INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Management
Integrity Home Mortgage Corp 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Integrity Home Mortgage Corp 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Integrity Home Mortgage Corp 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Integrity Home Mortgage Corp 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Integrity Home Mortgage Corp 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Integrity Home Mortgage Corp 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Integrity Home Mortgage Corp 401(k) Plan. As permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INTEGRITY HOME MORTGAGE CORP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of plan:

The following description of the Integrity Home Mortgage Corp (Company) 401(k) Plan (Plan) provides only general information. The Company is the Plan administrator and sponsor and American Trust Company is the Plan's trustee. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of the Company who have 60 days of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The entry date for elective deferrals and matching contributions is the first day of the month on or after 60 days of service and attaining age 21.

Contributions: For the year ended December 31, 2021, participants may make elective deferral contributions up to the lesser of 100% of their compensation or \$19,500. Participants over age 50 are entitled to make elective deferral contributions up to the lesser of 100% of their compensation or \$26,000, which includes catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. Participants who have not made investment elections are invested in accordance with the default investment alternatives established by the Plan. Each year, the Company may make a discretionary contribution or a matching contribution to the Plan. All employer contributions are invested in the same proportion to that of the participants. Employer contributions are based on eligible participant compensation. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's elective deferral contribution and an allocation of the Company's discretionary matching contribution. Plan earnings (losses) net of expenses are credited to each participant's account. If a participant terminates employment before being fully vested, the non-vested portion of the terminated participant's account balance remains in the plan as a forfeiture. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Forfeitures: At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$1 and \$1,763, respectively. Forfeitures attributable to nonelective contributions may be allocated as additional discretionary nonelective contributions or reduce plan expenses. Forfeitures allocated to participant accounts were \$18,531 for the year ended December 31, 2021.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions or matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service earned.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Effective March 27, 2020 through December 31, 2020 participant loans will be automatically increased to \$100,000 based on the participant's entire vested balance as provided by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). A participant can have two loans currently outstanding from the Plan. The notes are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Notes outstanding in 2021 have an interest rate of 4.25% to 7.00%. Principal and interest is paid ratably through monthly payroll deductions.

1. Description of plan, continued:

Termination of service: Upon death, disability, early retirement (which is the later of the date participants have attained age 55 or has three years of vesting service), or normal retirement, which is defined as age 65, the participant becomes 100% vested in all of their accounts under the Plan and may begin receiving benefits. Participants who terminate service for other reasons may elect to receive their benefits as soon as administratively feasible after a break in service hours. However, if the vested account balance does not exceed \$5,000 then a distribution of the account balance will be made regardless of participant consent.

Payment of benefits: On termination of service, if a participant's vested account balance does not exceed \$5,000, the account balance will only be distributed as a lump sum. If the participant's vested balance exceeds \$5,000, the participant can elect to receive the distribution in a lump sum or by partial withdrawals.

2. Summary of significant accounting policies:

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to the accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the financial statements.

Use of estimates: The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition: The Plan's investments are stated at fair value as determined by American Trust Company as of December 31, 2021 and 2020. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in common trusts held by American Trust Company are valued by applying the reported values from investment fund managers of the fund's net asset value at the valuation date as a practical expedient. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative expenses: The administrative expenses are paid by the Plan and consist of contract and third-party administration fees. Certain expenses incurred maintaining the Plan are paid directly by the Company and excluded from these financial statements.

Payment of benefits: Benefits are recorded when paid.

Continued

NOTES TO FINANCIAL STATEMENTS, Continued

2. Summary of significant accounting policies, continued:

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

3. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants would remain 100% vested in their employer contributions.

4. Tax status:

The Internal Revenue Service has determined and informed the Company by letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC; as such they assert the Plan is qualified and the related trust is tax-exempt. See Note 9 for additional information.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

5. Party-in-interest transactions:

Certain plan investments are invested in Unified Trust Collective Investment Funds. Unified Trust, a division of American Trust Company who is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions; however, are exempt from the prohibited transaction rules of ERISA. Fees incurred and paid directly by the Plan to American Trust Company for trustee and administrative services were \$28,726, for the year ended December 31, 2021. American Trust Company is the Plan trustee, and therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules of ERISA. Plan participants are parties-in-interest, therefore loans to Plan participants are considered to be party-in-interest transactions. Amounts of participant loans were \$79,987 and \$81,466, for the years ended December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS, Continued

6. **Risks and uncertainties:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. **Information certified by trustee:**

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information was certified by American Trust Company and was not subject to any auditing procedures performed by the independent accountants:

- a. Total investments as shown in the accompanying statements of net assets available for benefits of \$5,646,136 and \$3,677,827 as of December 31, 2021 and 2020, respectively.
- b. Total notes receivable from participants as shown in the accompanying statements of net assets available for benefits of \$79,987 and \$81,466 as of December 31, 2021 and 2020, respectively.
- c. Net investment earnings as shown in the accompanying statement of changes in net assets available for benefits of \$687,018 for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS, Continued

8. Fair value measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the prescribed literature are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common trust:

Wealth Preservation Strategy: Fair value of investments applying the net asset value practical expedient are based on the reported values from investment fund managers.

Stable Value: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Mutual funds: Fair value of mutual funds is determined by quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

8. Fair value measurements, continued:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 4,919,161	\$ 4,919,161	\$ -	\$ -
Total assets in the fair value hierarchy	\$ 4,919,161	\$ 4,919,161	\$ -	\$ -
Investments measured at net asset value (Common trust) *	\$ 726,975	\$ -	\$ -	\$ -
Total	\$ 5,646,136	\$ 4,919,161	\$ -	\$ -
Assets at Fair Value as of December 31, 2020				
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 3,112,430	\$ 3,112,430	\$ -	\$ -
Total assets in the fair value hierarchy	\$ 3,112,430	\$ 3,112,430	\$ -	\$ -
Investments measured at net asset value (Common trust) *	\$ 565,397	\$ -	\$ -	\$ -
Total	\$ 3,677,827	\$ 3,112,430	\$ -	\$ -

* Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have been removed from total investments in the fair value hierarchy.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value to another.

The Plan evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of different levels.

9. Subsequent events:

On January 1, 2022, the Plan was amended for a Cycle 3 restatement to bring the Plan into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37). The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The Company has evaluated subsequent events through October 14, 2022, the date which the financial statements were available to be issued. There are no other transactions through this date requiring disclosure in the financial statements.
