INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Casino Vicksburg, LLC Employees 401(k) Plan
Vicksburg, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Casino Vicksburg, LLC Employees 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Casino Vicksburg, LLC Employees 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Casino Vicksburg, LLC Employees 401(k) Plan and to meet our other ethical responsibilities, in

accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Casino Vicksburg, LLC Employees 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Casino Vicksburg, LLC Employees 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Casino Vicksburg, LLC Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at end of Year) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CASINO VICKSBURG, LLC EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1) Description of plan

The following description of the Casino Vicksburg, LLC Employees 401(k) Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for information regarding the Plan's provisions.

a) General

The Plan is a defined contribution plan covering substantially all regular full-time employees of Casino Vicksburg, LLC d/b/a Waterview Casino and Hotel and Majestic Mississippi, LLC d/b/a Fitz Tunica Casino and Hotel (the "Employer" or "Company") who are 21 years of age and have met the service requirement of two months and are not specifically excluded by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b) Contributions

Participants can elect to contribute to the Plan by deferring a percentage of their compensation in increments of whole percentages or set amounts (tax deferred contributions). The amount of participant contributions is not to exceed the maximum deferral amount indicated by the Internal Revenue Service (IRS). The Company may also make a discretionary matching contribution. The maximum annual deferral amounts indicated by the IRS for the years ending December 31, 2021 and 2020 were \$19,500 plus an additional \$6,500 if the employee is age 50 or older.

c) Participant accounts

Each participant's account is credited with the participant's and Employer contributions and plan earnings and charged with any distributions made to the participant. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may select from various investment funds in which their accounts may be invested. If a participant does not choose investment funds their contributions are deposited into the American Balanced Fund.

d) Notes receivable - participant loans

Participants may borrow from their fund accounts up to a maximum of 50 percent of their vested account balance or \$50,000. Loans must be at least \$1,000. The maximum number of loans outstanding at any one time is two. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% above prime rate as of the day on which the participant applies for the loan. The bear interest rates for the current loans outstanding ranged from 3.25% to 6.5%. Principal and interest are paid ratably through biweekly payroll deductions over a period established at the time the loan is made, ranging from one to five years, except for loans for the purchase of principal residence may be longer.

e) Vesting

Participants are fully vested in the portion of their account representing their contributions plus actual earnings thereon at all times. The portion of each participant's account representing Company matching contributions, discretionary contributions and related income vest based on years of continuous service. The Plan utilizes a five-year graded vesting schedule.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1) Description of plan (continued)

f) Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested balance in their account or substantially equal installments over a set period of time. A participant may withdraw all or part of their rollover contributions at any time. Balances under \$1,000 may be paid out at the discretion of the Company, as defined in the Plan documents.

g) Forfeitures

Any forfeitures occurring during the Plan year will be used to reduce administrative expenses and to reduce Employer contributions. There were \$0 and \$4,831 available at December 31, 2021 and 2020, respectively, to offset future Employer contributions and administrative expenses. Employer contributions were reduced by \$0 and \$2,121 from forfeited non-vested accounts for December 31, 2021 and 2020, respectively.

2) Summary of significant accounting policies

a) Basis of accounting

The financial statements of the plan are prepared using the accrual basis of accounting.

b) Use of estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

c) Payment of benefits

Benefits are recorded when paid.

d) Investment valuation and income recognition

Investments are stated at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. The net appreciation for the year ended December 31, 2021 was \$585,919.

e) Notes receivable - participant loans

Notes receivable from participants are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans are deemed distributed and recorded as benefits paid to participants based upon the terms of the plan document. For the year ended December 31, 2021 there were no deemed distributions recorded as benefits paid to participants in the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

2) Summary of significant accounting policies (continued)

f) Plan administrative costs

The Company absorbs significant administrative costs of the Plan. Administration expenses paid by the Plan arise from processing fees for loans and distributions that are charged to their respected participants' accounts. In addition, certain investment accounts charge asset and participant fees that are allocated among the respected participants.

g) New accounting pronouncement

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurements*. The ASU modifies the disclosure requirements on fair value measurements in Accounting Standards Codification Topic 820. The ASU is effective for all reporting periods beginning after December 15, 2019, with early adoption permitted. The Company adopted this ASU for the year ended December 31, 2020 and the adoption did not have a material effect on the Plan's financial statements.

3) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants become 100% vested in their account balance.

4) Risks and uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic may continue to have.

5) Information certified by the Plan's trustee (unaudited)

The following is a summary of the investment information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2020, included in the Plan's financial statements and supplemental schedules that were prepared by or derived from information prepared by Old Second Wealth Management, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Investment income:		
Interest from notes receivable – participant loans	20,269	
Dividend and interest income	646,223	
Net appreciation in fair value of investments	585,919	

6) Related party transactions

Certain Plan investments are managed by Charles Schwab or Old Second Wealth Management. Charles Schwab is the Plan custodian and Old Second National Bank is the Plan trustee; such transactions while considered as party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

7) Federal income taxes

The Plan adopted a prototype plan document effective July 21, 2021. The prototype plan has received a letter from the Internal Revenue Service dated November 30, 2020 as to its qualified status. The Plan has been amended since receiving the tax determination letter. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes had been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to U.S. federal and state income tax examinations by tax authorities for a period of three years from the filing of those returns.

8) Fair value measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

CASINO VICKSBURG, LLC EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

8) Fair value measurement (continued)

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for measuring assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued using quoted prices in the active markets in which the funds are traded.

Money market: Valued at fair value, which approximates contract value.

Common collective trust: The Plan uses net asset value (NAV) per unit to value the collective investment trust funds. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

8) Fair value measurement (continued)

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,867,707	\$ -	\$ -	\$ 8,867,707

Investments measured at net asset value (a)				105,583
Total investments at fair value				<u>\$ 8,883,315</u>

(a) Certain investments are measured at fair value using the NAV per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2021 and 2020:

	Fair Value		Unfunded	Redemption	Redemption
	2021	2020	Commitment	Frequency	Notice Period
Common collective trust	\$ 131,948	\$ 105,583	\$ -	Daily	None

9) Prohibited transactions

Participant contributions of \$23,479 were withheld from participants' pay during 2021 but were not remitted to the Plan's trust within the time frame required by the Department of Labor under the Plan asset rules.

10) Subsequent events

The Company has evaluated subsequent events through the date of the auditors' report, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
