To the Trustees of New York Daily News 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of New York Daily News 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the period from May 25, 2021 (date of inception) to December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period from May 25, 2021 (date of inception) to December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of New York Daily News Defined Contribution Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New York Daily News 401(k) Plan's ability to continue as a going concern for 12 months from the date the financial statements are authorized for issue.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New York Daily News 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New York Daily News 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

New York Daily News 401(k) Plan

Notes to Financial Statements December 31, 2021

1. Description of Plan

The following is a brief description of New York Daily News 401(k) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on May 25, 2021, as a result of the purchase of the Daily News, LP (the "Daily News") by NY Daily News Enterprises LLC on May 25, 2021. The Plan became active, and participation began at August 1, 2021. The Plan is a 401(k)-plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility and Contributions

Employees who are covered by a collective bargaining agreement, are leased employees, or are classified as Interns are not eligible to participate in the Plan. All other employees will become eligible to participate in the plan after the attainment of age 21 and the completion of one Year of Eligibility Service. A Year of Eligibility Service is defined as 1,000 hours of service in a 12-month period. Participants may make both pre-tax and Roth contributions, in an amount equal to a dollar amount or percentage of the Contributing Participant's Compensation not to exceed the limits imposed by the Internal Revenue Code ("IRC"). Additionally, participants who are at least 50 years old may make additional catch-up contributions as defined by the IRC.

The Daily News may make discretionary contributions to the Plan. The employer also makes a qualified automatic safe harbor contribution equal to 100% of the first 2% and 50% of 2% to 6% of participant's elective deferral contributions. The Daily News may also make discretionary matching contributions. No such discretionary contributions were made for the period ending December 31, 2021.

Vesting

Participants are always fully vested in their own contributions plus earnings thereon. Participants become fully vested in the Daily News contributions plus earnings thereon after two years of service.

Forfeitures

The portion of a participant's account balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. Forfeitures can be used to reduce employer contributions, or to pay allowable Plan expenses. During the period from May 25, 2021 (date of inception) to December 31, 2021, there were no forfeitures and as of December 31, 2021, there was no forfeiture balance outstanding.

Benefit Payments

Upon attaining the age of 59½, a participant is entitled to a lump-sum distribution from the Plan or may elect periodic distributions as described in the Plan. In addition, participants may withdraw funds from the Plan upon termination of employment or, in certain other cases and subject to the approval of the Retirement Plan Committee; participants may request a withdrawal of a portion of their balances in the case of financial hardship. In the event of death while employed, the non-vested benefit becomes vested and can be distributed to beneficiaries as described in the Plan.

Notes Receivable from Participants

Loans may be available to the participants subject to the approval of the Plan administrator. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Their vested account balances also serve as collateral for the loan. Interest rates on the loan outstanding at December 31, 2021 was 4.25%. Loans that are in defaults are accounted for as a distribution in the year the default occurs.

New York Daily News 401(k) Plan

Participant Accounts

Each participant's account is credited with their contributions plus the Daily News contributions, and earnings thereon. Contributions are invested by Ascensus Trust Company ("the Trustee") according to the options elected by the participants. The investment options include various mutual funds.

Administrative Expenses

Participants pay for certain individual transaction charges. All other plan expenses are paid for by the Daily News.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amount of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

3. Information Certified by the Plan's Trustee

The following is a summary of the investments and notes receivable from participants of the Plan as of December 31, 2021, and for the period from May 25, 2021 (date of inception) to December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Ascensus Trust Company. The Plan administrator has obtained a certification from the trustee that such information is complete and accurate.

The following was certified by the trustee as of December 31, 2021:

Mutual funds	\$ 2,643,578
Notes receivable from participants	27,610
	\$ 2,671,188

New York Daily News 401(k) Plan

The following was also certified by the custodian for the period from May 25, 2021 (date of inception) to December 31, 2021:

Net appreciation in fair value of investments	\$ 15,297
Interest and dividend income	\$ 41,907
Interest income on notes receivable from participants	\$ 237

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021:

- Mutual funds: Valued at unadjusted quoted market prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments at fair value as of December 31, 2021 are as follows:

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 2,643,579	\$ -	\$ -	\$ 2,643,579
Total investments in fair value hierarchy	\$ 2,643,579	\$ -	\$ -	\$ 2,643,579

5. Related Party Transactions

Certain Plan investments are mutual funds managed by Vanguard. Vanguard is the recordkeeper as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Vanguard by the plan amounted to \$150 for the period from May 25, 2021 (date of inception) to December 31, 2021.

New York Daily News 401(k) Plan

6. Plan Termination

Although it has not expressed any intention to do so, Daily News has the right to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested.

7. Tax Status

The Plan is in the process of applying for, but has not yet received, a tax exemption letter from the Internal Revenue Service. The Plan sponsor believes that the Plan and Trust are currently designed and operated in compliance with the applicable provisions of the IRC and the Plan document. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan provides for various investment options to the participants in any combination of mutual funds. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.
