DCC LPG 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of DCC LPG 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

DCC LPG 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following brief description of the DCC LPG 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General: The Plan is a defined contribution plan covering all eligible employees of DCC LPG Holdings, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees will be automatically enrolled in the Plan on the first day of the month (or if sooner, the first day of the Plan year) coinciding with or following the date they have completed six months of service, as defined by the Plan, and are at least 18 years of age.

Contributions: Each year, participants may contribute a portion of their gross wages and catch-up contributions, subject to certain limitations imposed by the Internal Revenue Code (IRC), as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Upon being automatically enrolled, each participant will automatically be deferring 3% of eligible wages unless a different percent is elected upon enrollment. Each participant's automatic enrollment contribution rate will be automatically increased as follows unless a different deferral rate is elected.

<u>Automatic Deferral Percentage</u>	<u>Rate of Increase</u>
3%	First plan year and second plan year
4%	Third plan year
5%	Fourth plan year
6%	Fifth and subsequent plan years

The Plan allows for Company matching contributions equal to the sum of 100% of the amount of the participant's elective deferrals (including catch-up contributions made) that are not in excess of 1% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals (including catch-up contributions made) that exceed 1% of the participant's compensation but not in excess of 6% of the participant's compensation. The Plan Sponsor made employer matching contributions of \$888,586 to the Plan related to the 2021 plan year. Contributions are subject to limitations.

Participant accounts: Each participant's account is credited with participant contributions and the Company matching contribution and receives allocations of plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service, as defined by the Plan. A participant vests in their safe harbor matching contributions 50% each year starting in year one. A participant vests in their non-safe harbor matching contributions 20% each year starting in year one and is 100% vested after five years of credited service.

Forfeitures: In the event of termination of employment before full vesting has occurred, the non-vested portion of the employer contribution shall first be reallocated to participants to reinstate previously forfeited balances in the event a previously employed participant is reemployed before five consecutive one-year breaks in service with certain other requirements, then any remaining forfeitures can be used to pay for employer matching contributions or to pay for plan expenses. Forfeitures available as of December 31, 2021 and 2020, were \$31,965 and \$30,451, respectively. In 2021, there were no forfeitures applied.

Note 1. Plan Description (Continued)

Investment options: Upon enrollment in the Plan, a participant may direct employee and Company contributions in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments if the participant is required to take minimum required distributions. Distributions may also be made from the Plan in cases of financial hardship as defined in the plan agreement. In addition, participants over the age of 59 ½ may withdraw all or a portion of their vested account balance while still employed. Participants over the age of 70 ½ are required to receive minimum annual distributions as required in the plan document unless they are still employed by the Plan Sponsor. Account balances less than \$1,000 at the date of termination are paid in a lump sum upon termination.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 reduced by the participant's highest outstanding loan balance in the previous 12 months or 50% of their vested account balance. Participants may have no more than two outstanding loans at any given time. Loan terms may not exceed five years unless used for the purchase of a primary residence, in which case the repayment period may not exceed 10 years. The loans are collateralized by the balance in the participant's account and bear interest at a reasonable rate based on the prevailing prime rate plus 1%. Interest rates range from 4.25% to 6.50% on outstanding loans. Principal and interest are paid ratably through payroll deductions.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of benefits: Benefits are recorded when paid.

Accounting estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets available for benefits, changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Note 2. Significant Accounting Policies (Continued)

Subsequent events: The Plan Administrator has evaluated subsequent events for recognition and/or disclosure through October 14, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by Charles Schwab Bank, N.A.

The following is a summary of the Plan's asset and income information as of December 31, 2021 and 2020 and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedules, that were prepared by or derived from information provided by Charles Schwab Bank, N.A., the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained the certification from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets and income.

