Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Plan Administrator
Coach USA, Inc. Represented Employees 401(k) Plan
Paramus, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Coach USA, Inc. Represented Employees 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Coach USA, Inc. Represented Employees 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coach USA, Inc. Represented Employees 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coach USA, Inc. Represented Employees 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coach USA, Inc. Represented Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 1 and Note 6 to the accompanying financial statements, as of the close of business on December 31, 2021, the Plan was merged and all assets of the Plan were transferred to the Coach USA, Inc. 401(k) and Savings Plan. Our ERISA Section 103(a)(3)(C) audit opinion is not modified with respect to this matter.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Coach USA, Inc. Represented Employees 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COACH USA, INC. REPRESENTED EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Coach USA, Inc. Represented Employees 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, which are available from the Plan administrator.

General

The Plan was established effective April 1, 2001 and is a defined contribution plan covering all collective bargaining agreement groups identified in the plan document as full or part-time employees of Coach USA, Inc. (the Company). The Plan is designed to comply with the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC).

As further discussed in Note 6, effective December 31, 2021, the Plan was merged and the assets of the Plan were transferred to the Coach USA, Inc. 401(k) and Savings Plan.

Eligibility

All employees (subject to collective bargaining agreements as noted above) of the Company who were 21 years of age and had completed 120 days of service were eligible to participate in the Plan.

Contributions

Prior to the merger, the Plan permitted eligible employees through a salary deferral election to make annual contributions of up to 100% of eligible compensation. Employee rollover contributions were also permitted. Participant contributions could be made on a pre-tax basis or after tax as Roth contributions. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. The Company made matching contributions subject to union contracts. All contributions are subject to certain limitations imposed by the Plan and the IRC.

Transfers

Due to changes in employment status for certain employees, participant balances were transferred to and from the Plan in 2021 to other qualified 401(k) plans sponsored by companies under common ownership. As noted above and further discussed in Note 6, all assets of the plan were transferred to the Coach USA, Inc. 401(k) and Savings Plan as of December 31, 2021.

Investment Options

Each participant had the option of directing his or her contributions into any of the various investment options offered by the Plan, which were held at Delaware Charter Guarantee & Trust Company dba: Principal Trust Company (Principal). These funds included a variety of investment options with various objectives and degrees of financial risk.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account was credited with the participant's contributions, Company contributions, and plan earnings and was charged with certain administrative expenses. Plan earnings or losses were applied to a participant's account balance based on the investment experience of the funds held and the number of shares owned in each fund by the participant.

Vesting

Participants were immediately vested in their deferral and rollover contributions plus earnings or losses thereon. Participants vested in Company contributions at the rate of 20% for each year of continuous service and were 100% vested after five years of continuous service. Participants were also fully vested upon reaching normal retirement age, death, or total disability.

Notes Receivable from Participants

Prior to the Plan merger, participants were able to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loans terms ranged up to five years, except for loans for the purchase of a principal residence, which were offered over a period consistent with commercial home loan practices. The loans were secured by the balance in the participants' accounts. The loans bore interest at a rate commensurate with local prevailing rates, which ranged from 4.25% to 6.50% in 2021. Generally, principal and interest were paid ratably through payroll deductions.

Payment of Benefits

The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance. On termination of service due to death, disability, or retirement, a participant had the option to elect to receive the value of the vested interest in his or her account as a lump-sum distribution or a direct rollover to an eligible retirement plan. If a participant terminated employment for any reason and his or her vested account balance did not exceed \$1,000, the Plan administrator had the option to distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance was between \$1,000 and \$5,000, the Plan administrator had the option to roll the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provided for in-service withdrawals by participants who had attained the age of 59½ or who had five years of participation in the Plan. In addition, upon financial hardship, a participant was entitled to the value of his or her deferral accounts, which was payable immediately in a lump-sum distribution.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures were first used to pay administrative expenses under the Plan, and to the extent that forfeitures were not used to reduce administrative expenses under the Plan, as directed by the Plan administrator, forfeitures should have been applied to reduce Company contributions. Forfeited nonvested discretionary matching accounts totaled \$-0- and \$3,436 at December 31, 2021 and 2020, respectively. Forfeited nonvested matching accounts totaling \$16,612 were used to pay administrative expenses for the year ended December 31, 2021. In connection with the Plan merger, forfeited nonvested accounts totaling \$4,382 were transferred to the Coach USA, Inc. 401(k) and Savings Plan on December 31, 2021.

