INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Hitachi Employee 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Hitachi Employee 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated January 3, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Hitachi Employee 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution 401(k) plan covering all employees of Hitachi America, Ltd. and its participating subsidiaries and affiliates (collectively, the "Company" or "plan sponsor") who are eligible to become a participant as of the earlier of: (a) the first entry date coinciding with, or immediately following, the date the eligible employee attains age 18 and completes at least one hour of service and, effective until January 1, 2007, is regularly scheduled to work at least 25 hours a week or (b) the January 1st or July 1st immediately following the date the eligible employee attains age 18 and completes his or her service requirement. Employees, whose terms and conditions of employment are governed by a collective bargaining agreement, are only eligible to participate if their contract states that they are eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Employees, who are eligible to participate in the Plan, may elect to defer between 1% and 100% of their compensation up to the maximum amount allowable by law in accordance with Internal Revenue Code ("IRC") limitations. The Company's match ranges from 25% to 100% of elective deferral contributions up to 3% to 6% of compensation, depending on the entity in which the participant is employed. In addition, the Company may, at its sole discretion, elect to make a profit sharing contribution to the Plan. For the years ended December 31, 2021 and 2020, the Company declared a profit sharing contribution of approximately \$5,823,000 and \$6,036,000, respectively. Participants may rollover all or a portion of a lump sum distribution from another employer's qualified retirement plan or from a rollover individual retirement account into the Plan. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. All contributions are participant-directed and subject to certain limitations.

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, various common/collective trust funds, a money market fund, and a self-directed brokerage account.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are 100% vested in their employee salary deferral account at all times. Vesting in the Company's matching contribution and profit sharing contribution is based on continuous years of service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0
1	33-1/3
2	66-2/3
3 or more	100

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Notes receivable from participants - Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Note terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The notes receivable are secured by the balances in the participants' accounts and bear interest at rates commensurate with local prevailing rates as determined quarterly by the plan administrator. Interest rates range from 3.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - A participant may withdraw all or a portion of his or her vested balance at any time after attaining age 59½. Only one such withdrawal is allowed in any twelve-month period. On termination of service, a participant will receive a lump sum payment equal to the value of his or her vested account unless the participant's account balance is over \$5,000, in which case he or she may elect to leave his or her account in the Plan until he or she reaches the later of retirement or age 70½ (or age 72 for individuals who attain age 70½ after December 31, 2019 and before July 1, 2021, as amended by the Coronavirus Aid, Relief, and Economic Security ("CARES") Act). If a participant dies before receiving a distribution of his/her vested account, his/her beneficiary(ies) shall receive the participant's vested balance in the form of a lump sum payment or installments over a specified period of time. However, if the participant's account balance is \$1,000 or less upon death, the balance will be distributed to the beneficiary(ies) in the form of a lump sum payment.

As of December 31, 2021 and 2020, \$1,141,703,509 and \$577,739,335, respectively, of the Plan's assets were allocated to the vested accounts of persons who have terminated employment with the employer but have not been paid.

The Plan also contains limited withdrawal benefits in the event of a participant's financial hardship.

Forfeited accounts - As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,240,868 and \$2,234,993, respectively. Any forfeited nonvested accounts will be used to reduce Plan expenses and/or future employer contributions. Also, for the years ended December 31, 2021 and 2020, Plan expenses and employer contributions were reduced by \$2,904,410 and \$1,356,249, respectively, from forfeited nonvested accounts.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Investment valuation and income recognition (continued) - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance, plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payments of benefits - Benefits are recorded when paid.

(3) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(3) Fair value measurements (continued)

Common/collective trust funds: Valued at NAV of units of a bank collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that the securities' liquidations will be carried out in an orderly business manner.

Self-directed brokerage account: Valued at the closing price reported on the active market on which the individual securities are traded or valued at the NAV of shares held by the Plan at year-end.

Money market fund: Valued using unadjusted quoted prices in active markets for identical assets.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

(a) The common/collective trust funds listed above are redeemed on a daily basis and do not have any redemption restrictions. Additionally, there are no unfunded commitments.

(4) Information prepared and certified by the trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from the information certified as completed and accurate by Fidelity Management Trust Company, the trustee of the Plan.

(5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

(6) Related-party transactions and party-in-interest transactions

Certain Plan investments are shares of mutual funds and investments managed by affiliates of the trustee; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and recordkeeping services amounted to \$582,603 and \$727,134, respectively, for the year ended December 31, 2021, and \$425,394 and \$454,514, respectively, for the year ended December 31, 2020. For the years ended December 31, 2021 and 2020, the Plan paid fees for ERISA legal counsel, audit fees, and administrative expenses of \$521,464 and \$291,531, respectively. Additional fees paid by the Plan for investment management services for mutual funds and common/collective trust funds are included in net appreciation in fair value of investments.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(7) **Tax status**

The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated October 25, 2013, that the Plan is designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) **Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) **Excess contributions refundable**

Contributions received from participants for 2021 and 2020 are net of payments of \$35,918 and \$201,887, respectively, that were made in 2021 and 2020, respectively, to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. As of December 31, 2021 and 2020, \$35,918 and \$201,887, respectively, have been included in the Plan's statements of net assets available for benefits as excess contributions refundable.

