ 600</u>	<u>\$ 200</u>

Schedule H, Line 4i - Schedule of Assets (Held at End of Year)

Approximately \$473,000 of investment losses included in the 2020 statement of changes in net assets available for benefits was not certified by Reliance Trust Company.

4. FAIR VALUE MEASUREMENTS

At December 31, 2021, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 5,259,210</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,259,210</u>

At December 31, 2020, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 3,670,330</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,670,330</u>

There have been no changes in valuation techniques during 2021 and 2020.

5. GUARANTEED INVESTMENT CONTRACT

The Plan holds a fixed annuity contract with the Plan's custodian, which is reported as fully benefit responsive. The contract is a group unallocated contract, which means the deposits and earnings on those deposits are credited to the group as a whole, rather than individual participants.

5. GUARANTEED INVESTMENT CONTRACT (Continued)

Certain events may limit the Plan's ability to transact at contract value with the Plan's custodians. Such events may include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that may limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Interest crediting rates are determined based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rates are reset quarterly, ranging from 1.10% to 1.20%.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. TAX STATUS

The Plan is a Prototype Standardized Sharing Plan with CODA issued through ADP, Inc. The Internal Revenue Service has determined by letter dated July 8, 2014 that the Plan and related trust were designed, at that time, in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, were exempt from federal income taxes. The Plan has been amended since that date. The plan administrator and the Plan's tax counsel believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have loans and the Plan qualify as party-in-interest transactions.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2021 and 2020.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2022, which is the date the financial statements were available to be issued.
