Independent Auditor's Report

To the Plan Administrator
Holladay Property Services Midwest, Inc.
401(k) Profit Sharing Plan
South Bend, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Holladay Property Services Midwest, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following description of the Holladay Property Services Midwest, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all nonunion employees of Holladay Property Services Midwest, Inc. and Holladay Construction LLC, collectively (the "Company" or the "Plan Sponsor") who elect to participate after completing three months of service. Plan entry occurs on the first day of each calendar quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Administration

At December 31, 2021 and 2020, the assets of the Plan were record-kept by Securian Financial Services ("Securian") where certain investments are held.

The Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. Effective April 3, 2020, the Plan adopted the applicable provisions of the CARES Act, specifically, allowing CARES Act related distributions and loan deferments throughout the remainder of 2020.

Contributions

The Plan is a contributory plan whereby an employee who elects to participate may contribute up to 100% of the participant's compensation subject to limitations as defined by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth contributions and in-plan Roth rollover conversions. Participants may also contribute amounts representing distributions from other qualified defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may also make discretionary matching and profit-sharing contributions at the option of the Company's board of directors. The Company matched 25% of the first 4% of eligible compensation that a participant contributed to the Plan in 2021. Matching contributions totaled \$176,075 in 2021. Discretionary profit-sharing contributions for the year ended December 31, 2021 totaled \$43,600.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balance fund. Automatic enrollment deferral contributions are increased 1% each year up to 10%.

Participant Accounts

Each participant's account is credited with their personal contributions, the Company's discretionary matching and profit-sharing contributions, and earnings on the account, and charged with benefit payments, losses on the account, and certain administration expenses. Allocations are based on the participant's earnings, account balances, or specific participant transactions, as defined. Forfeitures may be added to the discretionary profit-sharing contributions and allocated in the same manner or allocated among participants based upon each participant's compensation as a percentage of total compensation of all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Holladay Property Services Midwest, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Vesting

Participants are vested immediately in their deferral including Roth, catch up contributions and rollover contributions. Vesting in the Company's matching and profit-sharing contributions portion of participants' accounts, if any, plus actual earnings thereon based on years of continuous service, with one year of vesting defined as 1,000 hours of service during the Plan year. Participants vest in Company matching and profit-sharing contributions and earnings thereon, 20 percent after one year with an additional 20 percent each year thereafter until fully vested after five years of service.

Retirement, Death and Disability

A participant is entitled to 100 percent of his or her account upon retirement, death or disability.

Forfeitures

During 2021, \$7,307 of forfeited employer contributions were used to offset Plan administrative expenses. As of December 31, 2021 and 2020 forfeited accounts held by the Plan totaled \$30,559 and \$26,291, respectively. Forfeitures may first be applied to offset employer contributions and administrative expenses of the Plan which would otherwise be paid by the Company or reallocated to eligible participants based upon their respective compensation.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum amount equal to the lesser of \$50,000 or 50 percent of their vested account balance (reduced by any outstanding loan balance, outstanding during the previous 12 months). The loans are to be repaid over a period not to exceed five years, except as to loans used to acquire a principal residence, in which event the term is to be no more than 30 years. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. Principal and interest are repayable through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant (or the participant's beneficiary in the event of death) may elect to receive the vested interest in his or her account as a lump-sum distribution. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Withdrawals may also be made when a participant attains age 59½ or demonstrates financial hardship. Other certain in-service withdrawals are also permitted.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Holladay Property Services Midwest, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Investment Valuation

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments includes the plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distribution and administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments on the Statement of Changes in Net Assets Available for Benefits.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices for identical or similar assets or liabilities in inactive markets,
- inputs other than quoted prices that are observable for the asset or liability, and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Account: Units held in the pooled separate account ("PSA") are valued at the net asset value ("NAV") based on the fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by Securian Financial, is used as a practical expedient to estimate fair value. These investments are direct filing entities.

Investment measured at the NAV as a practical expedient are summarized as follows:

<i>Fair Value at December 31,</i>	2021	2020	Unfunded Commitments	Redemption Notice Period	Redemption Frequency
Equities	\$ 7,095,443	\$ 5,897,411	\$ -	Daily	None
Target Date	1,461,608	4,924,500	-	Daily	None
Fixed Income	6,252,092	1,216,744	-	Daily	None
Real Estate	354,255	233,912	-	Daily	None
Total investments measured at					
NAV as practical expedient	\$ 15,163,398	\$ 12,272,567	\$ -		

4. Investment Contract with Insurance Company

The Plan holds a fully benefit-responsive investment contract with Minnesota Life. Minnesota Life maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Based upon Minnesota Life's recent credit ratings, Plan management has determined that no adjustment to contract value is required related to the credit quality of the issuer of this contract. There are no reserves against contract value for credit risk of the Issuer or otherwise.

The Plan's investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances include Plan termination, Plan merger, premature contract termination initiated by the Company, and certain other Company-initiated events that result in distributions exceeding a set amount. The contract limits the circumstances under which Minnesota Life may terminate the contract. Examples of circumstances that would allow Minnesota Life to terminate the contract include the Plan's loss of its qualified status or material and adverse changes to the provisions of the Plan. If one of these events were to occur, Minnesota Life could terminate the contract at an amount less than contract value. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Notes to Financial Statements

5. Related Party and Party-in-Interest Transactions

Certain plan investments are in funds that are managed by Securian Financial. Participant loan and distribution processing fees are paid to Securian Financial by participants. The Plan pays for third-party administrator fees, investment advisory, and plan audit fees which qualify as party-in-interest transactions. Total fees paid by the Plan to service providers to the Plan for asset charges, administration fees, and loan fees amounted to \$11,121 for the year ended December 31, 2021.

6. Information Certified by Securian Financial

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2021 and 2020. Accordingly, Securian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate for the years ended December 31, 2021 and 2020.

<i>December 31,</i>	<i>2021</i>	<i>2020</i>
Investments, at fair value	\$ 15,163,398	\$ 12,272,567
Guaranteed return account	\$ 373,332	\$ 340,860
Notes receivable from participants	\$ 104,611	\$ 156,042

<i>Year Ended December 31,</i>	<i>2021</i>
Net appreciation in fair value of investments	\$ 1,899,983
Interest income on notes receivable from participants	\$ 7,634

The Plan's auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

8. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter dated March 31, 2014, indicating that the plan document adopted by the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended from the original prototype document, plan management believes that the Plan is currently being operated in accordance with the IRC. On November 30, 2020, Retirement Plan Concepts & Services, Inc. received an opinion letter from the IRS stating that its pre-approved plan satisfied the requirements of the IRC. Effective July 1, 2022, the Plan was restated for regulatory compliance purposes and adopted a pre-approved plan document of Retirement Plan Concepts & Services Inc.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions.

Notes to Financial Statements

9. Risks and Uncertainties

The Plan provides for investment options within pooled separate accounts and a fully benefit- responsive investment contract. Investments are exposed to various risks such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. Subsequent Events

The Plan has evaluated subsequent events from the date of the Statement of Net Assets Available for Benefits through October 17, 2022, the date the financial statements were available to be issued and determined that no subsequent events occurred requiring adjustments to, or disclosure in, the financial statements, except as disclosed in Note 8.
