REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Participants and Plan Committee
AMICO Holding Company 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of AMICO Holding Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the period from May 1, 2021 (inception) to December 31, 2021, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the period from May 1, 2021 (inception) to December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMICO Holding Company 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the AMICO Holding Company 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of AMICO Holding Company (the "Sponsor" or "Employer" or "Company") eligible to participate. The Plan commenced operations on May 1, 2021. Employees ("Union Employees") who are members of the United Steelworkers, AFL-CIO-CLC (the "Birmingham Union") are eligible to participate in the Plan after three months of service. All other employees (Non-Union Employees) who have attained at least six months of service are eligible to participate. At the time of commencement, for determination of eligibility, employees were credited with service time for the period they were employed by the former parent company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Participant Contributions

All participants are eligible to make contributions to the plan after six months of service with the Company. Participants may contribute up to 100% of their annual compensation, not to exceed the ceiling imposed by the Internal Revenue Code ("IRC") of \$19,500 for 2021, as prescribed in the plan agreement. If a participant is age 50 or over, the ceiling is increased to \$26,000 for 2021. Participants may designate contributions as Roth contributions. The Plan provides an automatic enrollment feature for eligible employees who do not affirmatively make an elective deferral to the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may elect to discontinue their participation at any time.

Participant Rollover Contributions

For the period from May 1, 2021 (inception) to December 31, 2021, the rollovers into the Plan were substantially due to the Sponsor spinning off from its former parent company. As a newly formed company, the Sponsor set up the Plan and allowed its eligible employees to rollover their accounts held in the former parent's qualified 401(k) retirement plan to the newly formed Plan. Additionally, newly hired employees are able to roll balances held from other qualified retirement plans into the Plan. An aggregate of \$19,552,586 was rolled into the Plan during the period from May 1, 2021 (inception) to December 31, 2021 and is included in rollovers on the statement of changes in net assets available for benefits.

Safe Harbor Matching Employer Contributions

After six months of service at the Company, the Company matches contributions to the Plan equal to 100% of the first 3% of the participants' elective deferrals and 50% of the following 2% of the participants' elective deferrals for both Union and Non-Union Employees.

Nonelective Employer Contributions

For Union Employees, after three months of service at the Company, the Company contributes an amount equal to \$0.50 for each paid hour. The Company may also make a discretionary nonelective employer contribution, provided the employee is employed by the Company on the last day of the plan year and earns at least 1,000 hours of service during the plan year. No discretionary nonelective employer contributions were made by the Company for the period from May 1, 2021 (inception) to December 31, 2021.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

Administration

Fidelity Management Trust Company ("Fidelity") is the Plan Trustee, record keeper, and served as the custodian of the Plan's assets for the period from May 1, 2021 (inception) to December 31, 2021.

Participant Accounts

Separate accounts are maintained for each plan participant. Each participant's account is credited or charged, as applicable, with the participant's contribution and an allocation of the Company's contribution and the participants share of investment earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on an annual fixed fee, participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants' contributions plus actual earnings thereon and the Employer's matching contributions, plus actual earnings thereon are 100% vested and non-forfeitable.

Notes Receivable from Participants

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding loan balance in the participants account during the prior twelve-month period. Participants are permitted to have only two loans outstanding at any time. Notes receivable shall not exceed five years, except for a maximum of ten years for the purchase of a primary residence. The interest on loans from the Plan will be computed based on the prime rate plus 1% at that time the loan is made. The interest rates ranged from 4.25% to 6.50% on loans outstanding on December 31, 2021. Participant loans mature through 2031 as of December 31, 2021. Principal and interest is paid ratably through monthly payroll deductions.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any or all of the investment options offered by the Plan for investment.

Payment of Benefits

Upon retirement, termination of employment, death or disability, participants or their beneficiaries may elect to receive their account balances in a single sum or in equal annual, or more frequent installments over a period not to exceed the life expectancy of the participant or the joint life expectancy of the participant and his beneficiary. The Plan also allows in-service withdrawals, such as hardship withdrawals, under certain conditions based on the participant's eligibility and approval by the Plan administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and

AMCIO Holding Company 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are held by the Trustee. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions when they are determined to be uncollectible. There is no reserve for credit losses as of December 31, 2021.