(10) **Reconciliation of financial statements to Schedule H of Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Hitachi Employee 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Hitachi Employee 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated January 3, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Hitachi Employee 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution 401(k) plan covering all employees of Hitachi America, Ltd. and its participating subsidiaries and affiliates (collectively, the "Company" or "plan sponsor") who are eligible to become a participant as of the earlier of: (a) the first entry date coinciding with, or immediately following, the date the eligible employee attains age 18 and completes at least one hour of service and, effective until January 1, 2007, is regularly scheduled to work at least 25 hours a week or (b) the January 1st or July 1st immediately following the date the eligible employee attains age 18 and completes his or her service requirement. Employees, whose terms and conditions of employment are governed by a collective bargaining agreement, are only eligible to participate if their contract states that they are eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Employees, who are eligible to participate in the Plan, may elect to defer between 1% and 100% of their compensation up to the maximum amount allowable by law in accordance with Internal Revenue Code ("IRC") limitations. The Company's match ranges from 25% to 100% of elective deferral contributions up to 3% to 6% of compensation, depending on the entity in which the participant is employed. In addition, the Company may, at its sole discretion, elect to make a profit sharing contribution to the Plan. For the years ended December 31, 2021 and 2020, the Company declared a profit sharing contribution of approximately \$5,823,000 and \$6,036,000, respectively. Participants may rollover all or a portion of a lump sum distribution from another employer's qualified retirement plan or from a rollover individual retirement account into the Plan. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. All contributions are participant-directed and subject to certain limitations.

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, various common/collective trust funds, a money market fund, and a self-directed brokerage account.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are 100% vested in their employee salary deferral account at all times. Vesting in the Company's matching contribution and profit sharing contribution is based on continuous years of service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0
1	33-1/3
2	66-2/3
3 or more	100

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Notes receivable from participants - Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Note terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The notes receivable are secured by the balances in the participants' accounts and bear interest at rates commensurate with local prevailing rates as determined quarterly by the plan administrator. Interest rates range from 3.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - A participant may withdraw all or a portion of his or her vested balance at any time after attaining age 59½. Only one such withdrawal is allowed in any twelve-month period. On termination of service, a participant will receive a lump sum payment equal to the value of his or her vested account unless the participant's account balance is over \$5,000, in which case he or she may elect to leave his or her account in the Plan until he or she reaches the later of retirement or age 70½ (or age 72 for individuals who attain age 70½ after December 31, 2019 and before July 1, 2021, as amended by the Coronavirus Aid, Relief, and Economic Security ("CARES") Act). If a participant dies before receiving a distribution of his/her vested account, his/her beneficiary(ies) shall receive the participant's vested balance in the form of a lump sum payment or installments over a specified period of time. However, if the participant's account balance is \$1,000 or less upon death, the balance will be distributed to the beneficiary(ies) in the form of a lump sum payment.

As of December 31, 2021 and 2020, \$1,141,703,509 and \$577,739,335, respectively, of the Plan's assets were allocated to the vested accounts of persons who have terminated employment with the employer but have not been paid.

The Plan also contains limited withdrawal benefits in the event of a participant's financial hardship.

Forfeited accounts - As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,240,868 and \$2,234,993, respectively. Any forfeited nonvested accounts will be used to reduce Plan expenses and/or future employer contributions. Also, for the years ended December 31, 2021 and 2020, Plan expenses and employer contributions were reduced by \$2,904,410 and \$1,356,249, respectively, from forfeited nonvested accounts.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Investment valuation and income recognition (continued) - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance, plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payments of benefits - Benefits are recorded when paid.

(3) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HITACHI EMPLOYEE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(3) Fair value measurements (continued)

Common/collective trust funds: Valued at NAV of units of a bank collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that the securities' liquidations will be carried out in an orderly business manner.

Self-directed brokerage account: Valued at the closing price reported on the active market on which the individual securities are traded or valued at the NAV of shares held by the Plan at year-end.

Money market fund: Valued using unadjusted quoted prices in active markets for identical assets.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 39,442,353	\$ -	\$ -	\$ 39,442,353

(a) The common/collective trust funds listed above are redeemed on a daily basis and do not have any redemption restrictions. Additionally, there are no unfunded commitments.

(4) Information prepared and certified by the trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from the information certified as completed and accurate by Fidelity Management Trust Company, the trustee of the Plan.

(5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

(6) Related-party transactions and party-in-interest transactions

Certain Plan investments are shares of mutual funds and investments managed by affiliates of the trustee; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and recordkeeping services amounted to \$582,603 and \$727,134, respectively, for the year ended December 31, 2021, and \$425,394 and \$454,514, respectively, for the year ended December 31, 2020. For the years ended December 31, 2021 and 2020, the Plan paid fees for ERISA legal counsel, audit fees, and administrative expenses of \$521,464 and \$291,531, respectively. Additional fees paid by the Plan for investment management services for mutual funds and common/collective trust funds are included in net appreciation in fair value of investments.

(7) **Tax status**

The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated October 25, 2013, that the Plan is designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) **Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) **Excess contributions refundable**

Contributions received from participants for 2021 and 2020 are net of payments of \$35,918 and \$201,887, respectively, that were made in 2021 and 2020, respectively, to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. As of December 31, 2021 and 2020, \$35,918 and \$201,887, respectively, have been included in the Plan's statements of net assets available for benefits as excess contributions refundable.

(10) **Reconciliation of financial statements to Schedule H of Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:
