INDEPENDENT AUDITORS' REPORT

To the Administrators
LHR Retirement Plan
South Jordan, Utah

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the LHR Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LHR RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

(1) Description of the Plan

The following description of the LHR Retirement Plan (f/k/a AENA Retirement Plan) (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a tax qualified defined contribution multiple-employer plan covering specific job classification employees of affiliates of Lighthouse Resources, Inc. (the Company). The Plan is administered by the Company. Transamerica Retirement Solutions is the trustee of the Plan. The Plan's net assets are held in trust and invested in several investment funds as determined by the employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

(b) Eligibility

Participants within specified job classifications are eligible to participate in the Plan who have met requirements established by the affiliate companies of the Company.

(c) Contributions

Participants may elect to make contributions to the Plan of up to 100% of their eligible compensation. The maximum dollar amount a participant can contribute to the Plan is further limited by the Internal Revenue Code (IRC). The employer will match a portion of the employees' contribution, as determined by the Plan of the respective affiliate companies of the Company. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

(d) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the employer's contributions and Plan earnings, and reduced with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participant contributions and the related earnings thereon are fully vested at all times. Vesting of employer contributions ranges from immediate to 5 years. The forfeitures balances for the years ended December 31, 2021 and 2020 were \$63,020 and \$38,590, respectively. The 2021 and 2020 forfeitures were used to offset employer contributions.

(f) Payment of Benefits

On termination of service due to death, disability, hardship, or retirement, a participant or beneficiary may elect to receive either a lump-sum distribution or installment payments equal to the value of the participant's vested interest in the participant's account over the participant's remaining expected life. For termination of service for other reasons, a participant may receive the value of the vested interest in the participant's account as a lump-sum distribution. Plan participants are eligible for normal retirement at age 65 but may elect to retire at a later date.

LHR RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

The Plan allows for automatic distribution of a terminated participant's account balance totaling less than \$1,000. A terminated participant with an account balance between \$1,000 and \$5,000 may receive a distribution of his or her account balance paid into an individual retirement account.

(g) *Hardship Withdrawals*

Participants are permitted to withdraw, in a single sum, from his or her vested interest in the Plan in order to satisfy an immediate and heavy financial need of the participant. The amount available for a hardship withdrawal will include contributions that the participant has made to the Plan, but will exclude any earnings and/or any employer contributions.

(h) *Participant Loans*

In accordance with the Plan's loan policy, participants are permitted to take a loan if the purpose of the loan is to satisfy an immediate and heavy financial need of the participant. Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participants may only have one outstanding loan at any time. Interest on participant loans is fixed for the duration of the loan at 1% above prime rate.

(i) *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to recordkeeping, consulting, and trustee services are charged directly to the participant's account and are included in administrative expenses.

Investment related expenses are included in net appreciation of fair value of investments.

(2) *Summary of Significant Accounting Policies*

(a) *Basis of Accounting*

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) *Use of Estimates*

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to the Financial Statements

December 31, 2021 and 2020

(d) *Payment of Benefits*

Benefits are recorded when paid.

(e) *Risk and Uncertainties*

The Plan provides investments in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(f) *Notes Receivable from Participants*

Notes receivable to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

(3) *Fair Value Measurements*

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement ("ASC 820"), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820, are described as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Company at the measurement date.

Level 2 – Other than quoted prices included in Level 1 inputs that are observable for valuing the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at their net asset value ("NAV") per share do not have readily determined values and are thus not subject to leveling in the fair value hierarchy. The NAV is the total value of the fund divided by the number of the fund's shares outstanding.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

LHR RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

Stable value fund: Consists of the Transamerica Stable Value Focus Option which is measured at contract value, which approximates fair value. The value is based on the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value of the Plan's assets at December 31, 2021 and 2020 are as follows:

Investments at Fair Value as of December 31, 2021				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,450,867	\$ —	\$ —	\$ 24,450,867
Total	<u>\$ 24,450,867</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 24,450,867</u>

Investments at Fair Value as of December 31, 2020				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,882,136	\$ —	\$ —	\$ 27,882,136
Total	<u>\$ 27,882,136</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 27,882,136</u>

(4) Investment Contract with Insurance Company

The Plan has a fully benefit-responsive investment contract with Transamerica. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, the contract is measured at contract value. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Transamerica. The plan administrator believes the occurrence of such events is not probable.

Notes to the Financial Statements

December 31, 2021 and 2020

(5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

(6) Information Certified by the Trustee

The plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified as complete and accurate by the trustee as of and for the years ended December 31, 2021 and 2020 were not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule:

- Investments at fair value
- Investment contract at contract value
- Interest and dividends
- Net appreciation (depreciation) in fair value of investments
- Investment information included in Note 3, excluding level designation
- Schedule of assets (held at end of year)

(7) Tax Status

The Company adopted a volume submitter profit sharing plan with CODA sponsored by National Benefits Services, LLC which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the prototype plan received the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan and related trust are currently designed and are currently being operated in compliance with the applicable requirements of the IRC.

(8) Related-Party and Party-In-Interest Transactions

Certain plan investments are shares of mutual funds managed by Transamerica Retirement Solutions; therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$190,110 and \$187,306 to the trustee, investment advisors, and third-party administrator for the applicable services for the years ended December 31, 2021 and 2020, respectively.

(9) Subsequent Events

The Company has performed an evaluation of subsequent events through October 17, 2022. Based on the Company's evaluation, no events have occurred requiring disclosure.

(10) Plan Sponsor Restructuring

On December 3, 2020, the Company and several subsidiaries filed for Chapter 11 bankruptcy. Management does not expect this to have an effect on the operations of the Plan.
