INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust (formerly Sherman Associates Support Services Incorporated 401(k) Profit Sharing Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

(Continued)

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Continued)

2021 Supplementary Schedules Required by ERISA

The supplementary schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SA SUPPORT SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and
For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the SA Support Services, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") (formerly Sherman Associates Support Services Incorporated 401(k) Profit Sharing Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution safe harbor 401(k) profit sharing plan and trust covering substantially all employees who have completed one year of employment with at least 1,000 hours of service and are age twenty-one or older. The Plan excludes collective bargaining (union) employees and non-resident aliens.

The Plan's trustee is Principal Trust Company (the trustee). The Plan Sponsor and Administrator is Sherman Associates Support Services Incorporated. In January 2021, the Plan Sponsor and Administrator changed its name to SA Support Services, Inc. (the Employer). SA Hospitality Management LLC. is also a participating employer in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Investments with Principal Trust Company are held in mutual fund accounts, common/collective trust accounts, and a pooled separate account. The investment contract is issued by Principal Life Insurance Company and is held by Principal Trust Company.

Contributions - Participants are allowed to make an elective deferral contribution up to IRS limits. These contributions can be made pre-tax (traditional 401(k)) or after-tax (Roth 401(k)). In addition, participants who have attained the age of 50 are allowed to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer makes safe harbor matching contributions to the Plan equal to the sum of 100% of each participant's deferred contribution up to 3% of the participant's compensation, plus 50% of each participant's deferred contribution that exceeds 3% up to 5% of the participant's compensation. The Plan allows for Employer discretionary contributions in amounts determined at the sole discretion of the Employer. A participant must be participating in the Plan and employed on the last day of the Plan year in order to be eligible for the discretionary contributions. No discretionary additional matching contributions were made in 2021 or 2020.

SA SUPPORT SERVICES, INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and
For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) employer safe harbor matching contributions plus the employer's discretionary additional matching contributions or non-elective contributions, if any, and (b) Plan earnings, losses, increases and decreases in the value of investments, net of expenses. Allocations are based on participant deferrals, account balances or participant earnings, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The participant's elective deferral contributions and earnings thereon are always 100% vested. For employer safe harbor matching contributions, discretionary contributions, and earnings thereon, a participant is always 100% vested. Notwithstanding the above, a participant's account will be fully vested upon death, disability, or retirement after age 65 is reached.

Forfeitures - Forfeitures are used to pay any administrative expenses under the Plan. Any remaining forfeitures will be used to reduce future employer contributions payable under the Plan, at the discretion of the employer. At December 31, 2021 and 2020, no forfeitures were available to pay administrative expenses or reduce future employer contributions. In 2021, no forfeitures were used to reduce future employer contributions or pay administrative expenses.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 and a maximum amount equal to the lesser of \$50,000 minus the highest outstanding balance of loans in the past 12 months, or 50% of their vested account balance. Notes are for terms up to 5 years. Notes are secured by the balance in the participant's account and bear interest at a reasonable fixed rate as determined by the loan administrator. Interest rates on notes outstanding at December 31, 2021 ranged from 5.25% to 6.75%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - On termination of service due to death, disability or retirement, and for termination of service due to other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. If a participant terminates employment and the participant's vested account balance is less than \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent. The Plan also allows for in-service withdrawals and hardship withdrawals subject to Plan provisions.

1. DESCRIPTION OF THE PLAN (Continued)

Investment Options - Participants are allowed to direct their contributions among the investment options offered by the Plan. Employer contributions are allocated on the same basis as participant contributions.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of any financial statements in accordance with U.S. generally accepted accounting principles may require management to make estimates that affect amounts reported and disclosed in the financial statements. Actual results could differ from such estimates.

