| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator  
Duck Creek Technologies 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Duck Creek Technologies 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **Other Matters (continued)**

#### **2021 Supplemental Schedules Required by ERISA (continued)**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Duck Creek Technologies 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## DUCK CREEK TECHNOLOGIES 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

#### Note 1 Description of Plan

The following description of Duck Creek Technologies 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan established on January 1, 2017, to provide eligible employees of Duck Creek Technologies, LLC (the “Company”) with retirement benefits in accordance with Sections 401(a) and 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2021, the Plan was amended and restated.

#### Eligibility

All Company employees are eligible to participate in the Plan on the first day of employment, except for leased employees, collectively bargained employees, Puerto Rico residents and interns who are not credited with at least 1,000 hours of service, as defined by the Plan document.

#### Participant contributions

Eligible participants may make voluntary contributions through salary reductions from 1% to 80% of their annual eligible pre-tax compensation, as defined by the Plan, limited to the maximum amounts allowed under the provisions of the IRC (\$19,500 in 2021). Further, participants who are 50 years of age or older as of December 31, 2021 may contribute an additional “catch up” contribution (\$6,500 in 2021).

The Plan also includes an automatic enrollment provision, providing eligible employees to be automatically enrolled into the Plan at a deferral rate of 6% and their contributions invested in a designated balanced fund until changed by the participant. In accordance with the automatic enrollment provision, the deferral rate will increase by 1% annually (January 1<sup>st</sup>), not to exceed 20% for those participants who have been automatically enrolled. Eligible employees are able to opt out of participating at any time. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market fund, various mutual funds, common collective trust funds, and self-directed brokerage accounts as investment options for participants.

The Plan also allows participants to defer funds as a “Roth 401(k) deferral”. In addition, the Plan allows for additional after-tax contributions. These deferrals are subject to federal and state income taxes and the maximum allowable contribution is \$19,500 combined between both the Roth and the pre-tax deferrals.

#### Rollover contributions

The Plan may receive, on behalf of a participant, rollover contributions from other qualified plans subject to approval by the plan administrator. These contributions are 100% vested upon contribution.

## DUCK CREEK TECHNOLOGIES 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 **Description of Plan (continued)**

**Employer contributions**

The Plan allows for a discretionary matching contribution to be made on a payroll period basis. For the year ended December 31, 2021, the Company matched 100% of each participant's contributions up to 6% of the participant's eligible compensation. The Company's matching calculation includes a true-up contribution for the application of the discretionary match on an annual basis if the participant is employed on the last day of the plan year. The discretionary matching contribution for the year ended December 31, 2021, was \$6,323,974.

**Participants' accounts**

Each participant's account is credited with the participant's contribution and its allocation of (a) employer contributions and (b) Plan earnings or losses.

**Vesting**

Participants' voluntary contributions, rollover contributions, and earnings thereon vest immediately. The Company's discretionary matching contributions are 100% vested after two years of service (as defined). In the event of death, disability, or attainment of age 55, participants' accounts become fully vested.

**Payment of benefits**

Upon termination of employment, retirement, death, or disability, the participant or the participant's beneficiary is entitled to receive the vested portion of the participant's account in a single lump-sum or installment payments over a period not to exceed the life expectancy of the participant or beneficiary. Further, withdrawals from the Plan before leaving the Company are available for special "hardship" reasons or after attaining the age of 59½. Distributions to participants are recorded when paid.

During the year ended December 31, 2020, the Plan adopted the distribution provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. A CARES Act distribution allows certain eligible participants to take a coronavirus related distribution up to \$100,000 from the Plan retroactive to January 1, 2020 and through December 30, 2020. The Plan has not been formally amended to reflect these provisions. Plan amendments related to coronavirus related distributions must be adopted by December 31, 2025.

**Forfeitures**

Forfeitures, the unvested portion of employer contributions for terminated participants, may be used to reduce future employer contributions or to pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested account balances totaled \$98,068 and \$104,666, respectively. During the year ended December 31, 2021, \$139,517 of forfeitures were used to fund employer contributions.

