TO THE PARTICIPANTS AND ADMINISTRATOR OF PINNACLE EMPLOYEE SERVICES, LLC 401(K) AND PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan's ability to continue as a going concern within one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021 on page 17 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

Predecessor auditors performed an audit of the 2020 financial statements of Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 11, 2021 indicated that (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2020 supplemental schedule, other than the information in the 2020 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2020 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The following description of the Pinnacle Employee Services, LLC 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a qualified prototype defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code with a Section 401(k) provision covering all full-time employees of Pinnacle Employee Services, LLC and participating entities (the “Participating Employers”). The Plan is a multiple-employer plan. All assets acquired under the Plan are the result of employee and employer contributions thereto and all income and other additions thereto are administered, distributed, forfeited or otherwise governed by the provisions of the Plan and ERISA.

Contributions

Participants are allowed to make elective 401(k) and Roth salary deferrals up to the maximum amount allowed by the Internal Revenue Code. Participants who have attained age fifty before the end of the year are eligible to make catch-up contributions. Rollover and transfer contributions from other plans are permitted. Participating Employers have the option to elect automatic enrollment in the Plan for their respective participants with an initial deferral rate of 3% of their annual compensation, unless the participant elects a different percentage or expressly elects not to participate in the Plan.

Each Participating Employer elects to make either: 1) no matching contributions; 2) discretionary matching contributions; 3) mandatory Safe Harbor matching contributions; or 4) enhanced Safe Harbor contributions, to their respective eligible participant’s account.

Each Participating Employer may also elect to make either: 1) no profit sharing contribution; 2) mandatory Safe Harbor non-elective contribution; 3) job classifications (using a cross-tested or new comparability allocation formula); 4) integrated allocation formula; or 5) non-integrated (pro-rata) allocation formula for profit-sharing contributions. The amount and timing of such payments is at the option of the Participating Employer.

Total Participating Employer contributions were \$651,353 and \$846,502 for the years ended December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

Each participant's account is credited with the participant's elective deferral contribution and allocations of Participating Employer contributions, if any, as well as plan earnings and administrative expenses. Allocations of contributions are based on participant compensation and allocation of plan earnings are based on account balances as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants can access their account information via Transamerica's website where they have the ability to change their elective deferrals and investment options as well as apply for participant notes receivable and request distributions.

Vesting

Participants are vested immediately in their elective salary contributions plus actual earnings thereon. Vesting in Participating Employers' discretionary matching and/or profit-sharing contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant in the Plan becomes 100% vested in any Participating Employer discretionary matching and/or profit-sharing contributions either immediately or after three, five or six years of credited service, depending on the specific Participating Employer's vesting schedule.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$22,700 and \$17,000, respectively. Forfeitures can be utilized to reduce plan expenses or Participating Employer contributions. Administrative expenses were reduced by forfeitures of approximately \$0 and \$375 for the years ended December 31, 2021 and 2020, respectively.

Payment of Benefits

Upon termination of service due to death, disability or retirement, or other reasons a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to the Plan in various investment options. Participants may change their investment options on a daily basis via online access.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN – Continued

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a rate equal to the prime rate (3.25% as of December 31, 2021) plus 1.00% at the time the loan is approved. Interest rates range from 4.25% to 6.50% as of December 31, 2021. Principal and interest are repaid through payroll deductions; however, in no instance may the terms of the repayment be greater than five years, unless the note is used to acquire a personal residence for which the period can exceed five years. According to requirements of the participant note receivable program, the Trustees will consider a note in default if any scheduled payment remains unpaid beyond the last day of the calendar quarter in which the participant missed the scheduled payment. Any notes that are in default as defined by the plan document are reported as either deemed distributions or benefit payments.

Deemed Distributions

Deemed distributions represent the amount of unpaid principal on notes receivable from participants who are actively participating in the Plan and have not continued to make payments on the outstanding notes as required under the notes receivable from participants program. There were approximately \$0 and \$2,800 of deemed distributions for the years ended December 31, 2021 and 2020, respectively. However, certain previously deemed distributed notes receivable from participants were reinstated to active status and included in the notes receivable from participants in the accompanying statements of net assets available for benefits in the amounts of approximately \$1,200 and \$78,600 as of December 31, 2021 and 2020, respectively.