Valuation of Investments and Income Recognition - Investments are reported at fair value except for the Fixed Income Guaranteed Option Fund, which is a fully benefit-responsive investment contract reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants - Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

Administrative Expenses - The Employer pays certain administrative expenses on behalf of the Plan. Expenses that are paid from Plan assets are reflected in the statement of changes in net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements was obtained from data that was prepared and certified as complete and accurate by Principal Trust Company, the Plan trustee.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: The pooled separate account is invested in a distinct underlying mutual fund. The fair value of the pooled separate account is determined using the value per unit, which is based on the value of the underlying mutual fund shares which are actively traded. There are no redemption restrictions in the pooled separate account. Because net asset value (NAV) is used as a practical expedient, these investments are not categorized within the fair value hierarchy.

4. FAIR VALUE MEASUREMENTS (Continued)

Common/collective trust funds: The fair value per unit of investments in a common/collective trust is determined by each fund's trustee based on the fair value of the underlying securities within that fund divided by the number of units trading. Plan management believes using net asset value as a practical expedient to estimate fair value is appropriate for investments in the common/collective trust. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The Plan's investment in the common/collective trust fund is not subject to any significant withdrawal or redemption restrictions. The Plan has no unfunded commitments relating to the common/collective trust funds at December 31, 2021 and 2020. The common/collective trust investments that were measured at net asset value per share have not been classified in the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2021:				
Mutual funds	\$ 323,514	\$ -	\$ -	\$ 323,514
Common/collective trust funds measured at net asset value per share				6,553,856
Pooled separate account measured at net asset value per share				12,224
Investments at fair value				\$ 6,889,594

4. FAIR VALUE MEASUREMENTS (Continued)

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2020:				
Mutual funds	<u>\$ 362,950</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 362,950
Common/collective trust funds measured at net asset value per share				5,203,962
Pooled separate account measured at net asset value per share				<u>4,060</u>
Investments at fair value				<u><u>\$ 5,570,972</u></u>

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

The Plan participates in the Principal Fixed Income Guaranteed Option Fund under a group variable annuity investment contract issued by Principal Life Insurance Company (Principal Life). Principal Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Principal Life has issued the contract to Principal Trust Company, where contributions are maintained. Principal and interest are fully guaranteed by the entire general account assets of Principal Life. The Fund's primary objective is stability of principal.

Interest is credited at the net crediting rate which is based on a formula agreed upon with Principal Life and resets semi-annually. The net crediting rate was approximately 1.55% and 1.60% at December 31, 2021 and 2020, respectively.

5. INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus interest credited, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value without restriction or penalty.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) termination of the Plan, (2) partial plan termination, spin-off, or a combination or series of such partial plan terminations or spin-offs, or any other action or change with regard to the Plan that is expected to result in an estimated 50% drop in Covered Funds as defined in the contract, (3) termination of any recordkeeping arrangement, service agreement, or other contractual arrangement between the Plan and any affiliate of the contract issuer, or (4) termination of the contract. The Plan Administrator does not believe the occurrence of any event, which would limit the Plan's ability to transact at contract value with participants, is probable.

6. INCOME TAX STATUS

The prototype plan document adopted by the Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions and all of the assets will be distributed to the participants based upon the balance in their respective accounts.

8. PARTY-IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Trust Company who is the Plan trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The investment contract is issued by Principal Life Insurance Company, an affiliate of the trustee.

Notes receivable from participants qualify as party-in interest transactions.

The Plan's sponsor pays certain administrative expenses of the Plan.

9. CORONAVIRUS (COVID-19) PANDEMIC

A nationwide public health emergency began developing in 2020. Many states enacted measures to combat the global pandemic resulting from a novel strain of coronavirus known as COVID-19. Measures have included regulatory restrictions on individual and business activities as well as recommendations for further voluntary curtailment of activities. This matter had effects on Plan operations and investment performance, however the extent of the impact of COVID-19 on the Plan will depend on future developments, including the duration and spread of the outbreak and related regulatory orders, all of which are highly uncertain and cannot be predicted at this time.

10. SUBSEQUENT EVENTS

The Plan Document was restated effective February 18, 2022, to comply with Internal Revenue Service regulations.

Management has evaluated subsequent events through October 11, 2022, the date on which the financial statements were available for issue, and identified no further significant events or transactions to disclose.