Revenue Sharing

The Plan had a revenue sharing arrangement with Principal. During 2021, deposits to the account totaled \$12,350, which were included in other income on the statement of changes in net assets available for benefits. Funds in the account were used to pay qualified plan expenses. For the year ended December 31, 2021, revenue sharing credits totaling \$7,364 were used to pay plan expenses. In connection with the Plan merger, revenue sharing credits totaling \$9,218 were transferred to the Coach USA, Inc. 401(k) and Savings Plan on December 31, 2021. As of December 31, 2021 and 2020, funds in the account totaled \$-0- and \$4,232, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Other income represents income received from revenue sharing arrangements with Principal. Other income receivable represents revenue sharing credits that will be used to pay plan expenses in future years.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION BY THE INVESTMENT CUSTODIAN

Information presented in the accompanying statements and schedules as of December 31, 2021 and 2020, and for the year then ended December 31, 2021 for investments, notes receivable from participants, investment income and interest income on notes receivable from participants was derived, without audit, from information certified to be complete and accurate by Principal, the custodian, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value (NAV) practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Mutual funds are valued at the quoted price of shares held by the Plan at year-end.

COACH USA, INC. REPRESENTED EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts: Pooled separate accounts are stated at their NAV as reported by the investment manager of the fund based on the fair value of the underlying assets and liabilities at the measurement date. The NAV is used as a practical expedient to estimate fair value.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Due to the transfer of assets in 2021, the Plan held no assets at fair value as of December 31, 2021. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	2020				
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
Mutual Funds	\$ 9,146,709	\$ -	\$ -	\$ -	\$ 9,146,709
Pooled Separate Accounts	-	-	-	1,012,865	1,012,865
Investments at Fair Value	<u>\$ 9,146,709</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,012,865</u>	<u>\$ 10,159,574</u>

(a) Certain investments that are measured using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

There were no transfers between levels of investments during the year ended December 31, 2021.

Investments in pooled separate accounts provide for daily liquidity and have no redemption features or other restrictions.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Principal. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

COACH USA, INC. REPRESENTED EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on a semi-annual basis for resetting.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The contract is a traditional investment contract. In connection with the Plan merger on December 31, 2021 as further discussed in Note 6, the contract was assumed by the Coach USA, Inc. 401(k) and Savings Plan as of this date and therefore, the Plan's balance in the contract is \$-0- as of December 31, 2021. The contract value of the investment contract was \$2,526,600 as of December 31, 2020.

During October 2021, in anticipation of the upcoming merger of the Plan and management's decision to subsequently transfer the assets of the Coach USA, Inc. 401(k) and Savings Plan to Fidelity Management Trust Company (Fidelity), management notified Principal of its intent to terminate the contract. The contract requires either a 12-month advance notice or a 5% surrender charge in order to terminate the contract. Plan management opted to leave the contract intact through October 2022 in lieu of paying the surrender charge. As such, contract value remained the relevant measurement through the merger date of December 31, 2021.

NOTE 6 PLAN MERGER AND TRANSFER

Effective January 1, 2022 the Coach USA, Inc. 401(k) and Savings Plan was amended to allow for the transfer of three plans sponsored by Coach USA, Inc. or its subsidiaries. In connection with this amendment, the assets of the Coach USA, Inc. Represented Employees 401(k) Plan were transferred to Fidelity, the trustee of the Coach USA, Inc. 401(k) and Savings Plan, except for the investments in the guaranteed investment contract, which remained at Principal as disclosed in Note 5. As such, as of the close of business on December 31, 2021, the Plan ceased to exist. See below for a summary of assets transferred out of the Plan as of this date:

Investments	\$ 13,559,305
Notes Receivable from Participants	344,807
Total Transfers	<u>\$ 13,904,112</u>

NOTE 7 PLAN MERGER AND TRANSFER (CONTINUED)

Plan transfers to the Coach USA, Inc. 401(k) and Savings Plan as presented on the statement of changes in net assets totaling \$13,923,561 differ from the amount presented above due to transfers that occurred during 2021 unrelated to the merger with the Coach USA, Inc. 401(k) and Savings Plan. Such transfers occurred due to changes in employment status for certain participants.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Principal. Principal serves as the custodian and recordkeeper of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Other parties-in-interest include professional service firms who provide services to the Plan. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan.

NOTE 9 TAX STATUS

The Plan operates under an adoption agreement in connection with a volume submitter plan sponsored by Principal. The prototype plan document was filed with the appropriate agency and obtained an opinion letter dated August 8, 2014, in which the Internal Revenue Service (IRS) stated that the prototype plan and related trust, as then designed, constituted a qualified plan under Section 401 of the IRC and, therefore, were not subject to tax. The Plan has been amended since receiving the opinion letter. The Plan has not requested or obtained a determination letter. However, the Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 PROHIBITED TRANSACTIONS

During 2018, the Company failed to remit certain employee contributions totaling \$1,137 within the period prescribed the Department of Labor regulations. Participant contributions that are not deposited within the specified time frame represent prohibited use of plan assets by the Company according to the provisions of ERISA and the IRC. Plan management is currently working with the Plan's recordkeeper to determine the lost earnings associated with the late deposits. These funds will be allocated to the affected participants' accounts.
