INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
US Acute Care Solutions Profit Sharing/401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of US Acute Care Solutions Profit Sharing/401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Under this provision of the Plan, the Company automatically withholds a deferral amount of 1% of compensation for each pay period for eligible participants unless participants elect different deferral rates or elect not to participate in the Plan. The Company does not make matching contributions to the Plan; however, they may make additional discretionary contributions. The Company made discretionary contributions of 10% of its participants' eligible compensation during the years ended December 31, 2021 and 2020. Included in the discretionary contributions are safe harbor non-elective employer contributions equal to 3% of the participants' eligible compensation for each Plan year. Aggregate discretionary contributions totaled \$53,268,300 and \$47,602,124, respectively, for the years ended December 31, 2021 and 2020.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, their respective employer's discretionary contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations of the discretionary contributions are based on the participants' compensation. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in all contributions plus earnings thereon.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct contributions to their accounts into various investment options offered by the Plan, or act as their own asset manager and select the option of a self-directed investment account. Assets reported as self-directed investments are the aggregate of all self-directed funds.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or separation of service, participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The participant may also elect to receive their distribution in installment payments or an annuity. However, if the vested account balance is less than \$1,000, a lump sum distribution will be made to the participant regardless of whether the participant elects to receive it. Participants may also be permitted to receive a distribution from their account prior to termination of employment if they experience financial hardship. Any hardship distribution would be limited to actual participant contributions not previously withdrawn.

A participant ordered or called to active duty for a period in excess of 179 days or for an indefinite period by reason of being a member of a reserve component (as defined in section 101 of title 37, United States Code), shall be eligible to elect to receive a Qualified Reservist Distribution. This is a distribution from the participant's account under a systemic withdrawal plan of amounts attributable to deferral contributions, provided such distribution is made during the period beginning on the date of the order or call to active duty and ending at the close of the active duty period.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In December 2019, the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. The CARES Act was designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspended required minimum distribution provisions for the year ending December 31, 2020 and allowed qualified participants impacted by the COVID-19 pandemic to withdraw up to \$100,000 of their vested account balance without being subject to the 10% early withdrawal penalty from January 1, 2020 to December 31, 2020. In addition, the minimum distribution requirement was waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivable are secured by the balance in the participant’s account and bear interest at rates that are commensurate with local prevailing rates. Note receivable terms range from one month to five years, or up to 10 years for the purchase of a primary residence. Principal and interest are paid ratably through monthly payroll deductions.

The CARES Act allowed participants to borrow up to \$100,000, or 100% of their vested account balance between the period of March 27, 2020 and September 27, 2020. The first payment date on a new loan was deferred up to one year. Participants with outstanding loans (meaning loans taken before the CARES Act was enacted) for which a payment was due between March 27, 2020 and December 31, 2020, could delay their loan repayment up to one year. Interest continued to accrue on these deferred payments. The term of the loan was extended by the length of the deferment period.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting (GAAP).

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses related to the self-directed investments are paid by the Plan; all other administrative expenses are paid by the Company. Expenses paid by the Company are excluded from these financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*CONTINUED*)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for doubtful accounts was recorded as of December 31, 2021 and 2020.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 17, 2022, the date these financial statements were available to be issued. There were no other events identified that required recognition or disclosure in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 -FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**US ACUTE CARE SOLUTIONS
PROFIT SHARING/401(k) PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 -FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or are corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market fund – Valued based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Registered investment companies - Investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Self-directed investments (including US Treasury Notes) – US Treasury Notes valued at a percentage of par on the secondary market on which the individual securities are traded. Self-directed investments (excluding US Treasury Notes) accounts primarily consist of actively-traded registered investment companies, corporate bonds, money market, and cash funds that are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

NOTE 4 -FAIR VALUE MEASUREMENTS (CONTINUED)

Common collective trust – The fair value of the underlying assets are used to determine the net asset value (NAV) of the funds. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

NOTE 5 - TAX STATUS

Effective April 19, 2021, the Company adopted a pre-approved defined contribution plan that received an opinion letter from the Internal Revenue Service dated June 30, 2020, which stated that the pre-approved defined contribution plan, as then designed, was acceptable under section 401 of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Company intends to amend the Plan on a timely basis to comply with all applicable, recently adopted laws and regulations.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2021 and 2020 are invested in funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan document and, therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – RECONCILIATION TO THE FORM 5500
