INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Innovative Produce, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Innovative Produce, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise of the statement of net assets available for benefits as of December 15, 2021, and the related statement of changes in net assets available for benefits for the period from January 1 to December 15, 2021, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Innovative Produce, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period from January 1 to December 15, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Innovative Produce, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Produce, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Innovative Produce, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Produce, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 15, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Innovative Produce, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Summary of significant plan provisions

The following description of the Innovative Produce, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing and Safe Harbor 401(k) plan sponsored by Innovative Produce, Inc. (a C Corporation) and was established in 2010. Innovative Produce, Inc. has been designated as the Plan Administrator.

The Plan is a single-employer plan consisting of related entities, Innovative Produce, Inc., Faith Farming, LLC, and Perseverance Custom Harvest. The employers are collectively referred to as the "Company" and the "Employer" throughout the notes to the financial statements.

The Company may make Safe Harbor 401(k) matching contributions, and other discretionary matching contributions, to the Plan, not to exceed 4% of compensation.

Effective December 9, 2021, the Plan Administrator elected to terminate the Plan, merged with and transfer all plan assets to the Newport Secure Retirement Pooled Employer Plan. On December 16, 2021, substantially all the assets were transferred to the Newport Secure Retirement Pooled Employer Plan.

Eligibility

All employees, not covered by a collective bargaining agreement, who have six months of service and are 21 years of age or older are eligible to participate in the Plan. Participation in the Plan is voluntary, and eligible employees may enter the Plan on the first day of each plan year and the first day of the seventh month of each plan year. Effective December 1, 2017, eligible employees may enter the Plan on the first day of each plan quarter coinciding with or following the day the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Under the provisions of the Plan, the Plan Sponsor's 401(k) matching contributions shall not exceed an amount, which constitutes an allowable tax deduction under 404(a) of the Internal Revenue Code. The Plan has elected Safe Harbor status for Plan Employer contributions and will make matching contributions equal to 100% of the participants' deferred compensation that does not exceed 3% of compensation plus 50% deferred compensation between 3% and 5% of compensation per payroll period. The Plan Sponsor may also make discretionary contributions in any Plan year not to exceed 4% of compensation.

Each participant may make contributions during any period for which they receive compensation from the Company in the maximum amount of \$19,500 in 2021. Participants age 50 or older may elect to defer additional "catch up" contributions to the Plan of up to \$6,500 for 2021.

INNOVATIVE PRODUCE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Summary of significant plan provisions (continued)

Contributions (continued)

For the period of January 1 to December 15, 2021, the Employer made Safe Harbor 401(k) matching contributions up to 4%. The Plan Sponsor did not elect to perform a "true-up" for Safe Harbor 401(k) matching contributions.

Plan administration

The Company is the Plan Sponsor and the Plan Administrator. The Plan Administrator is responsible for carrying out the duties imposed under ERISA.

Participant accounts

Each participant account is credited with participant contributions and plan income. Allocation of plan income is based on the participant's account balance, as defined.

Vesting

Each participant is fully vested in all Employee contributions and Safe Harbor matching. Vesting of the Employer discretionary contributions is based upon the participant's years of service (defined as a 12-month period with at least 1,000 hours of service) with the Employer as follows:

<u>Years of Service</u>	<u>Percentage</u>
0-2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Participants may also become fully vested when the employee attains the age of 65, dies, or becomes permanently disabled while employed by the Employer.

Notes receivable from participants

The Plan does not allow participants to take a loan from the Plan.

Payment of benefits

Upon termination of service, a participant will receive benefits as either a lump sum amount equal to the value of the participant's vested interest in his/her account or optional forms of benefits in accordance with the Plan.

INNOVATIVE PRODUCE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Summary of significant plan provisions (continued)

Plan termination

Although it has not expressed such intent, the Company reserves the right, at any time, to amend or terminate the Plan by the action of its Board of Directors. Upon termination of the Plan, further contributions to the Plan shall cease, and all participants who are affected by such termination shall become 100% vested. The Plan's assets would be distributed to the participants based on each participant's interest in the Plan.

Forfeitures

Forfeitures of terminated participants' non-vested account balances are added to future Employer Profit-Sharing contributions.

Note 2 - Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Administrator believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Payment of benefits

Benefits are recorded when paid.

Investment valuation and income recognition

The investments in mutual funds are stated at current market value. The Plan's custodian provides fair values of mutual funds based on the fair value of underlying investments of the pooled separate accounts using the Net Asset Value ("NAV") per share reported by the custodian as a practical expedient.

The investments are redeemable at the adjusted NAV under agreements with the custodian, except for the insurance contract general account for which contract value is generally the amount the participant would receive for plan-permitted, participant-directed withdrawals. Redemption for all investments, if currently eligible, is daily. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net change in fair value includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

INNOVATIVE PRODUCE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 2 - Summary of significant accounting policies (continued)

Administrative expense

As allowable under the Plan, certain costs associated with the Plan's administration are paid from Plan assets.

