INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Kornit Digital North America Inc. 401k Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Kornit Digital North America Inc. 401k Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kornit Digital North America Inc. 401k Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kornit Digital North America Inc. 401k Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit

evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kornit Digital North America Inc. 401k Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kornit Digital North America Inc. 401k Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kornit Digital North America Inc. 401k Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at the end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following brief description of the Kornit Digital North America, Inc. Profit Sharing Plan (the “Plan”) is for general information only. Participant should refer to the plan document for a complete description of the Plan’s provisions.

The Plan is a qualified profit sharing plan established July 1, 2008, which has been amended and restated effective May 01, 2022. The Plan was amended to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

On January 1, 2021, the Plan was amended to redefine the definition of eligible compensation, to exclude bonuses and noncash fringe benefits.

Eligibility:

Contributions:

The Plan provides each participant with an opportunity to make elective pre-tax contributions and/or Roth Elective Deferrals to the Plan, up to 90% of compensation, and subject to the limitations of the Internal Revenue Code (“IRC”). Eligible employees are automatically enrolled at a rate of 4% after 45 days from their hire date unless they opt out within the 45-day period. The Company is required to make safe harbor matching contributions equal to 4% of their eligible contributions. The Company may also make a discretionary matching contribution and or profit sharing contribution in accordance with the provisions contained in the plan document. No employer discretionary match contributions and profit sharing contributions were made for the years ended December 31, 2021 and 2020.

Vesting:

2	50%
3	75%
4	100%

Forfeitures:

Forfeitures, plus earnings thereon, can be used to reduce plan administrative expenses or future employer contributions. Total forfeitures during 2021 were \$13,650, while \$13,650 was used to offset employer contributions. Forfeitures remaining as of both December 31, 2021 and 2020 were \$10.

Participants Accounts:

Each participant's account is credited with their contributions, employer contributions, and the earnings thereon. Contributions to the Plan are invested by the custodian as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the plan document.

Notes Receivable from Participants:

Participants are permitted to borrow from their accounts a minimum of \$1,000 and up to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance of the participant's account and bear interest at rates similar to those charged by commercial lenders under similar terms. The maximum term of the loan is five years unless the loan is used to purchase a principal residence. Loans are repaid through payroll deductions according to due dates specified in the individual promissory note. Loans are measured at their unpaid principal balance plus any accrued, but unpaid interest. As of December 31, 2021, the interest rates on the outstanding notes receivable from participants ranged from 5.25% to 6.75%.

Loans issued between March 27, 2020 and September 22, 2020, participants could borrow up to the lesser of \$100,000 or their vested account balance, in accordance with the CARES Act.

Benefits:

In the event of death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or an annuity as specified by the Plan. Vested account balances less than \$5,000 upon termination may be distributed without the participant's consent in a lump-sum.

In accordance with the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, participants impacted by COVID-19 may take coronavirus-related distributions before December 31, 2020 of up to \$100,000 without the 10% early withdrawal tax penalty. These distributions may be repaid, in full or partial, over a three year period. Any amount repaid will not be subjected to income tax. In addition, required minimum distributions ("RMD") are waived for 2020. The waiver also applies to individuals who turned 70 and ½ in 2019 and had not paid a RMD before January 1, 2020.

Rollover:

An employee may rollover distributions from a former employer's qualified plan to the Plan, regardless of eligibility if it has been determined by the plan administrator to be an "eligible rollover distribution" as defined by the Internal Revenue Code ("IRC").

Administrative Expenses:

All transaction fees are paid from participants' accounts. Substantially all other administrative expenses of the Plan are paid by the Company.

SECURE and CARES Acts:

In 2020, certain provisions under the SECURE and CARES Acts relating to participant distributions and participant loans were enacted. The SECURE and CARES Acts allow for utilization of these provisions immediately but require formal adoption of the amendments no later than December 31, 2022.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits:

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Excess Contributions Payable:

Amount payable to participants for contributions in excess of amounts allowed by the Internal Revenue Services ("IRS") or Plan provisions are recorded as a liability with corresponding reduction to contributions.

Subsequent Events:

The Plan has evaluated subsequent events through October 4, 2022, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

NOTE 3: INVESTMENT AND NOTES RECEIVABLE FROM PARTICIPANTS INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following is a summary of the investments and notes receivable from participants information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Reliance Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Information relating to investments and notes receivable from participants held by the trustee at December 31, 2021 and 2020 is as follows:

	2021	2020
Investments at fair value	\$ 6,303,804	\$ 4,158,460
Notes receivable from participants	129,510	57,246

The following was also certified by the trustee for the year ended December 31, 2021:

Interest and dividend income	<u>\$ 770,324</u>
Interest income on notes receivable from participants	<u>\$ 4,679</u>

NOTE 4: FAIR VALUE MEASUREMENTS

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical investments.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments.

Mutual funds are stated at fair value based on quoted prices in an active market for each share held by the fund.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodology used at December 31, 2020 and 2019.

Investments at fair value as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,303,804	\$ -	\$ -	\$ 6,303,804

Investments at fair value as of December 31, 2020 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,158,460	\$ -	\$ -	\$ 4,158,460

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5: PARTIES-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2021, Reliance Trust Company was the trustee as defined by the Plan. Administrative expenses paid by the Plan to the custodian qualify as a party-in-interest transaction. Additionally, fees paid during the year to Stifel Nicolaus & Co, the investment advisor of the Plan, and to ADP, the record-keeper of the Plan, also qualify as parties-in-interest transactions. Total administrative expenses paid by the Plan to parties-in-interest amounted to approximately \$42,000 for the year ended December 31, 2021.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan in whole or in part at any time subject to the provisions set forth in the Employer Retirement Income Security Act of 1974 ("ERISA"). Upon termination, partial termination or complete discontinuance of contributions under the Plan, all participants become fully vested in their individual accounts.

NOTE 7: TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax-exempt status, the master prototype plan from which the Plan was drafted has received a favorable opinion letter from the IRS dated March 27, 2012. The Plan administrator believes that the Sponsor has operated the Plan in a manner that did not jeopardize this tax status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 8: RISK AND UNCERTAINTIES

The Plan's investments are concentrated in funds that invest in marketable securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain securities and level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.
