INDEPENDENT AUDITOR'S REPORT

Board of Directors & the Plan's Participants
Traffic Control Specialists Inc
Knox, IN

Scope and Nature of ERISA Section 103(a)(3) Audit

We have performed audits of the financial statements of Traffic Control Specialists Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Traffic Control Specialists Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2020 and 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- information in the accompanying financial statements related to assets held by2 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Traffic Control Specialists Inc's Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Traffic Control Specialists Inc 401(k) Plan's ability to continue as a going concern for the period thru December 31, 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements,whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Traffic Control Specialists Inc 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Traffic Control Specialists Inc 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules and the financial notes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 PLAN DESCRIPTION

The following description of the Traffic Control Specialists Inc (Organization) 401k Plan (Plan) provides only general information. The Organization is the Plan administrator and sponsor and OneAmerica is the Plan trustee. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The initial effective date of the 401K plan is January 1, 2016 and amended on July 1, 2020.

Funding

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. Participants direct their investments in numerous investment options managed by OneAmerica company.

Participating employees may contribute 1% to 80% of eligible compensation through payroll deductions to the maximum amount permitted under applicable Internal Revenue Service provisions. Participants age 50 or over are allowed catch-up contributions. Rollover contributions to the Plan are also allowed.

The Organization may make a Flexible Discretionary Matching Contribution. Participants must make elective deferrals into the Plan to receive a matching contribution. The Organization did make a discretionary matching contribution for the year ended December 31, 2021 and December 31, 2020.

Allocation

Each participant's account is credited with the participant's contribution and the Organization's Discretionary Matching Contribution. Investment income or loss is allocated daily based on the ratio of each participant's account balance at the end of each day. All Participants share in the allocation of Matching Contibutions regardless of Service completed during the plan year or employment status on the last day of the plan year.

Forfeitures

The Organization may reduce employer contributions by forfeitures occurring during the Plan year that are not used to pay Plan expenses. The Plan did not reduce employer contributions with forfeitures during the Plan year. The Plan maintained a balance of $0 in the forfeiture account at December 31, 2021 and December 31, 2020.

NOTE 1: PLAN DESCRIPTION (Continued)

Vesting
Employee contributions are 100% vested. Employer matching and nonelective contributions have the following vesting schedule:

Years of Vesting Service	Vested Interest
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 or more years	100%

Termination
Although the Organization has not expressed any intent to do so, management may terminate the Plan at any time. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or one of various installment payments available under the Plan. In addition, upon termination of the Plan, participants' vested interest in employer contributions shall be 100%.

Participant Loans
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund and from (to) the Participant Notes fund. Loan terms range from one to five years or within a reasonable time if the purpose of the loan is to acquire a primary residence. The balance in the participant's account secures the loan. The interest rate is determined by the trustee. Principal and interest are repaid ratably through weekly payroll deductions.

Payment of Benefits
On retirement, death, disability, or termination of service, a participant may leave their account balance in the Plan or elect to receive a single lump-sum payment in cash. Participants are allowed to withdraw employee account balances prior to termination of their employment under certain conditions specified in the Plan. Benefit payments are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Estimates
The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Contracts
Investment contracts held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The statements of net assets available for benefits present the fair value of the investment contracts, as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value for the year ended December 31, 2021 and December 31, 2020.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses had been recorded as of December 31, 2021 or December 31, 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administration of the Plan
Certain administrative expenses of the Plan may be paid by the Organization. The Plan is not required to reimburse the Organization for any administrative expenses paid by the Organization. Expenses not paid by the Organization are paid by the Plan.

Date of Management's Review
Subsequent events have been evaluated for potential recognition or disclosure through , which is the date the financial statements were available to be issued.

NOTE 3 INCOME TAX STATUS

The Plan received a letter from the IRS identifying the Plan as acceptable under section 401 of the IRC. In the opinion of the plan administrator, the Plan is currently being operated in accordance with the Plan agreement and in conformity with the applicable provisions of the IRC and therefore exempt from federal income taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 PARTY-IN-INTEREST

Certain Plan investments are units of common/collective trust funds managed by OneAmerica through their their registered investments products.. These transactions qualify as party-in-interest transactions; however, they are exempt from the ERISA prohibited transaction rules.

NOTE 5 INVESTMENTS

Investments representing 5% or more of the Plan's net assets at December 31, 2021 and December 31, 2020 are as follows:

	12/31/2021	12/31/2020
BLACKRCK LIFEPTH IDX 2025	$ 541,699	$ 393,467
BLACKRCK LIFEPTH IDX 2040	346,409	290,211
BLACKRCK LIFEPTH IDX 2045	710,792	509,935
BLACKRCK LIFEPTH IDX 2050	300,948	197,184
BLACKRCK LIFEPTH IDX 2055	311,066	233,602
BLACKRCK LIFEPTH IDX 2060	259,630	206,115

All listed investments listed are target dated mutual funds offered thru Blackrock Management Group and are considered level 1 type investments.

NOTE 6 INFORMATION CERTIFIED BY TRUSTEE

Under the Department of Labor's regulations, certain assets and related information held by a bank, trust company or similar institution, or an insurance company, that is regulated and subject to periodic examination by a state or federal agency does not have to be audited, provided the plan administrator exercises this option and the institution holding the assets certifies the required information. OneAmerica has provided certification as to the completeness and accuracy of the investments presented in the accompanying statements of net assets available for plan benefits as of December 2021 and 2020 and in the statement of changes in net assets available for benefits for the year ended December 31, 2021. The accompanying supplemental schedule also includes investment information certified by OneAmerica as being complete and accurate.

NOTE 7 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

Note 7: Factor Value Measurements (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or December 31, 2020.

Registered investment companies – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

All investments held thru OneAmerica are considered Level 1 Investments.