Allocation of the Plan assets

Contributions are allocated to the various funds based on elections made by the participants. At the end of each plan year, each fund's assets are adjusted to current market value. The net market value increase or decrease is allocated proportionately to each participant's account based on the value of the participant's investment in that fund, compared to the total of all participant investments in that fund as of the end of the previous plan year adjusted for contributions, distributions, and transfers. Participants are assigned one unit of value for each \$1 of their asset balance.

Note 3 - Information certified by the custodians

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974 (the Act). Accordingly, as permitted under such election, the following information was certified by The Standard Insurance Company ("Standard") and Charles Schwab Bank, the Custodians of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedule:

- a. Investments as of December 15, 2021, and the supplemental schedule.
- b. Custodian transactions, investment income, and investment transactions for the period from January 1 to December 15, 2021.

Note 4 - Insurance contract general account

The Standard Stable Value Asset A ("the Fund") is an insurance contract general account held by The Standard Insurance Company, a subsidiary of StanCorp Financial Group, Inc. Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 15, 2021, and December 31, 2020 was \$0 and \$318,127, respectively. Contract value is guaranteed by the full faith and credit of The Standard Insurance Company; therefore, no-wrap contracts support the fund's liquidity. The Standard Insurance Company sets credit ratings, takes into account yield forecasts and margins, and will never be below 1% annually. For 2021, the average yield for the Fund was 2.27%, and the gross credit rating was 2.21%. For 2020, the average yield for the Fund was 2.54%, and the gross credit rating was 2.43%.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Daily liquidity is available for participant contributions and withdrawals at contract value and is valued at the Fund's net asset value (NAV).

INNOVATIVE PRODUCE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 4 - Insurance contract general account (continued)

Certain events limit the Plan's ability to transact at contract value with Standard, such as termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and liberalization plan withdrawal or transfer rules. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable to occur.

Note 5 - Fair value measurements

Financial Accounts Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 15, 2021:

Registered investment companies: Valued at quoted market prices on the last business day of the Plan year. These investments are primarily comprised of mutual funds, which are measured daily at net asset value per share, and may be redeemed daily with a one-day redemption notice period.

INNOVATIVE PRODUCE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 5 - Fair value measurements (continued)

Insurance company general account: Valued at the price the Plan would receive if the account was terminated at the reporting date, which is contract value less an early withdrawal fee. Investments in insurance company general accounts are reported at contract value, which is the aggregation of contributions, plus interest, less withdrawal and administrative expenses, if any. Fair value is considered contract value adjusted to take into account the current rates of interest available in the market value. The contract value did not materially differ from the fair value at December 15, 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 15, 2021, and December 31, 2020:

Investments - 2021	Level 1	Level 2	Level 3	Total
Investments in registered investment companies	\$ -	\$ -	\$ -	\$ -
Total investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value per share				-
Totals				\$ -
Investments - 2020	Level 1	Level 2	Level 3	Total
Investments in registered investment companies	\$ 2,429,752	\$ -	\$ -	\$ 2,429,752
Total investments in the fair value hierarchy	\$ 2,429,752	\$ -	\$ -	\$ 2,429,752
Investments measured at net asset value per share				318,127
Totals				\$ 2,747,879

Note 6 - Party-in-interest

Certain investments are shares of mutual funds and insurance company general accounts managed by The Standard Insurance Company and held internally or through Charles Schwab Bank. Standard and Chares Schwab Bank were the Custodians under contract arrangements with the Plan's Trustees during December 2021, and therefore, these investments and transactions qualify as party-in-interest transactions. Fees paid to Standard for investment management services amounted to \$48,365 for the period from January 1 to December 15, 2021.

INNOVATIVE PRODUCE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 7 - Tax status

The Internal Revenue Service ("IRS") issued its latest determination letter on August 18, 2010, which stated that the Plan and its underlying trust qualify under Sections 401(a) and 401(k) of the Internal Revenue Code ("IRC"), and therefore, is exempt from federal income taxes under the provision of Section 501(a). On March 31, 2014, IRS opined the Plan is acceptable under section 401 of the IRC for use by employers for the benefit of their employees. Management of the Company and the Plan Administrator believes that the Plan for the period from January 1 to December 15, 2021, was designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Based upon the Plan Administrator's certifications, administrative errors, insignificant or operational in nature, are handled by the Plan Administrator according to applicable Internal Revenue Service correction policies. Therefore, no provision for income taxes has been included in the Plan's financial statements. No penalties or interest related to income taxes have been incurred during the period from January 1 to December 15, 2021.

Note 8 - Risks and uncertainties

The Plan provides for investments in various investment securities, which, in general, are exposed to multiple risks such as interest rate, credit, and overall market volatility. Further, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and that such change could materially affect the participants' account balances and the amounts reported in the financial statements.

Note 9 - Subsequent events

Except for the termination of the Plan and transfer of the Plan Asset discussed in Note 1, management of the Plan evaluated the events and transactions subsequent to its December 15, 2021, financial statement date and, in accordance with FASB ASC 855-10-50, *Subsequent Events*, determined there were no significant events otherwise necessary for disclosure October 17, 2022, which is the financial statement issue date.
