### **INDEPENDENT AUDITOR'S REPORT**

#### **To the Board 401(k) Committee FirstBank Southwest 401(k) & Profit Sharing Plan**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of First Bank Southwest 401(k) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements are comprised of the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 financial statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of a Matter***

As discussed in Note 9 to the financial statements, the Plan has been negatively impacted by the effects of a significant economic downturn in the United States and other global markets subsequent to year end. The full impact on the Plan's future financial position is not known as of the date of this report. The financial statements do not contain any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FBSW 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i–Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by the Plan and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The financial statements of First Bank Southwest 401(k) and Profit Sharing Plan for the year ended December 31, 2020 were audited by another auditor whose report dated September 1, 2021, expressed a disclaimer of opinion. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed them not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated September 1, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**FIRSTBANK SOUTHWEST 401(k) & PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2021**

**Note 1 - Description of the plan:**

The following description of FirstBank Southwest (the “Company”) 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. The Plan agreement should be referred to for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan covering qualified employees of FirstPerryton Bancorp and a related employer. The related employer that also participates in this plan is FirstBank Southwest. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Eligibility*

Employees who are twenty years of age or older and have completed 6 months of service of employment are eligible to participate in the Plan. Employees whose employment is governed by a collective bargaining agreement, who are non-resident aliens, or are leased employees are excluded from the Plan. Employees may enter the Plan on the first day of the Plan quarter coinciding with or following the date they satisfy the Plan’s eligibility requirements.

*Contributions*

Each year, eligible participants may contribute either pre-tax or Roth deferrals, as defined in the Plan, and subject to IRC limitations. Participants that have attained the age of 50 before the end of the plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options on the first day of each plan quarter. The Plan provides a matching contribution of 100% of the first 5% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company. No such additional discretionary contributions were made for the year ended December 31, 2021.

*Participant accounts*

Each participant’s account is credited with the participant’s contributions, Company contributions and plan earnings and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on either participant earnings or account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Notes receivable from participants*

Participants may borrow from their accounts between \$1,000 to \$50,000 or 50% of their vested account balance, whichever is less. Loans bear interest at a rate equivalent to interest rates charged by person in the business of lending money under similar circumstances. The loans are secured by the balance in the participant’s vested account balance. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant’s residence, in which case the loan repayment period will be commensurate with the repayment period permitted by commercial lenders for similar loans. A participant may have only one outstanding note at any one time.

**Note 1 - Description of the plan (continued):**

*Vesting*

Participants are vested immediately in their contributions and earnings thereon. A participant must perform 1,000 hours of service in a plan year to be credited with a year of service. Vesting for discretionary employer profit sharing and employer match contributions is based on years of continuous service as follows:

| <u>Participant's Years of Service</u> | <u>Non-forfeitable Percentage</u> |
|---------------------------------------|-----------------------------------|
| Less than 2 years                     | 0%                                |
| 2 years                               | 20%                               |
| 3 years                               | 40%                               |
| 4 years                               | 60%                               |
| 5 years                               | 80%                               |
| 6 years or more                       | 100%                              |

*Forfeited accounts*

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$41,948 and \$19,281 respectively. Forfeited non-vested employer contributions may be used to reduce certain employer contributions, reallocated to plan participants, or used to pay Plan expenses. During the year ended December 31, 2021, \$7,111 was used to pay plan expenses from forfeited non-vested accounts.

*Payments of benefits*

On termination of service due to death, disability or retirement, a participant becomes 100% vested in the employer contributions. Plan provisions permit a participant to withdraw funds from the Plan for reasons of financial hardship as defined by the IRC. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution, periodic installments or roll the account into another qualified plan. Should a participant's vested balance not exceed \$5,000, then a single lump-sum distribution will be made to the participant for their entire vested account balance. Upon the attainment of age 59 ½, a participant may receive an in-service distribution from all accounts that are fully vested.

**Note 2 - Summary of significant accounting policies:**

*Basis of accounting*

The financial statements are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

*Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and the changes therein. Accordingly, actual results may differ from those estimates.

*Investment valuation and income recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Trustee. See Note 6 for discussion of fair value measurements.

**FIRSTBANK SOUTHWEST 401(k) & PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2021**

**Note 2 - Summary of significant accounting policies: (continued)**

*Investment valuation and income recognition (continued)*

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

*Notes receivable from participants*

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's note receivable balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

*Payment of benefits*

Benefits are recorded when paid.