Risk and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

All of the costs of administration of the Plan are paid by the Company or charged to the participant's account. Brokerage commissions and similar costs of acquiring or selling securities (if any) that are incurred by the investment funds are charged directly to the participant's account and are included in administrative expenses. Origination fees for each loan are also charged directly to the participant's account and included within administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 - PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2021, certain plan investments are managed by Fidelity, the Plan's trustee, and therefore these transactions qualify as party in interest transactions. Transactions in such investments qualify as party in interest transactions which are exempt from the prohibited transaction rules. Fidelity provides certain administrative services to the Plan pursuant to a Trust Agreement between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

NOTE 4 - FINANCIAL DATA CERTIFIED BY PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AMCIO Holding Company 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statement of net assets available for benefits as of December 31, 2021.
- Interest and dividends, net appreciation in fair value of investments, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the period from May 1, 2021 (inception) to December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The independent accountants obtained and read the certification, compared the certified investment information with the related information presented and disclosed in the 2021 financial statements, and read the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

NOTE 5 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the best level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Collective trust: A stable value fund valued at the respective net asset value ("NAV") of units of the collective trust. The NAV is calculated by the fund based on net assets, which includes fully benefit-

AMCIO Holding Company 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

responsive investment contracts at contract value. This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund and is used as a practical expedient to estimate fair value.

Registered investment companies (mutual funds): valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash equivalents: These investments are primarily composed of money market funds. Money market funds are public investment vehicles valued using \$1 for the net asset value and are classified within Level 1 of the valuation hierarchy.

The following table, set forth by level within the fair value hierarchy, shows the Plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,139,975	\$ -	\$ -	\$ 20,139,975
Cash equivalents	741,072	-	-	741,072
Total assets in the fair value hierarchy	<u>\$ 20,881,047</u>	<u>\$ -</u>	<u>\$ -</u>	20,881,047
Investments at NAV ⁽¹⁾				
Stable value collective trust fund				<u>132,658</u>
Total assets at fair value				<u>\$ 21,013,705</u>

⁽¹⁾ In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The collective trust fund is measured at NAV as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. The net asset value of the funds is calculated daily.

NOTE 6 - STABLE VALUE FUND

The Plan's investments include an investment in the Fidelity Managed Income Portfolio CL1 (the "Fund"), stable value fund which is intended to maintain a stable asset value of \$1.00 per unit. The net asset value for the fund is quoted in a private market and is based on the fair value of the underlying assets owned by the fund, which are predominantly traded in an active market. These investments are redeemable at contract value under the fund's terms of operations. Participant directed withdrawals or exchanges may be made on a daily basis. Plan directed withdrawals require notice to Fidelity and could result in the redemption rights being restricted for up to twelve months. As of December 31, 2021, the Plan had not provided Fidelity with advance notice to terminate the Plan's investment in the MIP.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - INCOME TAX STATUS

The Sponsor adopted a prototype plan document sponsored by Fidelity. The Internal Revenue Service ("IRS") determined and informed Fidelity in an opinion letter dated June 30, 2020 that the prototype plan document is designed in accordance with the IRC. The Plan has been amended since the date of the IRS' opinion letter on the prototype plan. The Sponsor and the Plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan is exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - SUBSEQUENT EVENTS

On September 22, 2022, the Company adopted an amendment to the plan taking effect January 1, 2023. Under this amendment, Union Employees, are no longer eligible to receive the Safe Harbor Matching Employer Contribution. Instead, the amendment allows Union Employees to receive matching employer contributions of 100% up to 3% of a qualified employees elective deferrals after three months of service.

The Plan has evaluated subsequent events (events occurring after December 31, 2021) through October 17, 2022, the date the financial statements were available to be issued and is not aware of any other subsequent events that would require recognition or disclosure in the financial statements.