Plan Mergers and Transfers Out

The Plan is a multiple-employer plan. Therefore, upon participation, if a joining Participating Employer has an existing 401(k) plan, it will be merged with the Plan. Assets transferred in from merged plans were \$529,879 for the year ended December 31, 2020. Conversely, if a Participating Employer terminates its participation in the Plan, those assets allocated to participants of the terminated Participating Employer will be transferred out of the Plan. There were \$306,609 of assets transferred out of the Plan for the year ended December 31, 2020. There were no assets transferred in or out of the Plan for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The accounting principles and practices which affect the more significant elements of the financial statements are:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure on contingent assets and liabilities. Accordingly, actual results could differ from those estimates. The COVID- 19 pandemic has created and may continue to create significant uncertainty in macroeconomic conditions, which may cause further disruptions and adversely impact the results of the Plan. As a result, many of the Plan administrator's estimates and assumptions required increased judgement and carry a higher degree of variability and volatility. As events continue to evolve and additional information becomes available, the Plan's actual results could materially differ from those estimates in future periods.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at net asset value (NAV), with the exception of the Transamerica Stable Value Core Account, which is considered fully benefit responsive and therefore valued at contract value. All investment values have been determined and certified by Transamerica Financial Life Insurance Company (Transamerica), the Custodian of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Investment Valuation and Income Recognition - Continued

Pooled separate accounts invest primarily in equities, bonds and mutual funds, which are mainly publicly traded securities. Pooled separate accounts are valued at NAV per share, which serves as a practical expedient to estimate its fair value. The practical expedient would not be used if it were determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The NAV of each pooled separate account is not publicly quoted in the active markets. Each pooled separate account can be redeemed at NAV as of the measurement date and can be redeemed on a daily basis. There were no unfunded commitments or redemption restrictions on these investments as of December 31, 2021 and 2020. Investments measured at NAV per share used as a practical expedient are not required to be classified in the fair value hierarchy.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Corrective Distributions

Excess contributions payable represents excess employee salary deferral contributions and excess employer matching contributions owed to certain participants in order to satisfy the relevant nondiscrimination provisions of the Plan. The excess contributions (“corrective distributions”) are recorded in the financial statements when received and are reported on Form 5500 when paid. There were no excess contributions payable as of December 31, 2021 and 2020. Corrective distributions are returned to the effected participants, net of any investment earnings thereon. Corrective distributions amounted to approximately \$50,000 and \$48,000 for the years ended December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation gain of investments.

Economic Dependency and Concentration of Credit Risk

All of the Plan's investments are held by Transamerica, of which approximately 65% and 68% are invested in various Transamerica funds as of December 31, 2021 and 2020, respectively. Accordingly, the Plan is dependent upon the financial condition of Transamerica.

Subsequent Events

Plan management has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued. Management has determined that no such events have occurred.

NOTE 3 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment in the Transamerica Stable Value Core Account, a fully benefit responsive investment contract stated in accordance with the Financial Accounting Standards Board's authoritative guidance regarding accounting for fully benefit responsive contracts held by certain investment companies, which states that contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investments at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Investments measured at contract value are not required to be classified in the fair value hierarchy.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

**NOTE 3 – FULLY BENEFIT RESPONSIVE INVESTMENT
CONTRACT – Continued**

The crediting interest rates of the contract are based on agreed upon formulas with the issuer, as defined in the contract agreements, but cannot be less than 0%. Such interest rates are reviewed on a periodic basis for resetting. The key factors that influence future crediting rates could include the following: the level of market interest rates, the amount and timing of participant contributions, transfers and withdrawals into/out of the contract, and the duration of the underlying investments backing the contract.

Certain events limit the ability of the Plan to transact as contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the sponsor or other sponsor event (e.g., divestures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; (iv) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA; or (v) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contact with the Plan and settle at an amount different from contract value. Such events include (i) an uncured violation of the Plan's investment guidelines; (ii) a breach of material obligation under the contract; (iii) a material misrepresentation; and (iv) a material amendment to the agreement without the consent of the issuer.

**NOTE 4 – FINANCIAL INFORMATION CERTIFIED BY PLAN
CUSTODIAN**

The Trustees have elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under ERISA. Accordingly, Transamerica, the Plan's Custodian, has certified that the investments and investment income included in the accompanying financial statements as December 31, 2021 and 2020, and for the years then ended, and supplemental schedule as of December 31, 2021, are complete and accurate. Furthermore, the Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 5 – TAX STATUS

The Plan has adopted the Transamerica Volume Submitter Defined Contribution Plan. The prototype plan received its latest determination letter from the IRS dated June 30, 2020, which states that the plan is acceptable under Section 401(a) of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS

Transamerica was the insurance carrier to the Plan for the years ended December 31, 2021 and 2020. Transamerica paid insurance commissions to Pinnacle Investments, LLC of approximately \$75,000 and \$59,000 for the years ended December 31, 2021 and 2020, respectively. Pinnacle Investments, LLC, is a related party to Plan Sponsor. These commissions were included in net appreciation in investments in the accompanying statements of changes in net assets available for benefits.

The Plan contracts with Transamerica to provide recordkeeping and third-party administrative services and Dannible & McKee, LLP (predecessor auditor) to provide independent auditor service. These services qualify as party-in-interest transactions. Fees paid for these services amounted to approximately \$49,000 and \$41,000 for the years ended December 31, 2021 and 2020, respectively, which are included as administrative expenses in the accompanying statements of changes in net assets available for benefits.

NOTE 7 – PLAN TERMINATION

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.
