Independent Auditor's Report

To the Trustees of
Sheridan Auto Group 401(k) Plan
Wilmington, Delaware

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sheridan Auto Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report.

Basis for Opinion on the 2021 Financial Statements (Continued)

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - 2021 Supplementary Schedule Required by ERISA (Continued)

In Our Opinion

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of Sheridan Auto Group 401(k) Plan (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who have completed one year of service and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of Future Ford Sales, Inc., and Sheridan Nissan, LLC (the Companies), may participate in the Plan.

Contributions

Participants may elect to contribute portions of their annual compensation to the Plan, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their accounts into various investment options offered by the Plan. The employers will make matching contributions to the Plan, equal to 50% of the participant's deferral up to 6% of the participant's payroll compensation. The Companies may also make discretionary profit-sharing contributions to the Plan out of the employers' profits, determined at the discretion of the employers. For the year ended December 31, 2021, there were no discretionary contributions.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the employer's matching and discretionary profit-sharing contributions, and an allocation of plan earnings, and is charged with an allocation of administrative expenses, which consist of recordkeeping and investment management fees. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their plan accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50 percent of their vested account balances, whichever is less. Each loan is secured by the balance in the participant's account and bears interest at a rate that is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately fully vested in their contributions plus earnings on those contributions. Employers' matching contributions and profit-sharing contributions, if any, are subject to a vesting schedule.

Vesting Schedule - Matching Contributions	
Years of Service	Percentage
1	10%
2	20%
3	40%
4	60%
5	80%
6 or More	100%

Employers' matching contributions also become fully vested when the participant reaches normal or early retirement age while still employed or terminates employment due to death or disability.

Payment of Benefits

Distributions from amounts attributable to salary deferrals are not permitted before the age of 59½ except in the event of death, disability, or reasons of proven financial hardship. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity. For termination of service or for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan adopted the Bipartisan Budget Act of 2018 (BBA) and Great-West did a unilateral amendment to the plan document effective January 1, 2019, which includes no loan requirement prior to taking hardship withdrawals, earnings are made available for hardship withdrawals, and no suspension from deferral contributions.

Forfeitures

Participants with partial vesting in their accounts when they terminate employment with the Companies forfeit the non-vested portions of their account balances, which remain in the Plan.

As of December 31, 2021 and 2020, there were no forfeited non-vested accounts. The balance of the forfeiture accounts is used to pay plan administrative expenses or to reduce future Companies' contributions to the Plan. For the year ended December 31, 2021, \$5,156 forfeitures were used to reduce employer contributions. As of December 31, 2021 and 2020, there were no available forfeitures.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan prepares its financial statements under the accrual method of accounting.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value. Shares of registered investment companies (mutual funds) are valued at the quoted market values of shares held by the Plan at year end. The quoted market values represent the current fair market values of the underlying assets of the funds. The Plan also invests in an insurance company general account which is stated at contract value which approximates fair value. All investments are participant directed.

Purchases and sales of securities are recorded on a trade-date basis. Interest revenue is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment income consists of interest earned on the insurance company general account, and investment gain or loss for the mutual fund accounts. Investment return is reflected as net increases or decreases in investment unit values and recognized on the financial statements in the period in which such changes occur. Any dividends in the underlying mutual funds are also accounted for in the daily unit values.

Administrative Expenses

The Companies may elect to pay the administrative expenses of the Plan. If not paid by the Companies, administrative expenses are required to be paid by the Plan. All such costs and expenses, unless allocable to the accounts of particular participants, will be charged against the accounts of all participants on a pro-rata basis or in such other reasonable manner as may be directed by the Companies. In addition, certain accounting and administrative functions of the Plan are performed by employees of the Companies at no cost to the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balances plus any accrued interest.

Payment of Benefits

Benefit payments to participants are recorded when paid.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustee of the Plan, have certified that the information related to investments included in the accompanying financial statements and supplementary schedule are complete and accurate.

	December 31, 2021	December 31, 2020
Investments, at Fair Value	\$ 11,632,562	\$ 10,004,216
Investments, at Contract Value	738,725	690,169
Notes Receivable from Participants	283,274	231,586
Interest on Notes Receivable from Participants	\$ 10,115	*
Investment Return		
Net Appreciation in Fair Value of Investments	\$ 891,925	*
Interest and Dividends	770,867	*
Total Investment Return	<u>\$ 1,662,792</u>	

* Prior year information not required.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis as of December 31, 2021 and 2020.

Registered Investment Companies (Mutual Funds): The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

The preceding methods used to measure fair value may produce an estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value for December 31, 2021 and 2020:

	Total	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
<u>December 31, 2021</u>				
Mutual Funds	\$11,632,562	\$11,632,562	\$ -	\$ -
Total Investments at Fair Value	<u>\$11,632,562</u>	<u>\$11,632,562</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2020</u>				
Mutual Funds	\$ 10,004,216	\$ 10,004,216	\$ -	\$ -
Total Investments at Fair Value	<u>\$ 10,004,216</u>	<u>\$ 10,004,216</u>	<u>\$ -</u>	<u>\$ -</u>

5. FULLY BENEFIT-RESPONSIVE CONTRACTS

The Plan participates in the Key Guaranteed Portfolio Fund (KGPF), which is considered a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company (Great-West). This is a fixed account that is part of the general account of Great-West. Interest earned on the Participant Account Values invested in the KGPF is compounded daily at the effective annual interest rate.

Before each calendar quarter, Great-West will establish and declare the interest rate to be credited to the Plan's assets held in the KGPF during that quarter. The effective annual interest rate will never be less than 0%.

Great-West shall defer processing distribution or transfer requests if transactions cannot be executed or settled due to the closing or disruption of financial markets or exchanges. Great-West shall resume the processing distributions and transfers once the disruption is resolved.

The value of the KGPF in respect of the Participant Account is determined as the value of the sum of the participant's KGPF contributions and deposits plus interest to the KGPF, less the sum of any amounts distributed, transfers, and any applicable fees and charge. In the event of a full plan termination, Great-West will remit to participants the Participant Account Value invested in the KGPF.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has an insurance investment contract managed by Great-West Life & Annuity Insurance Company, which is part of the general account of Great-West Trust Company, LLC, the trustee of the Plan. This qualifies as a party-in-interest transaction. The Plan paid administrative fees of \$47,872 for the year ended December 31, 2021, of which \$18,302 was paid to Great-West Life & Annuity Insurance Company.

7. PLAN TERMINATION

Although the Companies have not expressed any intent to do so, they have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

8. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements.

Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2021 and 2020.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the year ended December 31, 2021.

The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19 Pandemic and CARES Act

The spread of COVID-19 (coronavirus disease) has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world. There is uncertainty about financial and economic impacts in all sectors of the economy. The financial markets have experienced significant volatility, and this may continue for an extended period of time. In light of these circumstances, the Plan's management continues to assess how best to adapt to changed circumstances.

SHERIDAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

9. RISKS AND UNCERTAINTIES (CONTINUED)

COVID-19 Pandemic and CARES Act (Continued)

In response to the spread of COVID-19, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which was signed into law March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) which was signed into law December 29, 2019, were provided for plan sponsors. The provisions are at the discretion of the Plan's management.

In April, provisions under the CARES Act were implemented which include, among others, increasing the maximum distribution and loan amounts allowed, relief of loan repayment, temporary suspension for 2020 required minimum distributions, and a delay in the minimum required contribution to a single-employer plan until 2021. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan will be amended for any provisions elected in accordance with applicable law and IRS Guidance.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500