*Administrative fees*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. Fees related to the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

*Administration of Plan assets*

The Plan's assets are held and invested by the trustee and administrator of the Plan. They are responsible for interpreting Plan provisions, determining Plan benefits, and maintaining Plan records. Certain administrative functions are performed by officers and employees of the Sponsor. No such officer or employee receives compensation from the Plan.

**Note 3 - Risks and uncertainties:**

The Plan provides for various investment options. These investment options are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment options, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**FIRSTBANK SOUTHWEST 401(k) & PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2021**

**Note 4 - Information certified by the plan custodian:**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (USA), the custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statement of net assets available for benefits and related disclosures as of December 31, 2021 and 2020
- Investment income (loss) and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**Note 5 - Plan termination:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 6 - Fair value measurements:**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**FIRSTBANK SOUTHWEST 401(k) & PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2021**

**Note 6 - Fair value measurements (continued):**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value, which are provided by the trustee. There have been no changes in the methodologies used during the year ended December 31, 2021.

*Pooled separate accounts:* Valued at fair value based on the net asset value (NAV) of units as determined by the insurance company. The NAV is based on the observable market prices of the underlying assets within that account less liabilities. The NAV for the underlying assets of the account is a readily determinable measure of their fair value and is the basis for current transactions.

The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and other third parties.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2021 and 2020 :

|                                 |    | 2021     |                      |             |                      |
|---------------------------------|----|----------|----------------------|-------------|----------------------|
|                                 |    | Level 1  | Level 2              | Level 3     | Total                |
| Pooled separate accounts        | \$ | -        | \$ 28,506,306        | \$ -        | \$ 28,506,306        |
| Total investments at fair value | \$ | <u>-</u> | <u>\$ 28,506,306</u> | <u>\$ -</u> | <u>\$ 28,506,306</u> |
|                                 |    | 2020     |                      |             |                      |
|                                 |    | Level 1  | Level 2              | Level 3     | Total                |
| Pooled separate accounts        | \$ | -        | \$ 24,603,028        | \$ -        | \$ 24,603,028        |
| Total investments at fair value | \$ | <u>-</u> | <u>\$ 24,603,028</u> | <u>\$ -</u> | <u>\$ 24,603,028</u> |

For the years ended December 31, 2021 and 2020, there were no significant transfers between Level 1 and 2 and no transfers in or out of Level 3.

**FIRSTBANK SOUTHWEST 401(k) & PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2021**

**Note 7 - Tax status:**

The Plan uses a prototype plan document provided by Verisight, Inc, which received an opinion letter dated March 31, 2014, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan itself has not received an opinion letter from the IRS; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

FASB ASC Section 740, *Income Taxes*, requires extensive disclosures about uncertain income tax positions. The requirements under this standard are also applicable to employee benefit plans. The plan administrator evaluates any uncertain tax positions using the provisions of ASC 450, *Contingencies*. Accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management's judgment with respect to the likely outcome of each uncertain tax position.

The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. The plan administrator does not believe that the Plan has engaged in any situation that would result in an uncertain tax position. As a result, the plan administrator does not believe that any uncertain tax positions currently exist and therefore, no loss contingency has been recognized in the accompanying financial statements. Federal income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, the plan administrator has no open examination with the Internal Revenue Service.

**Note 8 – Related party and party-in-interest transactions:**

Certain Plan investments are pooled separate accounts managed by John Hancock Life Insurance Company (USA), the custodian, as defined by the Plan. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to certain service providers. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. John Hancock Life Insurance Company receives revenue from pooled separate accounts and the underlying mutual fund and collective trust fund service providers for services John Hancock Life Insurance Company provides to the funds. This revenue is deposited into the Plan as additional investment income or is used to offset administrative expenses. These transactions are exempt party-in-interest transactions under ERISA.

**Note 9 – Subsequent events:**

The Plan sponsor has evaluated subsequent events through October 17, 2022, the date which the financial statements were available to be issued. Management is not aware of any subsequent events that would require adjustment to the financial statements or disclosure in the notes to the financial statements except for the following:

Subsequent to year-end, the plan was restated as required by the Cycle Three restatement process. There were no significant changes to plan provisions as a result of this restatement. This restatement was effective January 1, 2022.

**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2021**

**Note 9 – Subsequent events (continued):**

Subsequent to year-end, the United States and global markets have experienced a significant economic downturn. The Plan Sponsor is closely monitoring its investment portfolio and its liquidity. The Plan's financial statements do not include adjustments to fair value that have resulted from these declines occurring subsequent to year-end.