## DUCK CREEK TECHNOLOGIES 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 **Description of Plan (continued)**

**Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Participants may borrow up to 50% of their vested account balance with a minimum of \$1,000 and maximum of \$50,000. Loans are subject to approval by the plan administrator and bear interest at 1% above the prime rate (3.25% at December 31, 2021). Loan terms range from one to five years. However, if the loan is to acquire the principal residence of the participant, the term may be extended up to ten years. Participants are limited to two loans outstanding at any given time. Loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

During the year ended December 31, 2020, the Plan adopted a portion of the loan provision of the CARES Act, effective for qualified participant loans initiated on or after March 27, 2020 and before September 23, 2020. Certain loan provisions of the CARES Act provided Plan participants with the option of suspending loan payments due between March 27, 2020 and December 31, 2020 for up to one year, however, originally scheduled payments must resume beginning on January 1, 2021. The Plan has not been formally amended to reflect this provision. Plan amendments related to participant loans taken under the CARES Act must be adopted by December 31, 2025.

Note 2 **Summary of significant accounting policies**

The following is a summary of significant accounting policies followed by the Plan.

**Basis of accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

#### Note 2 Summary of significant accounting policies (continued)

##### Investment valuation and income recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the trustee. See Note 8 for discussions of fair value measurements.

Realized gains and losses on investments sold and the unrealized appreciation and depreciation of investments held are reported on an average current cost basis, based on fair market value of the investments at the beginning of the Plan year or at the time of purchase during the Plan year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

##### Administrative expenses

The Company may, at its discretion, pay the expenses incidental to administering the Plan. In the event that the Company does not pay Plan expenses, the expenses shall be paid by the Plan.

##### Fair value

Accounting standards provide a common definition of fair value and establish a framework to make the measurement of fair value in generally accepted accounting principles more consistent and comparable. Accounting standards also require expanded disclosures to provide information about the extent to which fair value is used to measure certain financial and non-financial assets and liabilities, the methods and assumptions used to measure fair value, and the effect of fair value measures on earnings. The Plan's financial assets reflected in the financial statements at fair value include its investments (see Note 8).

##### Subsequent events

The Plan has evaluated subsequent events through October 17, 2022, which is the date the financial statements were available to be issued.

#### Note 3 Information certified by the Plan's trustee

The Company, acting in its capacity as the Plan Administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The investment assets, notes receivable from participants, investment transactions, investment and interest income presented in the Plan's financial statements and supplemental schedule was prepared or derived from information prepared by T. Rowe Price Trust Company ("T. Rowe Price"), the trustee of the Plan, and furnished to the Company. The Company has obtained a certification from the trustee as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate.

The employer contributions receivable totaling \$335,605 and \$235,243, respectively, are not certified.

## DUCK CREEK TECHNOLOGIES 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 4 **Tax status**

The Plan operates under a T. Rowe Price Retirement Plan Services, Inc. Pre-Approved Defined Contribution plan. The plan administrator believes and represents that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Financial Accounting Standards Board has issued a standard regarding the accounting and recognition of income tax positions taken or expected to be taken by the Plan. The plan administrator assesses the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 **Party-in-interest transactions**

Certain Plan investments consist of common collective trust funds and a money market fund held by T. Rowe Price. T. Rowe Price is the trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules as defined by ERISA.

Note 6 **Plan termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 **Risks and uncertainties**

The Plan provides for various investment options in accounts which invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 8 **Fair value measurements**

Accounting standards require that financial and non-financial assets and liabilities, recognized or disclosed in financial statements on a recurring basis (at least annually), be measured at fair value. These standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. These standards also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

**DUCK CREEK TECHNOLOGIES 401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021 and 2020**

**Note 8    Fair value measurements (continued)**

These standards describe three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities.

Level 3 - Unobservable inputs for the asset or liability that are significant to the fair value measurement. These inputs reflect the Plan's assumptions about the assumptions a market participant would use in pricing the asset or liability.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when higher level inputs are not available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trusts:* Valued at the net asset value of units of a bank collective trust. The net asset value as provided by the trustee is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Money market fund:* Valued at the closing price reported by the fund sponsor from an actively traded exchange.

## **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021 and 2020**

### **Note 8    Fair value measurements (continued)**

*Self-directed brokerage:* Consists of mutual funds, money market funds and equities that are valued on the basis of readily determinable market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the valuation of the Plan's financial assets at December 31, 2021:
