INTERNAL CONTROL COMMUNICATION.....3

October 7, 2022

To the Plan Administrator and Management of
OPKO Health, Inc. 401(k) Plan

We have audited the financial statements of OPKO Health, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we will issue our report thereon dated August 9, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 11, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by OPKO Health, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of investments is based on ASC 820. We evaluated the key factors and assumptions used to develop the fair values and classification in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of investment fair values in Note 3 to the financial statements that describes the fair value hierarchy of the Plan's investments.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 7, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the plan administrator and management of OPKO Health, Inc. 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

PAAST, P.L.

To the Plan Administrator and Management of
OPKO Health, Inc. 401(k) Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of OPKO Health, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered OPKO Health, Inc. 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the plan administrator, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

OPKO HEALTH, INC. 401(K) PLAN
FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
OPKO Health, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of OPKO Health, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of OPKO Health, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OPKO Health, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OPKO Health, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OPKO Health, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of OPKO Health, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualifying institution. In our report dated August 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the OPKO Health, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A) GENERAL

The Plan is designed to qualify as a Safe Harbor 401(k) Plan established by the plan sponsor, OPKO Health, Inc. (the "Company"). The Plan is a defined contribution plan covering certain employees that meet the eligibility requirements. The Plan also covers the employees of affiliated employers, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan became effective on January 1, 2005.

The Company serves as the plan administrator. Fidelity Management Trust Company, a qualified institution, serves as the Plan's record keeper and trustee (the "trustee" or "Fidelity") during the years ended December 31, 2021 and 2020. The trustee has the responsibility under the Plan for the management and control of the assets of the Plan.

B) ELIGIBILITY

Employees are eligible to participate in the Plan immediately upon the date of hire. There is no minimum age or service requirement for participation in the Plan.

C) CONTRIBUTIONS

Eligible employees can contribute up to the maximum percentage allowable of their compensation, as defined, subject to certain limitations under the Internal Revenue Code ("Code"). In accordance with the Code, the total maximum allowable contribution to the Plan directly from the participant was \$19,500 for 2021, not including additional catch-up contributions allowed for participants over the age of 50, which were \$6,500. Participants are allowed to designate contributions to both pre-tax and Roth (after-tax) 401(k) classifications. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants are always 100% vested in any amounts contributed to the Plan as a rollover from another qualified plan or an IRA.

The Company can elect to make safe harbor matching contributions as well as discretionary non-elective matching contributions to the Plan. During 2021, the Company elected to make safe harbor matching contributions equal to 100% of the amount contributed by participants to the Plan up to the first 4% of participant compensation. The Company's safe-harbor matching contribution was approximately \$9,624,000 for the year ended December 31, 2021.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

C) CONTRIBUTIONS (CONTINUED)

Participants are subject to the following conditions in order to be allocated any discretionary non-elective matching contributions: a) participants must be employed on the last day of the Plan year or b) participants must complete at least 501 hours during the Plan year.

D) INVESTMENT OPTIONS

Participants are allowed to invest their elective 401(k) contributions, rollovers, if any, as well as Company matching contributions to the Plan in a variety of investment options as more fully described in the Plan document. Participants may change their investment options and deferral percentages at any time.

E) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's deferral contribution, the Company's matching contributions, if any, and an allocation of the investment earnings, based upon each participant's election and charged with an allocation of administrative expenses not paid by the Company. The benefit to which a participant is entitled is the vested benefit amount in the participant's account.

F) VESTING

Participants are always 100% vested in their contributions, the Company safe-harbor contributions and any other special contributions made to the Plan as specified by the Plan document.

G) PAYMENT OF BENEFITS

The Plan provides for distribution of accumulated benefits upon death, disability, or retirement of participants. Payment options include installment payments and lump-sum distributions. Upon termination of service, participants are entitled to the value of their accumulated vested balance, subject to the vesting limitations as described above.

The Plan also allows participants that qualify for financial hardship, as defined, to withdraw funds accumulated from their own contributions while still employed. A participant may withdraw vested amounts attributable to all vested contributions while still employed if the participant is at least age 59 ½ at the time of the distribution. The Plan also allows participants to receive qualified reservist distributions.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

H) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of (a) 50 percent of their vested account balance, or (b) \$50,000 (as defined in the Plan document). Effective July 1, 2017, the Plan does not allow participants to have more than one loan outstanding at any time. Prior to that change, a maximum of four loans outstanding were allowed. Loans must have a definite repayment period not to exceed five years, unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest commensurate with the interest rates charged by persons in the business of lending money for loans under similar circumstances at the time the loan is made. The interest rate remains fixed over the loan term. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, all loans will immediately become due and payable. If a loan is not repaid within a reasonable time following termination, it will be offset against the participant's vested balance and recorded as a benefit payment.

I) FORFEITED ACCOUNTS

Pursuant to the Plan, forfeited non-vested accounts may be used to offset expenses or reduce future employer contributions. During 2021, the Company funded Safe Harbor matching contributions of approximately \$8,262,000 for the Plan year ended December 31, 2020, offset by \$60,000 in forfeitures. Approximately \$8,000 in forfeitures were utilized to pay Plan expenses during the year ended December 31, 2021. No forfeitures were utilized to offset the Company's Safe Harbor matching contribution for the year ended December 31, 2021. At December 31, 2021 and 2020, there was a remaining forfeiture balance of approximately \$7,000 and \$71,000, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

A) BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America for employee benefit plans.

B) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee, Fidelity, determines the Plan's valuation policies. The Plan utilizes the Net Asset Value ("NAV") practical expedient for its investments in common collective trusts ("CCT"). See Note 3 for a discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B) INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest is recorded in the period earned. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2021, notes receivable from participants deemed to be in default and recorded as benefit payments totaled approximately \$356,000.

D) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

E) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

F) PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

G) ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments through revenue sharing arrangements. During the year ended December 31, 2021, administrative and investment advisory expenses incurred by the Plan totaled approximately \$563,000. The Plan utilized revenue credits received from Fidelity to pay for some of these expenses (NOTE 7).

H) RECENT ACCOUNTING PRONOUNCEMENTS

The Company evaluates new accounting pronouncements for relevance and impact on the Plan's financial statements. Management does not expect that timely adoption of new pronouncements will have a material impact on the Plan's net assets available for benefits.

I) MANAGEMENT REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 7, 2022, the date when the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. During 2021 and 2020, Level 1 inputs were available and therefore used. No level 2 and 3 inputs were used by the Plan.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds - Mutual funds are valued at the daily NAV of shares held by the Plan at year end. The NAV is based upon quoted prices.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Common collective trusts - The collective trust funds are valued at the NAV of the units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The input levels used by investment category are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2021				
Mutual funds	\$ 236,135,426	\$ -	\$ -	\$ 236,135,426
Interest bearing cash	<u>5,792,116</u>	<u>-</u>	<u>-</u>	<u>5,792,116</u>
Total assets in the fair value hierarchy	<u>\$ 241,927,542</u>	<u>\$ -</u>	<u>\$ -</u>	241,927,542
Investments measured at NAV*				<u>5,702,830</u>
Total investments				<u>\$ 247,630,372</u>
December 31, 2020				
Mutual funds	\$ 190,153,599	\$ -	\$ -	\$ 190,153,599
Interest bearing cash	<u>7,756,508</u>	<u>-</u>	<u>-</u>	<u>7,756,508</u>
Total assets in the fair value hierarchy	<u>\$ 197,910,107</u>	<u>\$ -</u>	<u>\$ -</u>	197,910,107
Investments measured at NAV*				<u>5,998,684</u>
Total investments				<u>\$ 203,908,791</u>

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

NOTE 4 - COMMON COLLECTIVE TRUSTS

The Plan has investments in stable value common trust funds at December 31, 2021 and 2020. The Plan has estimated the investments' fair value utilizing the NAV practical expedient. The estimated fair value at December 31, 2021 and 2020 was approximately \$5,703,000 and \$5,999,000, respectively. The objective of the investments is to preserve capital while earning a level of interest income that is consistent with principal preservation. Units in the trust may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan. For a plan level liquidation, the Plan is required to provide notice to the trustee prior to redemption and may delay the redemption period if necessary in order to ensure that securities liquidations will be carried out in an orderly business manner. At December 31, 2021 and 2020, there were no unfunded commitments.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to suspend or terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

The Plan is based on a "volume submitter" plan document. The sponsor of the volume submitter document has received a favorable determination letter from the Internal Revenue Service ("IRS") dated March 31, 2014, stating that the form of the Plan is qualified under Section 401 of the Code. The Company has chosen to rely on the IRS determination letter issued to the sponsor of the volume submitter document as evidence that the form of the Plan is tax-qualified. The Plan is also required to be operated in conformity with the Code to maintain its tax-qualified status. The plan administrator believes that the Plan, which has been amended since the date of the determination letter, continues to be tax-qualified in both form and operation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity, the appointed trustee of the Plan's assets as of December 31, 2021 and 2020. Therefore, these transactions qualify as party-in-interest transactions. Fidelity provides certain administrative services to the Plan pursuant to the agreement between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services. Additionally, administrative expenses include other professional fees paid by the plan; therefore, these transactions also qualify as party-in-interest transactions. As disclosed in Note 2G, the Company pays a portion of administrative expenses on behalf of the Plan. Expenses paid to Fidelity by the Plan totaled approximately \$355,000 during the year ended December 31, 2021.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the agreement, Fidelity remits the excess to the Plan's trust. During the year ended December 31, 2021, the Plan received approximately \$7,000 in revenue credits from Fidelity, all of which were used to pay Plan administrative expenses.

The Plan or plan sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

	<u>2021</u>	<u>2020</u>
Investments at fair value (Notes 3 and 4)	<u>\$247,630,372</u>	<u>\$203,908,791</u>
