Independent Auditor's Report

The Audit Committee and Plan Trustees
MERS/Missouri Goodwill 403(b) Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of MERS/Missouri Goodwill 403(b) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by qualified institutions. Their report dated September 20, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MERS/MISSOURI GOODWILL 403(b) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note A – Description of the Plan

The following description of MERS/Missouri Goodwill 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan, which has been adopted by MERS/Missouri Goodwill Industries (the “Agency” or “Plan Sponsor”), a Missouri not-for-profit organization, is a 403(b) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was initially effective June 1, 1985. The Plan covers employees of the Agency who have completed at least one year of eligible service, as defined by the Plan Document, and are 21 years of age or older. The following Agency employee groups are excluded from participation in the Plan: sheltered workshop employee clients, apprenticeship program trainee clients, non-managerial employees working in stores, non-managerial employees working in the contract division and client/employees working in vocational and rehabilitation programs. Employees may participate in the Plan on the first day following the date which the employee becomes eligible to participate. The Audit Committee and Plan Trustees are responsible for oversight of the Plan. The Plan Trustees determine the appropriateness of the Plan’s investment offerings and monitors performance. American United Life Insurance Company and Mutual of America Life Insurance Company serve as the Plan’s recordkeepers and custodians.

Contributions

Contributions are from employees and the employer and are based on the dollar amount indicated on the employee’s salary reduction election form and are made on a pre-tax basis. Eligible employees may contribute any percentage of their salary. Active participants who have attained the age of 50 are eligible to make additional catch up contributions. Employer contributions are made at 50% of the employee’s contribution, maxing out at 6%. Contributions are subject to certain Internal Revenue Code (“IRC”) limitations. Participants may contribute amounts representing rollover distributions from previous employers’ eligible retirement plans, as defined.

Employer Match

The match is 50% of the employee deferral percentage with a ceiling of a 6% deferral. Eligibility for the match contribution is based on 1) eligible titles which include all titles not specified in the Plan Document and 2) at least one full year of service based on the employee’s hire date.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Agency’s contributions and an allocation of the Plan’s earnings or losses. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the vested balance in that participant’s account.

Notes to Financial Statements - Continued

December 31, 2021 and 2020

Note A – Description of the Plan (Continued)

Vesting

Participants are 100% vested in all employee deferral contributions to the Plan plus actual earnings thereon. Participants must have three years of service with at least 1,000 hours worked each year to be 100% vested in the employer match contribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less any outstanding loan balance of 50% of the borrower's combined Accounts on the date the loan is made. The loans are secured by 50% of the balance in the participant's account and are based on the rates available for similar loans from commercial lending institutions. The Plan Administrator periodically examines the rates such lenders are using. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

The Plan provides for distribution of benefits upon age 59 ½, termination of the Plan, termination of employment, death, disability that prevents a participant from working and certain hardship cases. The normal form of retirement benefit is a qualified joint and survivor annuity. Qualified optional forms of benefit include various annuities and lump sum payments.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$6,270 and \$5,231, respectively. These accounts will be used to reduce future administrative expenses. Also, in 2021, administrative expenses were reduced by \$23,251 from forfeited nonvested accounts.

Plan Termination

The Agency reserves the right to terminate its participation in the Plan as of any specified current or future date. Upon termination of the Plan, no further contributions shall be made, and the trustee shall continue to administer and hold the assets and distribute benefits in accordance with the provisions of the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

MERS/MISSOURI GOODWILL 403(b) PLAN

Notes to Financial Statements - Continued

December 31, 2021 and 2020

Note B – Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments are recorded when paid.

Coronavirus Aid, Relief, and Economic Security Act

The Plan is in the process of operationally being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among other, allow certain eligible participants to receive coronavirus-related distributions, initiate larger loans, and temporarily suspend repayment of outstanding loans. Written amendments to the Plan to reflect these operational changes will be adopted later in accordance with applicable law and IRS guidance.

Investment Valuation and Income Recognition

The Plan's Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes gains and losses on investments bought and sold as well as held during the Plan year.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Brokerage commissions, transfer taxes, and other charges and expenses in connection with the purchase or sale of securities are charged against the trust fund and added to the cost of such securities or deducted from the sale proceeds, as the case may be. Participants are also charged processing fees in certain circumstances. Any remaining costs of administering the Plan are currently paid by using forfeitures.

Subsequent Events

Management has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

MERS/MISSOURI GOODWILL 403(b) PLAN

Notes to Financial Statements - Continued

December 31, 2021 and 2020

Note C – Certification of Investments

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from American United Life Insurance Company ("One America") and Mutual of America Life Insurance Company ("Mutual of America") that all of the investment information provided by One America and Mutual of America included in the accompanying financial statements and supplemental schedule is complete and accurate. Information as to the investments in the account of One America and Mutual of America, investment income, and all investment information appearing in the accompanying financial statements and supplemental schedule are presented in reliance solely upon those certifications.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note D – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. The Plan did not have any investments meeting the level 2 criteria at December 31, 2021 or 2020.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan does not have any level 3 investments.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Note D – Fair Value Measurements (Continued)

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present investments measured at fair value on a recurring basis at December 31:

		2021			
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds		\$ <u>5,396,478</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>5,396,478</u>

Total		\$ <u>3,979,295</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>3,979,295</u>

Note E – Fully Benefit-Responsive Investment Contracts

The contract value of the Mutual of America guaranteed interest account and One America stable value fund at December 31, 2021, was \$166,650 and \$209,566, respectively, and at December 31, 2020, were \$173,710 and \$114,497, respectively. One America and Mutual of America maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contracts do not permit the insurance companies to terminate the agreement prior to the scheduled maturity date.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by One America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Notes to Financial Statements - Continued

December 31, 2021 and 2020

Note E – Fully Benefit-Responsive Investment Contracts (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Note F – Related Party and Party-in-Interest Transactions

Mutual of America served as the investment manager of certain Plan investment offerings and Mutual of America was the trustee of the Plan's assets. Transactions involving Mutual of America qualify as allowable party-in-interest transactions. One America serves as the investment manager of certain Plan investment offerings. As One America is the trustee and custodian of the Plan's assets, transactions involving One America qualify as party-in-interest.

Note G – Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by One America Financial Partners, Inc. This prototype Plan Document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note I – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 5,781,636	\$ 4,250,592
Excess contributions payable	<u>23,108</u>	<u>25,594</u>
Net assets available for benefits per Form 5500	<u>\$ 5,804,744</u>	<u>\$ 4,276,186</u>

The following is a reconciliation of net increase per the financial statements for the year ended December 31, 2021 to Form 5500:

Net increase per the financial statements	\$ 1,531,044
Excess contributions payable at December 31, 2021	23,108
Excess contributions payable at December 31, 2020	<u>(25,594)</u>
Net income per Form 5500	<u>\$ 1,528,558</u>