The following information has been certified by Charles Schwab Bank, N.A. as of December 31, 2021 and 2020:

	2021	2020
Shares of mutual funds	\$ 25,058,766	\$ 24,650,379
Shares of common/collective trust fund	1,921,233	1,926,447
Notes receivable from participants	367,851	408,015
Net appreciation in fair value of investments	1,798,285	
Interest and dividends from investments	1,966,916	
Interest income on notes receivable from participants	21,846	

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

DCC LPG 401(k) Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Collective investment fund: Stated at fair value as determined by the issuer of the collective investment fund based on the fair market value of the underlying assets, which is valued at the net asset value (NAV) as a practical expedient to fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The collective investment fund requires participants to invest in a noncompeting fund for at least 90 days before transferring to a competing fund option.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Shares of mutual funds	\$ 25,058,766	\$ -	\$ -	\$ 25,058,766
Total assets in fair value hierarchy	\$ 25,058,766	\$ -	\$ -	25,058,766
Investments measured at NAV (a)				1,921,233
Total investments at fair value				\$ 26,979,999

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Shares of mutual funds	\$ 24,650,379	\$ -	\$ -	\$ 24,650,379
Total assets in fair value hierarchy	\$ 24,650,379	\$ -	\$ -	24,650,379
Investments measured at NAV (a)				1,926,447
Total investments at fair value				\$ 26,576,826

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

DCC LPG 401(k) Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table summarizes investments measured at fair value based on NAV per unit as of December 31, 2021 and 2020:

Investments	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common/collective trust fund:					
Wells Fargo Stable Value Fund	\$ 1,921,233	\$ 1,926,447	\$ -	Daily	12 Months

Participant-directed withdrawals and exchanges can be requested daily on any business day. Withdrawals to accommodate a participant-directed exchange to another investment option may be made on any business day, provided the exchange is not directed into a competing fund (money market funds or certain fixed income funds). Transferred amounts must be held in a non-competing option for 90 days before subsequent transfers to a competing fund are allowed.

Withdrawals directed by the Plan Sponsor must be preceded by 12 months' written notice to the custodian. The custodian may, in its discretion, complete any such plan-level withdrawals before the expiration of such a 12-month period. It is the judgment of the Company that the likelihood of an imposition of 12-month period for such a plan-level withdrawal is remote.

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Level 3.

Note 5. Related-Party Transactions

Milliman, Inc. is the recordkeeper, as defined by the Plan and, therefore, qualifies as a party-in-interest. Administrative expenses paid to Milliman, Inc. by the Plan were \$119,485 for the year ended December 31, 2021.

Certain employees of the Company provide administrative services to the Plan. These employees do not receive compensation from the Plan for their services. Certain other expenses of the Plan are paid by the Company.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company matching contribution portion of their accounts.

DCC LPG 401(k) Savings Plan

Notes to Financial Statements

Note 7. Tax Status

Effective May 1, 2018, the Plan adopted a Volume Submitter Profit Sharing Plan (the VSPS Plan) with CODA sponsored by Milliman, Inc. The VSPS Plan has received a favorable opinion letter from the Internal Revenue Service as to the plan's qualified status which was dated March 31, 2014. The VSPS Plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving this letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken on an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to outside audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

	2021	2020
Net assets available for benefits per the financial statements	\$ 27,349,436	\$ 26,986,228
Notes receivable from participants	(367,851)	(408,015)
Participant loans	367,851	408,015
Net assets available for benefits per Form 5500	<u>\$ 27,349,436</u>	<u>\$ 26,986,228</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Change in net assets available for benefits per the financial statements	\$ 363,208
Net appreciation in fair value of investments	30,954
Interest and dividends from investments	(30,954)
Change in net assets available for benefits per Form 5500	<u>\$ 363,208</u>

Note 10. Prohibited Transaction

During 2021, the Plan Sponsor inadvertently failed to deposit \$189,208 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Plan deposited lost earnings to correct the 2021 failure in the third quarter of 2021. The Plan Sponsor will file Form 5330 and pay the applicable excise tax. The payments of the lost earnings and excise tax will be made from the Plan Sponsor's assets and not from assets of the Plan.

Notes to Financial Statements

Note 11. Subsequent Events

Effective January 1, 2022, the Plan Sponsor changed their recordkeeper and custodian, entering into a recordkeeping service agreement and trust agreement with Fidelity Workplace Services LLC and Fidelity Management Trust Company, respectively.

The Plan Document was amended effective January 1, 2022 to formalize the merger of the following six plans into the Plan, Stampede Presentation Products, Inc. 401(k) Plan, Nutritional Laboratories International, Inc 401(k) Plan, JAM Industries USA 401(k) Plan, SerCom Solutions Inc. 401(k) Plan, Amerilab Technologies, Inc. 401(k) Profit Sharing Plan and ION Labs, Inc 401(k) Plan.
